

# Parking Information

Free parking is available on surrounding streets and in the city's garages within easy walking distance of the Tarkington. The nearest garage is the Center Parking Garage, just south of the Palladium and Tarkington off 3rd Avenue. Accessible parking spaces are available in the garages.

Due to all the incredible activities available at The Center for the Performing Arts, there are many visitors. Please plan accordingly so you can get the most out of your visit. Here are a few helpful tips:

## Arrive Early

We recommend arriving at least 30 minutes before the show begins.

## Prepare for Limited Parking

The blue locations on the map below are all within walking distance of the theatre and have limited spots available.

## Please be Patient

There are many first-time guests to Civic and navigating the area for the first time can be a bit confusing.
