## NEWS:

Welcome Marlyn Kirkham, our newest team member, bringing a fresh perspective from the field of early education!

Our office move was slightly delayed, but we will be settled into our new space in September at 1020 Gemini Lane, Suite 100 in West Lafayette, IN.

## YOU SHOULD KNOW:

### AEP is coming!!

The Medicare Annual Enrollment Period (AEP) begins Oct 15 - Dec 7. This is the opportunity when Medicare beneficiaries can make insurance plan changes for January 1st. What can you do to prepare?

- Watch for your Annual Notice of Change (ANOC) to arrive in the mail from your insurance carrier in early fall.
- Consider if your healthcare situation has changed. New prescriptions? New doctor?
- Review your financial situation. Are the costs of premiums, deductibles, and copayments still affordable?

Early September, we'll send you a form. Complete & return if you need assistance. Happy with your insurance? No action needed; coverage renews as is.
