"This letter is to thank Bill Macher and his crew for the outstanding job they did on our Juvenile Jail remodel. Bill Macher went above and beyond to make sure we were completely satisfied and continues to support any issues we have ongoing. As you are aware the many issues Southern Folger created for us, Bill was able to successfully overcome these issues to my satisfaction. Bill also stayed to work with SAS our access control contractor, to work through the electronics issues the three of us had to solve together.

I personally gave the warden for the Lake County Jail and a few of this team a tour of the work that Bill and his team completed and they liked what they saw.

I would be more than happy to serve as a reference for Pauly Jail."

Sincerely,

Ron Zochalski, MBA
