

## Break the Ice (15 min) \_\_\_\_\_

Take a moment to connect by answering the following icebreakers.

- What is your favorite activity on a snowy day?
- When it is snowy, what do you miss most about warm weather?
- What is one social gathering you've missed the most over the last year?

## Learn Together (15min) \_\_\_\_\_

Read Luke 5:27-39 aloud together. Then, pray before your discussion.

- Why choose Levi? What is the irony?
- What motivated Levi to throw Jesus a party?
- Why do you think Jesus attended a dinner party with 'sinners'?
- What do you think Jesus means by the word 'righteous' in this passage?
- What stands out to you the most about verses 33-39?

## Act On It (15 min) \_\_\_\_\_

- How do you usually relate to people others tend to look down on?
- In your opinion, why are Christ followers hesitant to share their faith?
- What is the biggest objection you've heard to people following Jesus?
- Share about someone who shared their faith with you. What impact has that had on you personally?
- On a scale of 1-10, how comfortable are you with sharing your faith story with someone?
- What is one simple thing you and your group can do to reach out to someone far away from God?

## Pray Together (10 min) \_\_\_\_\_

As your group time closes, take a moment to be reminded of the challenge at the end of the message this week. If you haven't done so yet, take a moment in prayer and ask God to guide you to three names of people in your life who are far away from him. Then, ask God for an opportunity and strength for you to share your faith story with them.
