

Vice President of Membership Education Advisor

As Vice President of Membership Education Advisor, you are a key member of the Advisory Team of a Delta Upsilon chapter or colony. You are not necessarily a member of Delta Upsilon or another Greek organization, but you do believe that a fraternity—when it is operating properly—offers profound benefits to its undergraduate and alumni members, as well as to its campus and community stakeholders. You are committed to the academic and educational development of each and every undergraduate member of the chapter or colony, and you take pride in the direct, integral role you play in ensuring the Fraternity achieves its mission, each and every day, of *Building Better Men*.

The most beneficial Vice President of Membership Education Advisor:

- Strives to *Build Better Men* by focusing on our non-secret heritage and Four Founding Principles.
- Serves as the primary advisor and mentor to the VP-Membership Education
- Meets regularly with the VP-Membership Education regarding all education programming/activities of the chapter.
- Assists the VP-Membership Education in the development of his position goals and budget.
- Monitors progress and ensures the completion of the VP-Membership Education's portion of the Chapter Excellence Plan (CEP).
- Develops a detailed member-education program and schedule that is actively used.
- Ensures that all VP-Membership Education goals are actively pursued and achieved.
- Ensures that at least 1 guest speaker per month is scheduled to speak on educational topics to general members of the chapter.
- Assists the VP-Membership Education in the organization of at least 2 workshops of educational value per year with another campus organization.
- Ensures that at least 2 cultural events per year are scheduled.
- Ensures that all required paperwork is submitted to IHQ in a timely matter.
- Attends all chapter advisory board meetings.
- Ensures the VP-Membership Education is held accountable to his responsibilities.
- Participates in pertinent training and educational programs provided by IHQ and the college/university.
