Johnson Memorial Hospital Foundation
2021 GALA

Letter from the Board President

Dear Guests,

Johnson Memorial Health Foundation held the Inaugural Gala five years ago to take the first steps to help fund solutions that would help increase access for behavioral health care in Johnson County. After studying a community health needs assessment, and with the help of several Johnson Memorial Health physicians, it became clear to the Board that lack of access to behavioral health care services was the most critical problem threatening the health of our county.

We know we are not alone on this journey. Rather, we are accompanied by our sponsors and individuals who continue to show support in our efforts to raise monies for this crucial need. We have been extremely pleased with the momentum of this cause.

Your support has been overwhelming and on behalf of JMHF and the Board of Directors, I offer our sincere appreciation. Thank you for your attendance and support tonight in helping JMHF and the needs of our community. Thank you for taking part in our vision; I can't wait to see what we will achieve together.

Doug
