Included in the above appropriations for house and senate expense are funds for a legislative business per diem allowance, meals, and other usual and customary expenses associated with legislative affairs. The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

In addition to the legislative business per diem allowance, each member of the general assembly shall receive the mileage allowance in an amount equal to the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service for each mile necessarily traveled from the member's usual place of residence to the state capitol. The per diem allowance and the mileage allowance permitted under this paragraph shall be paid from the legislative council appropriation for legislator and lay member travel unless the member is attending an out-of-state meeting, as authorized by the speaker of the house of representatives or the president pro tempore of the senate, in which case the member is entitled to receive:

**COUNTY JAIL MAINTENANCE CONTINGENCY FUND**

<b>Total Operating Expense</b>	<b>33,000,000</b>	<b>34,000,000</b>
--------------------------------	-------------------	-------------------

The above appropriations for the county jail maintenance contingency fund are for reimbursing sheriffs for the costs of 1) persons convicted of level 6 felonies and 2) jail and parole holds.

Of the above appropriation, the department of correction may distribute up to \$25,300,000 to sheriffs for the cost of persons convicted of level 6 felonies that are incarcerated in county jails pursuant to IC 35-38-3-3(d). The department

shall adopt a formula, subject to approval by the state budget agency, that allocates this funding to sheriffs in a manner that considers previous reimbursements for persons convicted of level 6 felonies and the current number of level 6 abstracts in a county jail in proportion to all county jails.

Of the above appropriation, the department of correction may distribute up to \$7,700,000 in FY 2022 and \$10,700,000 in FY 2023 to sheriffs for the costs of jail and parole holds. The department shall reimburse sheriffs up to \$40 per day for the costs of persons incarcerated in county jails that are convicted of felonies. Reimbursement shall be based on the later of 1) the dates of incarceration when persons are incarcerated for more than five (5) days after the day of sentencing or 2) the date upon which the department receives the abstract of judgment and sentencing order. All requests for reimbursement shall be in conformity with department of correction policy. In addition to the per diem of up to \$40, the state shall reimburse the sheriffs for expenses determined by the sheriff to be medically necessary medical care to the convicted persons. If the sheriff or county receives money with respect to a convicted person (from a source other than the county), the per diem or medical expense reimbursement with respect to the convicted person shall be reduced by the amount received. A sheriff shall not be required to comply with IC 35-38-3-4(a) or transport convicted persons within five (5) days after the day of sentencing if the department of correction does not have the capacity to receive the convicted person.

36   **SECTION 14. [EFFECTIVE JULY 1, 2021]**  
37

38       The budget agency, under IC 4-10-11, IC 4-12-1-13, and IC 4-13-1, in cooperation  
39       with the Indiana department of administration, may fix the amount of reimbursement  
40       for traveling expenses (other than transportation) for travel within the limits of  
41       Indiana. This amount may not exceed actual lodging and miscellaneous expenses  
42       incurred. A person in travel status, as defined by the state travel policies and  
43       procedures established by the Indiana department of administration and the budget  
44       agency, is entitled to a meal allowance not to exceed during any twenty-four (24)  
45       hour period the standard meal allowances established by the federal Internal Revenue  
46       Service.  
47

48       All appropriations provided by this act or any other statute, for traveling and  
49       hotel expenses for any department, officer, agent, employee, person, trustee, or

commissioner, are to be used only for travel within the state of Indiana, unless those expenses are incurred in traveling outside the state of Indiana on trips that previously have received approval as required by the state travel policies and procedures established by the Indiana department of administration and the budget agency. With the required approval, a reimbursement for out-of-state travel expenses may be granted in an amount not to exceed actual lodging and miscellaneous expenses incurred. A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. However, while traveling in Japan, the minimum meal allowance shall not be less than \$90 for any twenty-four (24) hour period. While traveling in Korea and Taiwan, the minimum meal allowance shall not be less than \$85 for any twenty-four (24) hour period. While traveling in Singapore, China, Great Britain, Germany, the Netherlands, and France, the minimum meal allowance shall not be less than \$65 for any twenty-four (24) hour period.

In the case of the state supported institutions of postsecondary education, approval for out-of-state travel may be given by the chief executive officer of the institution, or the chief executive officer's authorized designee, for the chief executive officer's respective personnel.

Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation from any fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

#### SECTION 15. [EFFECTIVE JULY 1, 2021]

Notwithstanding IC 4-10-11-2.1, the salary per diem of members of boards, commissions, and councils who are entitled to a salary per diem is equal to \$100 per day. However, members of boards, commissions, or councils who receive an annual or a monthly salary paid by the state are not entitled to the salary per diem provided in IC 4-10-11-2.1.

#### SECTION 16. [EFFECTIVE JULY 1, 2021]

No payment for personal services shall be made by the auditor of state unless the payment has been approved by the budget agency or the designee of the budget agency.

#### SECTION 17. [EFFECTIVE JULY 1, 2021]

No warrant for operating expenses, capital outlay, or fixed charges shall be issued to any department or an institution unless the receipts of the department or institution

have been deposited into the state treasury for the month. However, if a department or an institution has more than \$10,000 in daily receipts, the receipts shall be deposited into the state treasury daily.

**SECTION 18. [EFFECTIVE JULY 1, 2021]**

In case of loss by fire or any other cause involving any state institution or department, the proceeds derived from the settlement of any claim for the loss shall be deposited in the state treasury, and the amount deposited is hereby reappropriated to the institution or department for the purpose of replacing the loss. If it is determined that the loss shall not be replaced, any funds received from the settlement of a claim shall be deposited into the state general fund.

**SECTION 19. [EFFECTIVE JULY 1, 2021]**

If an agency has computer equipment in excess of the needs of that agency, then the excess computer equipment may be sold under the provisions of surplus property sales, and the proceeds of the sale or sales shall be deposited in the state treasury. The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.

**SECTION 20. [EFFECTIVE JULY 1, 2021]**

This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the state universities supported in whole or in part by state funds.

**SECTION 21. [EFFECTIVE JULY 1, 2021]**

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

**SECTION 22. [EFFECTIVE JULY 1, 2021]**

The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

**SECTION 23. [EFFECTIVE JULY 1, 2021]**

The director of the division of procurement of the Indiana department of administration, or any other person or agency authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the Indiana department of administration or the commissioner's designee:

(1) In the case of an elected state officer, it shall be shown that the duties of the office require driving about the state of Indiana in the performance of official duty.

(2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.

(3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment.

In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

#### SECTION 24. [EFFECTIVE JULY 1, 2021]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

#### SECTION 25. [EFFECTIVE JULY 1, 2021]

Except as provided for under IC 4-12-18, the governor of the state of Indiana is solely authorized to accept on behalf of the state any and all federal funds available to the state of Indiana. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

#### SECTION 26. [EFFECTIVE JULY 1, 2021]

Except as provided for under IC 4-12-18, federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).

12 SECTION 64. IC 6-2.5-1-5, AS AMENDED BY P.L.146-2020, SECTION 3, IS AMENDED TO  
13 READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 5. (a) Except as provided in subsection (b),  
14 "gross retail income" means the total amount of consideration, including cash, credit, property, and  
15 services, for which tangible personal property is sold, leased, or rented, valued in money, whether  
16 received in money or otherwise, without any deduction for:

17 (1) the seller's cost of the property sold;

18 (2) the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the  
19 seller, all taxes imposed on the seller, and any other expense of the seller;

20 (3) charges by the seller for any services necessary to complete the sale, other than delivery and  
21 installation charges;

22 (4) delivery charges; or

23 (5) consideration received by the seller from a third party if:

24 (A) the seller actually receives consideration from a party other than the purchaser and the  
25 consideration is directly related to a price reduction or discount on the sale;

26 (B) the seller has an obligation to pass the price reduction or discount through to the purchaser;

27 (C) the amount of the consideration attributable to the sale is fixed and determinable by the seller  
28 at the time of the sale of the item to the purchaser; and

29 (D) the price reduction or discount is identified as a third party price reduction or discount on the  
30 invoice received by the purchaser or on a coupon, certificate, or other documentation presented  
31 by the purchaser.

32 For purposes of subdivision (4), delivery charges are charges by the seller for preparation and delivery  
33 of the property to a location designated by the purchaser of property, including but not limited to  
34 transportation, shipping, postage charges that are not separately stated on the invoice, bill of sale, or  
35 similar document, handling, crating, and packing. Delivery charges do not include postage charges that  
36 are separately stated on the invoice, bill of sale, or similar document.

37 (b) "Gross retail income" does not include that part of the gross receipts attributable to:

38 (1) the value of any tangible personal property received in a like kind exchange in the retail  
39 transaction, if the value of the property given in exchange is separately stated on the invoice, bill of  
40 sale, or similar document given to the purchaser;

41 (2) the receipts received in a retail transaction which constitute interest, finance charges, or  
42 insurance premiums on either a promissory note or an installment sales contract;

43 (3) discounts, including cash, terms, or coupons that are not reimbursed by a third party that are  
44 allowed by a seller and taken by a purchaser on a sale;

46 if the amount is separately stated on the invoice, bill of sale, or similar document given to the  
47 purchaser;

(6) installation charges that are separately stated on the invoice, bill of sale, or similar document given to the purchaser;

(7) telecommunications nonrecurring charges;

(8) postage charges that are separately stated on the invoice, bill of sale, or similar document; or

(9) charges for serving or delivering food and food ingredients furnished, prepared, or served for consumption at a location, or on equipment, provided by the retail merchant, to the extent that the charges for the serving or delivery are stated separately from the price of the food and food ingredients when the purchaser pays the charges.

(c) Notwithstanding subsection (b)(5):

(1) in the case of retail sales of special fuel (as defined in IC 6-6-2.5-22), the gross retail income is the total sales price of the special fuel minus the part of that price attributable to tax imposed under IC 6-6-2.5 or Section 4041 or Section 4081 of the Internal Revenue Code; ~~and~~

(2) in the case of retail sales of cigarettes (as defined in IC 6-7-1-2), the gross retail income is the total sales price of the cigarettes including the tax imposed under IC 6-7-1; ~~and~~

**(3) in the case of retail sales of consumable material (as defined in IC 6-7-4-2), vapor products (as defined in IC 6-7-4-8), and closed system cartridges (as defined in 6-7-2-0.5) under the closed system electronic cigarette tax, the gross retail income received from selling at retail is the total sales price of the consumable material (as defined in IC 6-7-4-2), vapor products (as defined in IC 6-7-4-8), and closed system cartridges (as defined in IC 6-7-2-0.5) including the tax imposed under IC 6-7-4.**

(d) Gross retail income is only taxable under this article to the extent that the income represents:

(1) the price of the property transferred, without the rendition of any services; and

(2) except as provided in subsection (b), any bona fide changes which are made for preparation, fabrication, alteration, modification, finishing, completion, delivery, or other service performed in respect to the property transferred before its transfer and which are separately stated on the transferor's records. For purposes of this subdivision, a transfer is considered to have occurred after the delivery of the property to the purchaser.

(e) A public utility's or a power subsidiary's gross retail income includes all gross retail income received by the public utility or power subsidiary, including any minimum charge, flat charge, membership fee, or any other form of charge or billing.

SECTION 65. IC 6-2.5-8-1, AS AMENDED BY P.L.146-2020, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 1. (a) A retail merchant may not make a retail transaction in Indiana, unless the retail merchant has applied for a registered retail merchant's certificate.

(b) A retail merchant may obtain a registered retail merchant's certificate by filing an application with the department and paying a registration fee of twenty-five dollars (\$25) for each place of business listed on the application. The retail merchant shall also provide such security for payment of the tax as the department may require under IC 6-2.5-6-12.

(c) The retail merchant shall list on the application the location (including the township) of each place of business where the retail merchant makes retail transactions. However, if the retail merchant does not have a fixed place of business, the retail merchant shall list the retail merchant's residence as the retail merchant's place of business. In addition, a public utility may list only its principal Indiana office as its place of business for sales of public utility commodities or service, but the utility must also list on the application the places of business where it makes retail transactions other than sales of public utility commodities or service.

(d) Upon receiving a proper application, the correct fee, and the security for payment, if required, the department shall issue to the retail merchant a separate registered retail merchant's certificate for each place of business listed on the application. Each certificate shall bear a serial number and the location of the place of business for which it is issued.

(e) The department may deny an application for a registered retail merchant's certificate if the applicant's business is operated, managed, or otherwise controlled by or affiliated with a person, including a relative, family member, responsible officer, or owner, who the department has determined:

(1) failed to:

(A) file all tax returns or information reports with the department for listed taxes; or

(B) pay all taxes, penalties, and interest to the department for listed taxes; and

(2) the business of the person who has failed to file all tax returns or information reports under subdivision (1)(A) or who has failed to pay all taxes, penalties, and interest under subdivision (1)(B) is substantially similar to the business of the applicant.

(f) If a retail merchant intends to make retail transactions during a calendar year at a new Indiana place of business, the retail merchant must file a supplemental application and pay the fee for that place of business.

(g) Except as provided in subsection (i), a registered retail merchant's certificate is valid for two (2) years after the date the registered retail merchant's certificate is originally issued or renewed. If the retail merchant has filed all returns and remitted all taxes the retail merchant is currently obligated to file or remit, the department shall renew the registered retail merchant's certificate within thirty (30) days after the expiration date, at no cost to the retail merchant. Before issuing or renewing the registered retail merchant certification, the department may require the following to be provided:

(1) The names and addresses of the retail merchant's principal employees, agents, or representatives who engage in Indiana in the solicitation or negotiation of the retail transaction.

(2) The location of all of the retail merchant's places of business in Indiana, including offices and distribution houses.

(3) Any other information that the department requests.

(h) The department may not renew a registered retail merchant certificate of a retail merchant who is delinquent in remitting withholding taxes required to be remitted under IC 6-3-4, **the electronic cigarette tax under IC 6-7-4**, or sales or use tax. The department, at least sixty (60) days before the date on which a retail merchant's registered retail merchant's certificate expires, shall notify a retail merchant who is delinquent in remitting withholding taxes required to be remitted under IC 6-3-4, **the electronic cigarette tax under IC 6-7-4**, or sales or use tax that the department will not renew the retail merchant's registered retail merchant's certificate.

(i) If:

(1) a retail merchant has been notified by the department that the retail merchant is delinquent in remitting withholding taxes or sales or use tax in accordance with subsection (h); and

(2) the retail merchant pays the outstanding liability before the expiration of the retail merchant's registered retail merchant's certificate;

the department shall renew the retail merchant's registered retail merchant's certificate for one (1) year.

(j) The department may permit an out-of-state retail merchant to collect the gross retail tax in instances where the retail merchant has not met the thresholds in IC 6-2.5-2-1(d). However, before the out-of-state retail merchant may collect the tax, the out-of-state retail merchant must obtain a registered retail merchant's certificate in the manner provided by this section. Upon receiving the certificate, the out-of-state retail merchant becomes subject to the same conditions and duties as an Indiana retail merchant and must then collect the gross retail tax due on all retail transactions that the out-of-state retail merchant knows are sourced to Indiana pursuant to IC 6-2.5-13-1.

(k) Except as provided in subsection (l), the department shall submit to the township assessor, or the county assessor if there is no township assessor for the township, before January 15 of each year:

(1) the name of each retail merchant that has newly obtained a registered retail merchant's certificate during the preceding year for a place of business located in the township or county;

(2) the address of each place of business of the taxpayer in the township or county described in subdivision (1);

(3) the name of each retail merchant that:

(A) held a registered retail merchant's certificate at any time during the preceding year for a place of business located in the township or county; and

(B) had ceased to hold the registered retail merchant's certificate at the end of the preceding year for the place of business; and

(4) the address of each place of business described in subdivision (3).

(l) If the duties of the township assessor have been transferred to the county assessor as described in IC 6-1.1-1-24, the department shall submit the information listed in subsection (k) to the county assessor.

SECTION 66. IC 6-3-1-3.5, AS AMENDED BY P.L.146-2020, SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2021 (RETROACTIVE)]: Sec. 3.5. When used in this article, the term "adjusted gross income" shall mean the following:

(a) In the case of all individuals, "adjusted gross income" (as defined in Section 62 of the Internal Revenue Code), modified as follows:

(1) Subtract income that is exempt from taxation under this article by the Constitution and statutes of the United States.

(2) Except as provided in subsection (c), add an amount equal to any deduction or deductions allowed or allowable pursuant to Section 62 of the Internal Revenue Code for taxes based on or measured by income and levied at the state level by any state of the United States.

(3) Subtract one thousand dollars (\$1,000), or in the case of a joint return filed by a husband and wife, subtract for each spouse one thousand dollars (\$1,000).

(4) Subtract one thousand dollars (\$1,000) for:

(A) each of the exemptions provided by Section 151(c) of the Internal Revenue Code (as effective January 1, 2017);

(B) each additional amount allowable under Section 63(f) of the Internal Revenue Code; and

(C) the spouse of the taxpayer if a separate return is made by the taxpayer and if the spouse, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer.

(5) Subtract:

(A) one thousand five hundred dollars (\$1,500) for each of the exemptions allowed under Section 151(c)(1)(B) of the Internal Revenue Code (as effective January 1, 2004);

(B) one thousand five hundred dollars (\$1,500) for each exemption allowed under Section 151(c) of the Internal Revenue Code (as effective January 1, 2017) for an individual:

(i) who is less than nineteen (19) years of age or is a full-time student who is less than twenty-four (24) years of age;

(ii) for whom the taxpayer is the legal guardian; and

(iii) for whom the taxpayer does not claim an exemption under clause (A); and

(C) five hundred dollars (\$500) for each additional amount allowable under Section 63(f)(1) of the Internal Revenue Code if the federal adjusted gross income of the taxpayer, or the taxpayer and the taxpayer's spouse in the case of a joint return, is less than forty thousand dollars (\$40,000). In the case of a married individual filing a separate return, the qualifying income amount in this clause is equal to twenty thousand dollars (\$20,000).

1 This amount is in addition to the amount subtracted under subdivision (4).  
2 (6) Subtract any amounts included in federal adjusted gross income under Section 111 of the Internal  
3 Revenue Code as a recovery of items previously deducted as an itemized deduction from adjusted  
4 gross income.  
5 (7) Subtract any amounts included in federal adjusted gross income under the Internal Revenue Code  
6 which amounts were received by the individual as supplemental railroad retirement annuities under  
7 45 U.S.C. 231 and which are not deductible under subdivision (1).  
8 (8) Subtract an amount equal to the amount of federal Social Security and Railroad Retirement  
9 benefits included in a taxpayer's federal gross income by Section 86 of the Internal Revenue Code.  
10 (9) In the case of a nonresident taxpayer or a resident taxpayer residing in Indiana for a period of less  
11 than the taxpayer's entire taxable year, the total amount of the deductions allowed pursuant to  
12 subdivisions (3), (4), and (5) shall be reduced to an amount which bears the same ratio to the total  
13 as the taxpayer's income taxable in Indiana bears to the taxpayer's total income.  
14 (10) In the case of an individual who is a recipient of assistance under IC 12-10-6-1, IC 12-10-6-2.1,  
15 IC 12-15-2-2, or IC 12-15-7, subtract an amount equal to that portion of the individual's adjusted  
16 gross income with respect to which the individual is not allowed under federal law to retain an  
17 amount to pay state and local income taxes.  
18 (11) In the case of an eligible individual, subtract the amount of a Holocaust victim's settlement  
19 payment included in the individual's federal adjusted gross income.  
20 (12) Subtract an amount equal to the portion of any premiums paid during the taxable year by the  
21 taxpayer for a qualified long term care policy (as defined in IC 12-15-39.6-5) for the taxpayer or the  
22 taxpayer's spouse if the taxpayer and the taxpayer's spouse file a joint income tax return or the  
23 taxpayer is otherwise entitled to a deduction under this subdivision for the taxpayer's spouse, or both.  
24 (13) Subtract an amount equal to the lesser of:  
25 (A) two thousand five hundred dollars (\$2,500), or one thousand two hundred fifty dollars  
26 (\$1,250) in the case of a married individual filing a separate return; or  
27 (B) the amount of property taxes that are paid during the taxable year in Indiana by the individual  
28 on the individual's principal place of residence.  
29 (14) Subtract an amount equal to the amount of a September 11 terrorist attack settlement payment  
30 included in the individual's federal adjusted gross income.  
31 (15) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that  
32 owns property for which bonus depreciation was allowed in the current taxable year or in an earlier  
33 taxable year equal to the amount of adjusted gross income that would have been computed had an  
34 election not been made under Section 168(k) of the Internal Revenue Code to apply bonus  
35 depreciation to the property in the year that it was placed in service.  
36 (16) Add an amount equal to any deduction allowed under Section 172 of the Internal Revenue Code  
37 (concerning net operating losses).  
38 (17) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that  
39 placed Section 179 property (as defined in Section 179 of the Internal Revenue Code) in service in  
40 the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income  
41 that would have been computed had an election for federal income tax purposes not been made for  
42 the year in which the property was placed in service to take deductions under Section 179 of the  
43 Internal Revenue Code in a total amount exceeding the sum of:  
44 (A) twenty-five thousand dollars (\$25,000) to the extent deductions under Section 179 of the  
45 Internal Revenue Code were not elected as provided in clause (B); and  
46 (B) for taxable years beginning after December 31, 2017, the deductions elected under Section  
47 179 of the Internal Revenue Code on property acquired in an exchange if:

1 (i) the exchange would have been eligible for nonrecognition of gain or loss under Section  
 2 1031 of the Internal Revenue Code in effect on January 1, 2017;  
 3 (ii) the exchange is not eligible for nonrecognition of gain or loss under Section 1031 of the  
 4 Internal Revenue Code; and  
 5 (iii) the taxpayer made an election to take deductions under Section 179 of the Internal  
 6 Revenue Code with regard to the acquired property in the year that the property was placed into  
 7 service.  
 8 The amount of deductions allowable for an item of property under this clause may not exceed the  
 9 amount of adjusted gross income realized on the property that would have been deferred under  
 10 the Internal Revenue Code in effect on January 1, 2017.  
 11 (18) Subtract an amount equal to the amount of the taxpayer's qualified military income that was not  
 12 excluded from the taxpayer's gross income for federal income tax purposes under Section 112 of the  
 13 Internal Revenue Code.  
 14 (19) Subtract income that is:  
 15 (A) exempt from taxation under IC 6-3-2-21.7 (certain income derived from patents); and  
 16 (B) included in the individual's federal adjusted gross income under the Internal Revenue Code.  
 17 (20) Add an amount equal to any income not included in gross income as a result of the deferral of  
 18 income arising from business indebtedness discharged in connection with the reacquisition after  
 19 December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in  
 20 Section 108(i) of the Internal Revenue Code. Subtract the amount necessary from the adjusted gross  
 21 income of any taxpayer that added an amount to adjusted gross income in a previous year to offset  
 22 the amount included in federal gross income as a result of the deferral of income arising from  
 23 business indebtedness discharged in connection with the reacquisition after December 31, 2008, and  
 24 before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the  
 25 Internal Revenue Code.  
 26 (21) Add the amount excluded from federal gross income under Section 103 of the Internal Revenue  
 27 Code for interest received on an obligation of a state other than Indiana, or a political subdivision  
 28 of such a state, that is acquired by the taxpayer after December 31, 2011.  
 29 (22) Subtract an amount as described in Section 1341(a)(2) of the Internal Revenue Code to the  
 30 extent, if any, that the amount was previously included in the taxpayer's adjusted gross income for  
 31 a prior taxable year.  
 32 (23) For taxable years beginning after December 25, 2016, add an amount equal to the deduction  
 33 for deferred foreign income that was claimed by the taxpayer for the taxable year under Section  
 34 965(c) of the Internal Revenue Code.  
 35 (24) Subtract any interest expense paid or accrued in the current taxable year but not deducted as  
 36 a result of the limitation imposed under Section 163(j)(1) of the Internal Revenue Code. Add any  
 37 interest expense paid or accrued in a previous taxable year but allowed as a deduction under Section  
 38 163 of the Internal Revenue Code in the current taxable year. For purposes of this subdivision, an  
 39 interest expense is considered paid or accrued only in the first taxable year the deduction would have  
 40 been allowable under Section 163 of the Internal Revenue Code if the limitation under Section  
 41 163(j)(1) of the Internal Revenue Code did not exist.  
 42 (25) Subtract the amount that would have been excluded from gross income but for the enactment  
 43 of Section 118(b)(2) of the Internal Revenue Code for taxable years ending after December 22, 2017.  
 44 **(26) For taxable years beginning after December 31, 2019, and before January 1, 2021, add an**  
 45 **amount of the deduction claimed under Section 62(a)(22) of the Internal Revenue Code.**  
 46 **(27) For taxable years beginning after December 31, 2019, for payments made by an employer**  
 47 **under an education assistance program after March 27, 2020:**

- (A) add the amount of payments by an employer that are excluded from the taxpayer's federal adjusted gross income under Section 127(c)(1)(B) of the Internal Revenue Code; and
- (B) deduct the interest allowable under Section 221 of the Internal Revenue Code, if the disallowance under Section 221(e)(1) of the Internal Revenue Code did not apply to the payments described in clause (A). For purposes of applying Section 221(b) of the Internal Revenue Code to the amount allowable under this clause, the amount under clause (A) shall not be added to adjusted gross income.
- (28) Add an amount equal to the remainder of:
- (A) the amount allowable under Section 274(n) of the Internal Revenue Code; minus
- (B) the amount otherwise allowable under Section 274(n) of the Internal Revenue Code, if Section 274(n)(2)(D) of the Internal Revenue Code was not in effect for taxable years beginning after December 31, 2020.
- (29) For taxable years beginning after December 31, 2017, and before January 1, 2021, add an amount equal to the excess business loss of the taxpayer as defined in Section 461(l)(3) of the Internal Revenue Code as follows:
- (A) If a taxpayer has an excess business loss under this subdivision and also has modifications under subdivisions (15) and (17) for property placed in service during the taxable year, the taxpayer shall treat a portion of the taxable year modifications for that property as occurring in the taxable year the property is placed in service and a portion of the modifications as occurring in the immediate following taxable year.
- (B) The portion of the modifications under subdivisions (15) and (17) for property placed in service during the taxable year treated as occurring in the taxable year in which the property is placed in service equals:
- (i) the modification for the property otherwise determined under this section; minus
- (ii) the excess business loss disallowed under this subdivision;
- but not less than zero (0).
- (C) The portion of the modifications under subdivisions (15) and (17) for property placed in service during the taxable year treated as occurring in the taxable year immediately following the taxable year in which the property is placed in service equals the modification for the property otherwise determined under this section minus the amount in clause (B).
- (D) Any reallocation of modifications between taxable years under clauses (B) and (C) shall be first allocated to the modification under subdivision (15), then to the modification under subsection (17).
- (30) For taxable years beginning after December 31, 2019, and before January 1, 2021, add an amount equal to the amount of unemployment compensation excluded under Section 85(c) of the Internal Revenue Code.
- (31) Add an amount equal to the amount excluded from adjusted gross income under Section 108(f)(5) of the Internal Revenue Code. For purposes of this subdivision, if an amount excluded under Section 108(f)(5) of the Internal Revenue Code would be excludible under Section 108(a)(1)(B) of the Internal Revenue Code, the exclusion under Section 108(a)(1)(B) of the Internal Revenue Code shall take precedence.
- (32) Add an amount equal to the deduction disallowed pursuant to:
- (A) Section 2301(e) of the CARES Act (Public Law 116-136), as modified by Sections 206 and 207 of the Taxpayer Certainty and Disaster Relief Tax Act (Division EE of Public Law 116-260); and

24 SECTION 138. IC 20-43-4-6.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO  
25 READ AS FOLLOWS [EFFECTIVE JULY 1, 2021]: **Sec. 6.5. (a) Subject to subsection (b), for**  
26 **purposes of determining basic tuition support for a school corporation under IC 20-43-6-3, the**  
27 **department shall review the daily attendance of each student to determine whether, of the**  
28 **instructional services that the student receives from a school corporation, at least fifty percent**  
29 **(50%) is virtual instruction. The department shall review the daily attendance of a student under**  
30 **this subsection as follows:**

31 (1) **For purposes of the fall count of ADM, the department shall review the attendance for each**  
32 **student on each school day from the school corporation's first day of school until the day fixed**  
33 **in September by the state board under section 3 of this chapter.**

34 (2) **For purposes of the spring count of ADM, the department shall review the attendance for**

40 SECTION 139. IC 20-43-6-3, AS AMENDED BY P.L.108-2019, SECTION 225, IS AMENDED TO  
41 READ AS FOLLOWS [EFFECTIVE JUNE 29, 2021]: **Sec. 3. (a) A school corporation's basic tuition**  
42 **support for a state fiscal year is the amount determined under the applicable provision of this section.**

43 (b) **This subsection applies to a school corporation that does not have any students in the school**  
44 **corporation's current ADM for the year for whom, of the instructional services that the students receive**  
45 **from the school corporation, at least fifty percent (50%) is virtual instruction. The school corporation's**  
46 **basic tuition support for a state fiscal year is equal to the result using the following formula:**

47 **STEP ONE: Multiply the foundation amount by the school corporation's current ADM.**

STEP TWO: Multiply the school corporation's complexity index by:

- (A) for the state fiscal year beginning July 1, 2019, three thousand six hundred fifty dollars (\$3,650); and
- (B) for the state fiscal year beginning July 1, 2020, three thousand six hundred seventy-five dollars (\$3,675).
- (A) for the state fiscal year beginning July 1, 2021, three thousand eight hundred two dollars (\$3,802); and
- (B) for the state fiscal year beginning July 1, 2022, three thousand eight hundred fifty-eight dollars (\$3,858).

STEP THREE: Multiply the STEP TWO amount by the school corporation's current ADM.

STEP FOUR: This STEP applies only to a school corporation that has at least eighteen percent (18%) of its ADM eligible for the English language learners program and that experienced a percentage decrease of at least forty-five percent (45%) in the school corporation's complexity index for the school year ending in 2017 compared to the school corporation's complexity index for the current school year. For such a school corporation determine the result of:

- (A) the school corporation's current ADM; multiplied by
- (B) one hundred twenty-eight dollars (\$128).

STEP FIVE: Determine the result of:

- (A) the STEP ONE amount; plus
- (B) the STEP THREE amount; plus
- (C) the STEP FOUR amount, if applicable.

(c) This subsection applies to a school corporation that has students in the school corporation's current ADM for the year for whom, of the instructional services that the students receive from the school corporation, at least fifty percent (50%) is virtual instruction. The school corporation's basic tuition support for a state fiscal year is equal to the result using the following formula:

STEP ONE: Determine the total number of students in the school corporation's current ADM for the year for whom, of the instructional services that the students receive from the school corporation, at least fifty percent (50%) is virtual instruction.

STEP TWO: Determine the result of the school corporation's current ADM for the year minus the STEP ONE amount.

STEP THREE: Determine the result of:

- (A) the foundation amount; multiplied by
- (B) the STEP TWO amount.

STEP FOUR: Determine the result of:

- (A) the STEP ONE amount; multiplied by
- (B) eighty-five percent (85%) of the foundation amount.

STEP FIVE: Multiply the school corporation's complexity index by:

- (A) for the state fiscal year beginning July 1, 2019, three thousand six hundred fifty dollars (\$3,650); and
- (B) for the state fiscal year beginning July 1, 2020, three thousand six hundred seventy-five dollars (\$3,675).
- (A) for the state fiscal year beginning July 1, 2021, three thousand eight hundred two dollars (\$3,802); and

(18%) of its ADM eligible for the English language learners program and that experienced a percentage decrease of at least forty-five percent (45%) in the school corporation's complexity index for the school year ending in 2017 compared to the school corporation's complexity index for the current school year. For such a school corporation determine the result of:

(A) the school corporation's current ADM; multiplied by

(B) one hundred twenty-eight dollars (\$128).

STEP EIGHT: Determine the result of:

(A) the STEP THREE amount; plus

(B) the STEP FOUR amount; plus

(C) the STEP SIX amount; plus

(D) the STEP SEVEN amount, if applicable.

13 SECTION 142. IC 20-43-10-3.5, AS AMENDED BY P.L.108-2019, SECTION 231, IS AMENDED  
14 TO READ AS FOLLOWS [EFFECTIVE JUNE 29, 2021]: Sec. 3.5. (a) As used in this section, "school"  
15 means a school corporation, charter school, and a virtual charter school.

16 (b) Subject to the requirements of this section, a school qualifies for a teacher appreciation grant as  
17 provided in this section for a state fiscal year if one (1) or more licensed teachers:

18 (1) employed in the classroom by the school; or

19 (2) directly providing virtual education;

20 were rated as effective or as highly effective, using the most recently completed teacher ratings.

21 (c) A school may not receive a teacher appreciation grant under this section unless:

22 (1) the school has in the state fiscal year in which the teacher appreciation grants are made under  
23 this section:

24 (A) adopted an annual policy concerning the distribution of teacher appreciation grants; and

25 (B) submitted the policy to the department for approval; and

26 (2) the department has approved the policy.

27 The department shall specify the date by which a policy described in subdivision (1) must be submitted  
28 to the department.

29 (d) The amount of a teacher appreciation grant for a qualifying school corporation or virtual charter  
30 school is equal to:

31 (1) thirty-seven dollars and fifty-cents (\$37.50); multiplied by

32 (2) the school's current ADM.

33 However, the grant amount for a virtual charter school may not exceed the statewide average grant  
34 amount.

35 (e) The following apply to the distribution of teacher appreciation grants:

36 (1) If the total amount to be distributed as teacher appreciation grants for a particular state fiscal year  
37 exceeds the amount appropriated by the general assembly for teacher appreciation grants for that  
38 state fiscal year, the total amount to be distributed as teacher appreciation grants to schools shall be  
39 proportionately reduced so that the total reduction equals the amount of the excess. The amount of  
40 the reduction for a particular school is equal to the total amount of the excess multiplied by a  
41 fraction. The numerator of the fraction is the amount of the teacher appreciation grant that the school  
42 would have received if a reduction were not made under this section. The denominator of the  
43 fraction is the total amount that would be distributed as teacher appreciation grants to all schools if  
44 a reduction were not made under this section.

45 (2) If the total amount to be distributed as teacher appreciation grants for a particular state fiscal year  
46 is less than the amount appropriated by the general assembly for teacher appreciation grants for that  
47 state fiscal year, the total amount to be distributed as teacher appreciation grants to schools for that

particular state fiscal year shall be proportionately increased so that the total amount to be distributed equals the amount of the appropriation for that particular state fiscal year.

(f) The annual teacher appreciation grant to which a school is entitled for a state fiscal year shall be distributed to the school before December 5 of that state fiscal year.

(g) The following apply to a school's policy under subsection (c) concerning the distribution of teacher appreciation grants:

(1) The governing body shall differentiate between a teacher rated as a highly effective teacher and a teacher rated as an effective teacher. The policy must provide that the amount of a stipend awarded to a teacher rated as a highly effective teacher must be at least twenty-five percent (25%) more than the amount of a stipend awarded to a teacher rated as an effective teacher.

(2) The governing body of a school may differentiate between school buildings.

(3) A stipend to an individual teacher in a particular year is not subject to collective bargaining, but is discussable, and is in addition to the minimum salary or increases in salary set under IC 20-28-9-1.5. The governing body may provide that an amount not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year becomes a permanent part of and increases the base salary of the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The addition to base salary is not subject to collective bargaining, but is discussable.

(h) A teacher appreciation grant received by a school shall be allocated among and used only to pay cash stipends to all licensed teachers employed in the classroom who are rated as effective or as highly effective and employed by the school as of December 1. A school may allocate up to twenty percent (20%) of the grant received by the school to provide a supplemental award to teachers with less than five (5) years of service who are rated as effective or as highly effective. The supplemental award is in addition to the award made from the part of the grant that is allocated to all eligible teachers.

(i) The lead school corporation or interlocal cooperative administering a cooperative or other special education program or administering a career and technical education program, including programs managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award teacher appreciation grant stipends to and carry out the other responsibilities of an employing school corporation under this section for the teachers in the special education program or career and technical education program.

(j) A school shall distribute all stipends from a teacher appreciation grant to individual teachers within twenty (20) business days of the date the department distributes the teacher appreciation grant to the school. Any part of the teacher appreciation grant not distributed as stipends to teachers before February must be returned to the department on the earlier of the date set by the department or June 30 of that state fiscal year.

(k) The department, after review by the budget committee, may waive the December 5 deadline under subsection (f) to distribute an annual teacher appreciation grant to the school under this section for that state fiscal year and approve an extension of that deadline to a later date within that state fiscal year, if the department determines that a waiver and extension of the deadline are in the public interest.

(l) The state board may adopt rules under IC 4-22-2, including emergency rules in the manner provided in IC 4-22-2-37.1, as necessary to implement this section.

(m) This section expires June 30, ~~2021~~. **2023.**

SECTION 143. IC 20-43-13-4, AS AMENDED BY P.L. 108-2019, SECTION 233, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 29, 2021]: Sec. 4. (a) Except as provided in subsection (c), the complexity index is the percentage of the school corporation's students who were receiving Supplemental Nutrition Assistance Program (SNAP) benefits, Temporary Assistance for Needy Families (TANF) benefits, or foster care services as of October 1 in the school year ending in the later of:

(1) ~~2019~~; **2021**; or

(2) the first year of operation of the school corporation.

(b) For a conversion charter school, the percentage determined under this section is the percentage of the sponsor school corporation.

(c) If a school corporation's complexity index is less than the school corporation's complexity index for the preceding state fiscal year, the school corporation's complexity index for the state fiscal year is the greater of:

- (1) the school corporation's complexity index for the state fiscal year; or
- (2) the school corporation's complexity index for the preceding state fiscal year minus twenty-five thousandths (0.025).

(d) For a participating innovation network charter school, the percentage determined under this section is the greater of the percentage for the:

- (1) participating innovation network charter school; or
- (2) school corporation with which the participating innovation network charter school has contracted.

(c) Except as provided in subsection (d), the complexity index for a school corporation that has entered into an agreement with one (1) or more charter schools to participate as an innovation network charter school under IC 20-25.7-5 for a state fiscal year is equal to the result using the following formula:

**STEP ONE: Determine:**

- (A) the school corporation's enrollment; minus
- (B) the enrollment of each participating innovation network charter school.

**STEP TWO: Determine the number of students in the school corporation who were receiving Supplemental Nutrition Assistance Program (SNAP) benefits, Temporary Assistance for Needy Families (TANF) benefits, or foster care services as of October 1 in the school year ending in 2021, not including students enrolled in each participating innovation network charter school.**

**STEP THREE: Divide the result of STEP TWO by the result of STEP ONE.**

**STEP FOUR: Determine the enrollment of each participating innovation network charter school.**

**STEP FIVE: Determine the number of students in each participating innovation network charter school who were receiving Supplemental Nutrition Assistance Program (SNAP) benefits, Temporary Assistance for Needy Families (TANF) benefits, or foster care services as of October 1 in the school year ending in the later of:**

- (A) 2021; or
- (B) the first year of operation of the participating innovation network charter school.

**STEP SIX: Divide the result of STEP FIVE by the result of STEP FOUR.**

**STEP SEVEN: For each participating innovation network charter school, determine the greater of:**

- (A) the result of STEP THREE; or
- (B) the result of STEP SIX.

**STEP EIGHT: For each participating innovation network charter school, multiply the result of STEP SEVEN by the result of STEP FOUR.**

**STEP NINE: Determine the sum of:**

- (A) the result of STEP TWO; plus
- (B) the results of STEP EIGHT, for each participating innovation network charter school.

**STEP TEN: Determine the sum of:**

- (A) the result of STEP ONE; plus

1           **(B) the results of STEP FOUR for each participating innovation network charter school.**  
2           **STEP ELEVEN: Divide the STEP NINE result by the STEP TEN result.**

3           **(d) If the complexity index of a participating innovation network charter school that was**  
4 **established before January 1, 2016, is, for the current school year, greater than the complexity**  
5 **index for the school corporation with which the innovation network charter school has contracted,**  
6 **the complexity index of the participating innovation network charter school is determined as**  
7 **described in IC 20-25.7-5-2(e).**

8           SECTION 144. IC 20-48-1-9, AS AMENDED BY HEA 1271-2021, SECTION 71, IS AMENDED  
9 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2021]: Sec. 9. (a) If the governing body of a school  
10 corporation finds and declares that an emergency exists to borrow money with which to pay current  
11 expenses from a particular fund before the receipt of revenues from taxes levied or state tuition support  
12 distributions for the fund, the governing body may issue warrants in anticipation of the receipt of the  
13 revenues.

14           (b) The principal of warrants issued under subsection (a) is payable solely from the fund for which the  
15 taxes are levied or from the school corporation's education fund in the case of anticipated state tuition  
16 support distributions. However, the interest on the warrants may be paid from the debt service fund, from  
17 the operations fund, or the education fund in the case of anticipated state tuition support distributions. A  
18 governing body may not increase the debt service fund levy to pay for the interest on the warrants unless

19           ~~(1) the warrants have been issued; and~~

20           ~~(2) the school corporation has received the proceeds from the warrants;~~

21 **the warrants have been authorized by the governing body in a resolution adopted at a public**  
22 **meeting in the year immediately preceding the year in which the warrants will be issued.**

23           (c) The amount of principal of temporary loans maturing on or before June 30 for any fund may not  
24 exceed eighty percent (80%) of the amount of taxes and state tuition support distributions estimated to  
25 be collected or received for and distributed to the fund at the June settlement.

26           (d) The amount of principal of temporary loans maturing after June 30 and on or before December 31  
27 may not exceed eighty percent (80%) of the amount of taxes and state tuition support distributions  
28 estimated to be collected or received for and distributed to the fund at the December settlement.

29           (e) The county auditor or the auditor's deputy shall determine the estimated amount of taxes and state  
30 tuition support distributions to be collected or received and distributed. The warrants evidencing a loan  
31 in anticipation of tax revenue or state tuition support distributions may not be delivered to the purchaser  
32 of the warrant and payment may not be made on the warrant before January 1 of the year the loan is to  
33 be repaid. However, the proceedings necessary for the loan may be held and carried out before January  
34 1 and before the approval. The loan may be made even though a part of the last preceding June or  
35 December settlement has not been received.

36           (f) Proceedings for the issuance and sale of warrants for more than one (1) fund may be combined.  
37 Separate warrants for each fund must be issued, and each warrant must state on the face of the warrant  
38 the fund from which the warrant's principal is payable. An action to contest the validity of a warrant may  
39 not be brought later than fifteen (15) days after the first publication of notice of sale.

40           (g) An issue of tax or state tuition support anticipation warrants may not be made if the total of all tax  
41 or state tuition support anticipation warrants exceeds twenty thousand dollars (\$20,000) until the issuance  
42 is advertised for sale, bids are received, and an award is made by the governing body as required for the  
43 sale of bonds, except that the publication of notice of the sale is not necessary:

44           (1) outside the county; or

45           (2) more than ten (10) days before the date of sale.

46           SECTION 145. IC 20-49-9-14 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO  
47 READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 14. (a) The organizer of a charter school**

1 is the fiscal agent for the charter school and has exclusive control of the funds received by the  
2 charter school and all financial matters pertaining to the charter school. For purposes of this  
3 chapter, all references to a school or a charter school, including, but not limited to, the obligation  
4 to repay an advance, incorporate the organizer of the charter school.

5 (b) With formal approval from the charter school's governing body, a charter school that has  
6 received an advance under this chapter may submit an application to the treasurer of state to  
7 renegotiate the terms of an advance. The application process established by the treasurer of state  
8 shall include information that permits the treasurer of state to determine whether amending the  
9 original terms of the advance will increase the likelihood that the outstanding advance balance,  
10 including accrued interest, will be paid in full.

11 (c) In making its determination, the treasurer of state may consider the following factors:

12 (1) whether the outstanding advance balance is free from obligation to or encumbrment from  
13 any other lawful instrument, program, proceeding, or financial instrument;

14 (2) whether the annual per-student cost of the outstanding advance balance exceeds the  
15 average annual per-student cost of all outstanding advance balances;

16 (3) whether the annual per-student cost of the outstanding advance balance as a percentage  
17 of the basic tuition support received for the student exceeds five percent (5%);

18 (4) whether the annual per-student cost of the outstanding advance balance has increased over  
19 the last two (2) years; and

20 (5) any other factors determined relevant by the treasurer of state.

21 (d) If, after review of the information required under subsection (b) and consideration of the  
22 factors listed in subsection (c), the treasurer of state determines that renegotiating the original  
23 terms of the advance will increase the likelihood that the outstanding advance balance, including  
24 accrued interest, will be paid in full, the treasurer of state shall approve the school's request.

25 (e) If the treasurer of state approves a charter school's request, the charter school's governing  
26 body shall enter into a new agreement with the treasurer of state for repayment of the outstanding  
27 advance balance. The following apply:

28 (1) The new agreement must:

29 (A) include a provision providing that the treasurer of state may withhold from funds due  
30 to the charter school to which the advance is made until the advance is paid; and

31 (B) include any other provisions determined necessary by the treasurer of state to facilitate  
32 repayment.

33 (2) The new agreement may:

34 (A) set a new term for the advance that does not exceed twenty-five (25) years from the date  
35 the original advance was made; and

36 (B) set a new interest rate for the remaining term of the advance which may be no lower  
37 than one percent (1%) and no higher than two percent (2%) per annum.

38 (f) An application to amend the terms of an advance or amendment of the terms of an advance  
39 do not constitute a finding regarding the school's financial condition other than with respect to the  
40 repayment of an advance made under this chapter.

#### 22 Chapter 4. Indiana Education Scholarship Accounts

23 Sec. 1. (a) For each school year, the treasurer of state shall determine, based on the amount of  
24 funds available for the program, the number of grants that the treasurer of state will award under  
25 the program. The number of applicants approved and the number of grants awarded under this  
26 article by the treasurer of state for the school year may not exceed the number determined by the  
27 treasurer of state under this subsection.

28 (b) After June 30, 2022, a parent of an eligible student may establish an Indiana education  
29 scholarship account for the eligible student by entering into a written agreement with the treasurer  
30 of state on a form prepared by the treasurer of state. The treasurer of state shall establish a date  
31 by which an application to establish an account for the 2022-2023 school year must be submitted.  
32 The account of an eligible student shall be made in the name of the eligible student. To be eligible,  
33 a parent of an eligible student wishing to participate in the program must agree that:

34 (1) a grant deposited in the eligible student's account under section 2 of this chapter and any  
35 interest that may accrue in the account will be used only for the eligible student's qualified  
36 expenses;

37 (2) money in the account when the account is terminated reverts to the state general fund;

38 (3) the parent of the eligible student will use part of the money in the account:

39 (A) for the eligible student's study in the subject of reading, grammar, mathematics, social  
40 studies, or science; or

41 (B) for use in accordance with the eligible student's special education needs; and

42 (4) the eligible student will not be enrolled in a school that receives tuition support under  
43 IC 20-43.

44 (c) A parent of an eligible student may enter into a separate agreement under subsection (b) for  
45 each child of the parent. However, not more than one (1) account may be established for each  
46 eligible student.

47 (d) The account must be established under subsection (b) by a parent of an eligible student for

1 a school year on or before a date established by the treasurer of state, which must be at least thirty  
2 (30) days before the fall ADM count date established by the state board under IC 20-43-4-3. A  
3 parent of an eligible student may not enter into an agreement under this section or maintain an  
4 account under this chapter if the eligible student receives a choice scholarship under IC 20-51-4 for  
5 the same school year. An eligible student may not receive a grant under section 2 of this chapter if  
6 the eligible student is currently included in a school corporation's ADM count under IC 20-43-4.

7 (e) An agreement entered into under this section terminates automatically for an eligible student  
8 if the eligible student no longer resides in Indiana while the eligible student is eligible to receive  
9 grants under section 2 of this chapter. If an account is terminated under this section, money in the  
10 eligible student's account, including any interest accrued, reverts to the state tuition reserve  
11 account.

12 (f) An agreement made under this section for an eligible student while the eligible student is in  
13 kindergarten through grade 12 may be terminated before the end of the school year if the parent  
14 of the eligible student notifies the treasurer of state in a manner specified by the treasurer of state.

15 (g) A distribution made to an account under section 2 of this chapter is considered tax exempt  
16 as long as the distribution is used for a qualified expense. The amount is subtracted from the  
17 definition of adjusted income under IC 6-3-1-3.5 to the extent the distribution used for the qualified  
18 expense is included in the taxpayer's adjusted federal gross income under the Internal Revenue  
19 Code.

20 (h) The department shall establish a student test number as described in IC 20-19-3-9.4 for each  
21 eligible student. The treasurer of state shall provide the department information necessary for the  
22 department to comply with this subsection.

23 Sec. 2. (a) Subject to sections 3 and 10 of this chapter, the annual grant amount under this  
24 chapter for an eligible student equals the special education grant for the student under  
25 IC 20-43-7-6.

26 (b) An eligible student may choose to receive special education services from the school  
27 corporation required to provide the special education services to the eligible student under 511  
28 IAC 7-34-1. However, if an eligible student described in subsection (a) chooses not to receive special  
29 education or related services from a school corporation required to provide the services to the  
30 eligible student under 511 IAC 7-34-1, the annual grant amount for the eligible student shall include  
31 the amount the school corporation would receive under IC 20-43-7 for the eligible student if the  
32 eligible student attended the school corporation.

33 Sec. 3. If an eligible student's agreement under section 1 of this chapter is in effect for less than  
34 an entire school year, the annual grant amount provided under section 2 of this chapter for that  
35 school year shall be reduced on a prorated basis in a manner prescribed by the treasurer of state  
36 to reflect the length of the agreement. In the event an eligible student's account is terminated  
37 because the eligible student enrolls in a school that receives tuition support under IC 20-43, the  
38 balance in the account at the time the account is terminated shall be transferred to the school  
39 corporation or charter school in which the eligible student enrolls.

40 Sec. 4. Upon entering into or renewing an agreement under this chapter, the treasurer of state  
41 shall provide to the parent of an eligible student a written explanation of the authorized uses of the  
42 money in the account and the responsibilities of the parent of an eligible student and the treasurer  
43 of state regarding an account established under section 1 of this chapter.

44 Sec. 5. This chapter does not prohibit a parent of an eligible student from making a payment for  
45 any qualified expense from a source other than the eligible student's account. The parent of an  
46 eligible student is responsible for the payment of any tuition required by a qualified school that is  
47 not paid from the eligible student's account.

1       Sec. 6. A parent of an eligible student may use not more than seven hundred fifty dollars (\$750)  
2 of the annual grant amount received under this chapter each school year for fees for transportation  
3 paid to a fee-for-service transportation provider for the eligible student to travel to and from an  
4 approved service provider. However, the treasurer of state, in consultation with the department,  
5 shall establish criteria and a process by which a parent of an eligible student may receive a waiver  
6 from the limit imposed on transportation fees under this section.

7       Sec. 7. (a) A participating entity that receives a payment for a qualified expense may not:

8       (1) refund any part of the payment to the parent of the eligible student unless the refund is for  
9 an item that has been returned to the place of original purchase or is for an item or service  
10 that has not been provided by the participating entity; or

11       (2) rebate or otherwise share any part of the payment with the parent of the eligible student  
12 who made the payment.

13       (b) A parent of an eligible student who receives a refund under subsection (a) shall deposit the  
14 refund into the account from which the money was paid.

15       Sec. 8. (a) The treasurer of state shall freeze the account established under section 1 of this  
16 chapter of any parent of an eligible student who:

17       (1) fails to comply with the terms of the agreement established under section 1 of this chapter;

18       (2) fails to comply with applicable laws or regulations; or

19       (3) substantially misuses funds in the account.

20       (b) The treasurer of state shall send written notice to the parent of the eligible student stating  
21 the reason for the freeze under subsection (a). The treasurer of state may also send notice to the  
22 attorney general or the prosecuting attorney in the county in which the parent of the eligible student  
23 resides if the treasurer of state believes a crime has been committed or a civil action relating to the  
24 account is necessary.

25       (c) A parent of an eligible student whose account has been frozen under subsection (a) may  
26 petition the treasurer of state for redetermination of the decision under subsection (a) within thirty  
27 (30) days after the date the treasurer of state sends notice to the parent of the eligible student under  
28 subsection (b). The petition must contain a written explanation stating why the treasurer of state  
29 was incorrect in freezing the account under subsection (a). If the treasurer of state does not receive  
30 a timely submitted petition from a parent of an eligible student under this subsection, the treasurer  
31 of state shall terminate the account.

32       (d) The treasurer of state shall review a petition received under subsection (c) within fifteen (15)  
33 business days of receipt of the petition and issue a redetermination letter to the parent of the eligible  
34 student. If the treasurer of state overturns the treasurer of state's initial decision under subsection  
35 (a), the treasurer of state shall immediately unfreeze the account. If the treasurer of state affirms  
36 the decision under subsection (a), the treasurer of state shall give notice of the affirmation to the  
37 parent of the eligible student and terminate the account.

38       Sec. 9. Notwithstanding 511 IAC 7-34-1(d)(4), a public school is not required to make available  
39 special education and related services to an eligible student if the eligible student receives funds  
40 under section 2 of this chapter and the special education services are provided to the eligible student  
41 by the participating entity. This section may not be construed as a restriction or limitation on any  
42 of the rights, benefits, and protections granted to an individual under the federal Individuals with  
43 Disabilities Education Improvement Act of 2004 (20 U.S.C. 1400 et seq.).

44       Sec. 10. Distributions made to an account under section 2 of this chapter or money in the account  
45 may not be treated as income or a resource for purposes of qualifying for any other federal or state  
46 grant or program administered by the state or a political subdivision.

47       Chapter 5. Participating Entities

1       Sec. 1. It is the intent of the general assembly to honor the autonomy of nonpublic schools that  
2 choose and are authorized to become participating entities under this article. A nonpublic eligible  
3 school is not an agent of the state or federal government, and therefore:

4       (1) the treasurer of state, state board, department, or any other state agency may not in any  
5 way regulate the educational program of a nonpublic school that accepts money from an  
6 account under this article, including the regulation of curriculum content, religious instruction  
7 or activities, classroom teaching, teacher and staff hiring requirements, and other activities  
8 carried out by the nonpublic school;

9       (2) the creation of the program does not expand the regulatory authority of the state or the  
10 state's officers to impose additional regulation of nonpublic schools beyond those necessary  
11 to enforce the requirements of the program; and

12       (3) an accredited nonpublic school that is a participating entity may provide for the  
13 educational needs of students without governmental control.

14       Sec. 2. (a) The following individuals or entities may become a participating entity by submitting  
15 an application to the treasurer of state in a manner prescribed by the treasurer of state:

16       (1) A qualified school.

17       (2) An individual who or entity that provides services to a student with a disability in  
18 accordance with an individualized education plan.

19       (3) An individual who or entity that offers an approved course or program to an eligible  
20 student.

21       (4) A licensed occupational therapist.

22       (b) The treasurer of state may approve an application submitted under subsection (a) if the  
23 individual or entity meets the criteria to serve as a participating entity.

24       (c) If it is reasonably expected by the treasurer of state that a participating entity will receive,  
25 from payments made under the program, more than fifty thousand dollars (\$50,000) during a  
26 particular school year, the participating entity shall, on or before a date prescribed by the treasurer  
27 of state:

28       (1) post a surety bond in an amount equal to the amount expected to be paid to the  
29 participating entity under the program for the particular school year; or

30       (2) provide the treasurer of state evidence, in a manner prescribed by the treasurer of state,  
31 indicating that the participating entity has unencumbered assets sufficient to pay the treasurer  
32 of state an amount equal to the amount expected to be paid to the participating entity under  
33 the program during the particular school year.

34       (d) Each participating entity that accepts payments made from an account under this article  
35 shall provide a receipt to the parent of an eligible student for each payment made.

36       Sec. 3. (a) Each qualified school that is a participating entity that accepts payments for tuition  
37 and fees made from an account under the program shall administer to its eligible students the  
38 statewide assessment.

39       (b) Upon receipt of the statewide assessment, the department shall, subject to the federal Family  
40 Educational Rights and Privacy Act (20 U.S.C. 1232g) and any regulations adopted under that act:

41       (1) aggregate the statewide assessment test results according to the grade level, gender, race,  
42 and family income level of all eligible students; and

43       (2) make the results determined under subdivision (1) available on the department's Internet  
44 web site.

45       Sec. 4. (a) The treasurer of state may refuse to allow a participating entity to continue  
46 participation in the program and revoke the participating entity's status as a participating entity  
47 if the treasurer of state determines that the participating entity accepts payments made from an

1 account under this article and:

2 (1) has failed to provide any educational service required by state or federal law to an eligible  
3 student receiving instruction from the participating entity; or

4 (2) has routinely failed to meet the requirements of a participating entity under the program.

5 (b) If the treasurer of state revokes a participating entity's status as a participating entity in the  
6 program, the treasurer of state shall provide notice of the revocation within thirty (30) days of the  
7 revocation to each parent of an eligible student receiving instruction from the participating entity  
8 who has paid the participating entity from the eligible student's account.

9 (c) The treasurer of state may permit a former participating entity described in subsection (a)  
10 to reapply with the treasurer of state for authorization to be a participating entity on a date  
11 established by the treasurer of state, which may not be earlier than one (1) year after the date on  
12 which the former participating entity's status as a participating entity was revoked under  
13 subsection (a). The treasurer of state may establish reasonable criteria or requirements that the  
14 former participating entity must meet before being reapproved by the treasurer of state as a  
15 participating entity.

16 **Sec. 5. An approved participating entity:**

17 (1) may not charge an eligible student participating in the program an amount greater than  
18 a similarly situated student who is receiving the same or similar services; and

19 (2) shall provide a receipt to a parent of an eligible student for each qualified expense charged  
20 for education or related services provided to the eligible student.

21 **Sec. 6. The treasurer of state shall annually make available on the treasurer of state's Internet**  
22 **web site a list of participating entities.**

28 enforcement officers of the United States government who have twenty (20) or more years of service shall  
29 be valid for the life of these individuals. However, a lifetime license is automatically revoked if the license  
30 holder does not remain a proper person.

36 education on safe handling and use of firearms;

37 (B) prepared by the state police department; and

38 (C) approved by the superintendent.

39 The superintendent may not deny a license under this section because the information required under this  
40 subsection is unavailable at the time the superintendent would otherwise issue a license. The state police  
41 department may accept private donations or grants to defray the cost of printing and mailing the  
42 information required under this subsection.

43 ~~(h)~~ (i) A license to carry a handgun shall not be issued to any person who:

45 (2) has had a license to carry a handgun suspended, unless the person's license has been reinstated;

46 (3) is under eighteen (18) years of age;

47 (4) is under twenty-three (23) years of age if the person has been adjudicated a delinquent child for

(b) Documented evidence that a person is not a "proper person" to be licensed as defined by IC 35-47-1-7, or is prohibited under ~~section 3(h)(5)~~ **section 3(i)(5)** of this chapter from being issued a license, shall be grounds for immediate suspension or revocation of a license previously issued under this chapter. However, if a license is suspended or revoked based solely on an arrest under ~~section 3(h)(5)~~ **section 3(i)(5)** of this chapter, the license shall be reinstated upon the acquittal of the defendant in that case or upon the dismissal of the charges for the specific offense.

(c) A person who knowingly or intentionally fails to promptly return the person's license after written notice of suspension or revocation commits a Class A misdemeanor. The observation of a handgun license in the possession of a person whose license has been suspended or revoked constitutes a sufficient basis for the arrest of that person for violation of this subsection.

(d) The superintendent shall establish rules under IC 4-22-2 concerning the procedure for suspending or revoking a person's license.

2 SECTION 174. IC 36-7-14-25.2, AS AMENDED BY P.L.257-2019, SECTION 118, IS AMENDED  
3 TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 25.2. (a) Subject to the prior approval  
4 of the fiscal body of the unit under subsection (c), a redevelopment commission may enter into a lease  
5 of any property that could be financed with the proceeds of bonds issued under this chapter with a lessor  
6 for a term not to exceed:

7 (1) fifty (50) years, for a lease entered into before July 1, 2008;

8 (2) thirty-five (35) years, for leases entered into after June 30, 2019, to finance a project that is  
9 located in a redevelopment project area, an economic development area, or an urban renewal project  
10 area and that includes, as part of the project, the use and repurposing of two (2) or more buildings  
11 and structures that are:

12 (A) at least seventy-five (75) years old; and

13 (B) located at a site at which manufacturing previously occurred over a period of at least  
14 seventy-five (75) years; or

15 (3) twenty-five (25) years, for a lease that is not described in subdivision (1) or (2), **plus an**  
16 **additional twenty-five (25) years if the allocation area is renewed following an independent**  
17 **analysis under section 39(b)(6) of this chapter.**

18 The lease may provide for payments to be made by the redevelopment commission from special benefits  
19 taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other  
20 revenues available to the redevelopment commission, or any combination of these sources.

21 (b) A lease may provide that payments by the redevelopment commission to the lessor are required  
22 only to the extent and only for the period that the lessor is able to provide the leased facilities in  
23 accordance with the lease. The terms of each lease must be based upon the value of the facilities leased  
24 and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

25 (c) A lease may be entered into by the redevelopment commission only after a public hearing by the  
26 redevelopment commission at which all interested parties are provided the opportunity to be heard. After  
27 the public hearing, the redevelopment commission may adopt a resolution authorizing the execution of  
28 the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease  
29 will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved  
30 by a resolution of the redevelopment commission must also be approved by an ordinance or resolution  
31 of the fiscal body of the unit. The approving ordinance or resolution of the fiscal body must include the  
32 following:

33 (1) The maximum annual lease rental for the lease.

34 (2) The maximum interest rate or rates, any provisions for redemption before maturity, and any  
35 provisions for the payment of capitalized interest associated with the lease.

36 (3) The maximum term of the lease.

37 (d) Upon execution of a lease providing for payments by the redevelopment commission in whole or  
38 in part from the levy of special benefits taxes under section 27 of this chapter and upon approval of the  
39 lease by the unit's fiscal body, the redevelopment commission shall publish notice of the execution of the  
40 lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the  
41 redevelopment district who will be affected by the lease and who may be of the opinion that no necessity  
42 exists for the execution of the lease or that the payments provided for in the lease are not fair and  
43 reasonable may file a petition in the office of the county auditor within thirty (30) days after the  
44 publication of the notice of execution and approval. The petition must set forth the petitioners' names,  
45 addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary  
46 or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be.

47 (e) Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together

1 with such other data as may be necessary in order to present the questions involved, to the department of  
2 local government finance. Upon receipt of the certified petition and information, the department of local  
3 government finance shall fix a time and place for a hearing in the redevelopment district, which must be  
4 not less than five (5) or more than thirty (30) days after the time is fixed. Notice of the hearing shall be  
5 given by the department of local government finance to the members of the fiscal body, to the  
6 redevelopment commission, and to the first fifty (50) petitioners on the petition by a letter signed by the  
7 commissioner or deputy commissioner of the department and enclosed with fully prepaid postage sent  
8 to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The  
9 decision of the department of local government finance on the appeal, upon the necessity for the execution  
10 of the lease, and as to whether the payments under it are fair and reasonable, is final.

11 (f) A redevelopment commission entering into a lease payable from allocated taxes under section 39  
12 of this chapter or other available funds of the redevelopment commission may:

13 (1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and

14 (2) establish a special fund to make the payments.

15 (g) Lease rentals may be limited to money in the special fund so that the obligations of the  
16 redevelopment commission to make the lease rental payments are not considered debt of the unit or the  
17 district for purposes of the Constitution of the State of Indiana.

18 (h) Except as provided in this section, no approvals of any governmental body or agency are required  
19 before the redevelopment commission enters into a lease under this section.

20 (i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and  
21 conditions must be brought within thirty (30) days after the publication of the notice of the execution and  
22 approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal  
23 has been taken to the department of local government finance, an action to contest the validity or enjoin  
24 the performance must be brought within thirty (30) days after the decision of the department.

25 (j) If a redevelopment commission exercises an option to buy a leased facility from a lessor, the  
26 redevelopment commission may subsequently sell the leased facility, without regard to any other statute,  
27 to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established  
28 at the time of the sale by the redevelopment commission through auction, appraisal, or arms length  
29 negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the redevelopment  
30 commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any  
31 action to contest the sale must be brought within fifteen (15) days of the hearing.

32 SECTION 175. IC 36-7-14-39, AS AMENDED BY P.L. 156-2020, SECTION 139, IS AMENDED TO  
33 READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39. (a) As used in this section:

34 "Allocation area" means that part of a redevelopment project area to which an allocation provision of  
35 a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and  
36 allocation of property taxes.

37 "Base assessed value" means, subject to subsection (j), the following:

38 (1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an  
39 amendment to a declaratory resolution establishing an economic development area:

40 (A) the net assessed value of all the property as finally determined for the assessment date  
41 immediately preceding the effective date of the allocation provision of the declaratory resolution,  
42 as adjusted under subsection (h); plus

43 (B) to the extent that it is not included in clause (A), the net assessed value of property that is  
44 assessed as residential property under the rules of the department of local government finance,  
45 within the allocation area, as finally determined for the current assessment date.

46 (2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an  
47 amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an

1 allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25)  
2 years after the date on which the first obligation was incurred to pay principal and interest on bonds or  
3 lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other  
4 obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were  
5 scheduled when issued to mature before the specified expiration date and that are payable only from  
6 allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the  
7 allocation provision does not expire until all of the bonds or other obligations are no longer outstanding.  
8 Notwithstanding any other law, in the case of an allocation area that is established after June 30, 2019,  
9 and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an  
10 economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project  
11 area described in section 25.1(c)(3)(C) of this chapter, the expiration date of the allocation provision may  
12 not be more than thirty-five (35) years after the date on which the allocation provision is established.  
13 **Notwithstanding any other law, in the case of an allocation area that is established by the**  
14 **commission of a qualified city for the purpose of financing a mixed use development project only,**  
15 **and only if the legislative body of the qualified city adopts a resolution to approve the independent**  
16 **analysis of the proposed development project under subdivision (6), the legislative body of the**  
17 **qualified city may, before one (1) year before the expiration of the initial twenty-five (25) year term**  
18 **of the allocation area, adopt a resolution to renew the allocation area for one (1) additional period**  
19 **of not more than twenty-five (25) years.** The allocation provision may apply to all or part of the  
20 redevelopment project area. The allocation provision must require that any property taxes subsequently  
21 levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable  
22 property in the allocation area be allocated and distributed as follows:

23 (1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser  
24 of:

25 (A) the assessed value of the property for the assessment date with respect to which the allocation  
26 and distribution is made; or

27 (B) the base assessed value;

28 shall be allocated to and, when collected, paid into the funds of the respective taxing units.

29 (2) The excess of the proceeds of the property taxes imposed for the assessment date with respect  
30 to which the allocation and distribution is made that are attributable to taxes imposed after being  
31 approved by the voters in a referendum or local public question conducted after April 30, 2010, not  
32 otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds  
33 of the taxing unit for which the referendum or local public question was conducted.

34 (3) Except as otherwise provided in this section, property tax proceeds in excess of those described  
35 in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid  
36 into an allocation fund for that allocation area that may be used by the redevelopment district only  
37 to do one (1) or more of the following:

38 (A) Pay the principal of and interest on any obligations payable solely from allocated tax  
39 proceeds which are incurred by the redevelopment district for the purpose of financing or  
40 refinancing the redevelopment of that allocation area.

41 (B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part  
42 from allocated tax proceeds in that allocation area.

43 (C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that  
44 allocation area and from the special tax levied under section 27 of this chapter.

45 (D) Pay the principal of and interest on bonds issued by the unit to pay for local public  
46 improvements that are physically located in or physically connected to that allocation area.

47 (E) Pay premiums on the redemption before maturity of bonds payable solely or in part from

1 allocated tax proceeds in that allocation area.

2 (F) Make payments on leases payable from allocated tax proceeds in that allocation area under

3 section 25.2 of this chapter.

4 (G) Reimburse the unit for expenditures made by it for local public improvements (which include

5 buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are

6 physically located in or physically connected to that allocation area.

7 (H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically

8 located in or physically connected to that allocation area under any lease entered into under

9 IC 36-1-10.

10 (I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property

11 tax replacement credit to taxpayers in an allocation area as determined by the redevelopment

12 commission. This credit equals the amount determined under the following STEPS for each

13 taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation

14 area:

15 STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A),

16 IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before

17 their repeal) that is attributable to the taxing district.

18 STEP TWO: Divide:

19 (i) that part of each county's eligible property tax replacement amount (as defined in

20 IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its

21 repeal) that is attributable to the taxing district; by

22 (ii) the STEP ONE sum.

23 STEP THREE: Multiply:

24 (i) the STEP TWO quotient; times

25 (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal))

26 levied in the taxing district that have been allocated during that year to an allocation fund under

27 this section.

28 If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the

29 allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive

30 a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the

31 same year.

32 (J) Pay expenses incurred by the redevelopment commission for local public improvements that

33 are in the allocation area or serving the allocation area. Public improvements include buildings,

34 parking facilities, and other items described in section 25.1(a) of this chapter.

35 (K) Reimburse public and private entities for expenses incurred in training employees of

36 industrial facilities that are located:

37 (i) in the allocation area; and

38 (ii) on a parcel of real property that has been classified as industrial property under the rules

39 of the department of local government finance.

40 However, the total amount of money spent for this purpose in any year may not exceed the total

41 amount of money in the allocation fund that is attributable to property taxes paid by the industrial

42 facilities described in this clause. The reimbursements under this clause must be made within

43 three (3) years after the date on which the investments that are the basis for the increment

44 financing are made.

45 (L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5)

46 within the unit that established the redevelopment commission. However, property tax proceeds

47 may be used under this clause to pay the costs of carrying out an eligible efficiency project only

1 if those property tax proceeds exceed the amount necessary to do the following:

2 (i) Make, when due, any payments required under clauses (A) through (K), including any  
3 payments of principal and interest on bonds and other obligations payable under this  
4 subdivision, any payments of premiums under this subdivision on the redemption before  
5 maturity of bonds, and any payments on leases payable under this subdivision.

6 (ii) Make any reimbursements required under this subdivision.

7 (iii) Pay any expenses required under this subdivision.

8 (iv) Establish, augment, or restore any debt service reserve under this subdivision.

9 (M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this  
10 chapter.

11 The allocation fund may not be used for operating expenses of the commission.

12 (4) Except as provided in subsection (g), before June 15 of each year, the commission shall do the  
13 following:

14 (A) Determine the amount, if any, by which the assessed value of the taxable property in the  
15 allocation area for the most recent assessment date minus the base assessed value, when  
16 multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed  
17 value needed to produce the property taxes necessary to make, when due, principal and interest  
18 payments on bonds described in subdivision (3), plus the amount necessary for other purposes  
19 described in subdivision (3).

20 (B) Provide a written notice to the county auditor, the fiscal body of the county or municipality  
21 that established the department of redevelopment, the officers who are authorized to fix budgets,  
22 tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or  
23 partly located within the allocation area, and (in an electronic format) the department of local  
24 government finance. The notice must:

25 (i) state the amount, if any, of excess assessed value that the commission has determined may  
26 be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

27 (ii) state that the commission has determined that there is no excess assessed value that may  
28 be allocated to the respective taxing units in the manner prescribed in subdivision (1).

29 The county auditor shall allocate to the respective taxing units the amount, if any, of excess  
30 assessed value determined by the commission. The commission may not authorize an allocation  
31 of assessed value to the respective taxing units under this subdivision if to do so would endanger  
32 the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of  
33 this chapter.

34 (C) If:

35 (i) the amount of excess assessed value determined by the commission is expected to generate  
36 more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to  
37 make, when due, principal and interest payments on bonds described in subdivision (3); plus

38 (ii) the amount necessary for other purposes described in subdivision (3);

39 the commission shall submit to the legislative body of the unit its determination of the excess  
40 assessed value that the commission proposes to allocate to the respective taxing units in the  
41 manner prescribed in subdivision (1). The legislative body of the unit may approve the  
42 commission's determination or modify the amount of the excess assessed value that will be  
43 allocated to the respective taxing units in the manner prescribed in subdivision (1).

44 (5) Notwithstanding subdivision (4), in the case of an allocation area that is established after June  
45 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of  
46 this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or  
47 an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, for each year the

1 allocation provision is in effect, if the amount of excess assessed value determined by the  
2 commission under subdivision (4)(A) is expected to generate more than two hundred percent (200%)  
3 of:

4 (A) the amount of allocated tax proceeds necessary to make, when due, principal and interest  
5 payments on bonds described in subdivision (3) for the project; plus

6 (B) the amount necessary for other purposes described in subdivision (3) for the project;  
7 the amount of the excess assessed value that generates more than two hundred percent (200%) of  
8 the amounts described in clauses (A) and (B) shall be allocated to the respective taxing units in the  
9 manner prescribed by subdivision (1).

10 **(6) This subdivision applies only to a qualified city. Before a qualified city may renew an**  
11 **allocation area for the purpose of financing a mixed use development project for an additional**  
12 **twenty-five (25) years the following must occur:**

13 (A) **The qualified city must commission an independent analysis of the proposed**  
14 **development project that includes:**

15 (i) the development project area's revenues;

16 (ii) a description of the proposed project or projects;

17 (iii) debt capacity; and

18 (iv) the subsequent impact on all taxing units within the allocation area.

19 **The analysis under this clause shall be conducted by a qualified independent professional**  
20 **entity such as an accounting firm or a municipal advisory entity. The qualified city shall**  
21 **submit the independent analysis under this clause to the legislative body of the qualified city**  
22 **in order to demonstrate the need for a renewal of the allocation area for an additional**  
23 **twenty-five (25) years.**

24 **(B) The legislative body of a qualified city shall review, and either approve or reject by**  
25 **resolution, an independent analysis submitted under clause (A).**

26 **A qualified city may renew an allocation area for the purpose of financing a mixed use**  
27 **development project for an additional twenty-five (25) years only if the legislative body of the**  
28 **qualified city adopts a resolution to approve the independent analysis under this subdivision.**

29 (c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of  
30 taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective  
31 date of the allocation provision of the declaratory resolution is the lesser of:

32 (1) the assessed value of the property for the assessment date with respect to which the allocation  
33 and distribution is made; or

34 (2) the base assessed value.

35 (d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject  
36 to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in  
37 subsection (b)(3).

38 (e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment  
39 commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective  
40 on the next assessment date after the petition.

41 (f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for  
42 purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy  
43 for each political subdivision in which the property is located is the lesser of:

44 (1) the assessed value of the property as valued without regard to this section; or

45 (2) the base assessed value.

46 (g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit  
47 that designated the allocation area shall create funds as specified in this subsection. A unit that has

1 obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish  
2 an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit  
3 shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any  
4 amount in the allocation fund derived from property tax proceeds in excess of those described in  
5 subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount  
6 sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes  
7 specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such  
8 current property tax proceeds from the part of the enterprise zone that is within the allocation area as  
9 compared to all such current property tax proceeds derived from the allocation area. A unit that has no  
10 obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish  
11 a special zone fund and deposit all the property tax proceeds in excess of those described in subsection  
12 (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection  
13 (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund  
14 shall use the fund (based on the recommendations of the urban enterprise association) for programs in job  
15 training, job enrichment, and basic skill development that are designed to benefit residents and employers  
16 in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is  
17 made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone  
18 fund only to that part of the allocation area that is also located in the enterprise zone. Those programs  
19 shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

20 (h) The state board of accounts and department of local government finance shall make the rules and  
21 prescribe the forms and procedures that they consider expedient for the implementation of this chapter.  
22 After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the  
23 department of local government finance shall adjust the base assessed value one (1) time to neutralize any  
24 effect of the reassessment of the real property in the area on the property tax proceeds allocated to the  
25 redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the  
26 department of local government finance shall adjust the base assessed value one (1) time to neutralize any  
27 effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under  
28 this section. However, the adjustments under this subsection:

29 (1) may not include the effect of phasing in assessed value due to property tax abatements under  
30 IC 6-1.1-12.1;

31 (2) may not produce less property tax proceeds allocable to the redevelopment district under  
32 subsection (b)(3) than would otherwise have been received if the reassessment under the  
33 reassessment plan or the annual adjustment had not occurred; and

34 (3) may decrease base assessed value only to the extent that assessed values in the allocation area  
35 have been decreased due to annual adjustments or the reassessment under the reassessment plan.

36 Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may  
37 not be included in the base assessed value of an allocation area. The department of local government  
38 finance may prescribe procedures for county and township officials to follow to assist the department in  
39 making the adjustments.

40 (i) The allocation deadline referred to in subsection (b) is determined in the following manner:

41 (1) The initial allocation deadline is December 31, 2011.

42 (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are  
43 automatically extended in increments of five (5) years, so that allocation deadlines subsequent to  
44 the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year  
45 thereafter.

46 (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2),  
47 the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and  
 (B) specifically designates a particular date as the final allocation deadline.

(j) If a redevelopment commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the redevelopment commission makes either of the filings required under section 17(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.
