ABOUT US

Hillenbrand is a global diversified industrial company with multiple market-leading brands that serve a wide variety of industries across the globe. We pursue profitable growth and robust cash generation in order to drive increased value for our shareholders. Hillenbrand's portfolio is composed of two business segments: the Process Equipment Group and Batesville. The Process Equipment Group businesses design, develop, manufacture and service highly engineered industrial equipment around the world. Batesville is a recognized leader in the North American death care industry. Hillenbrand is publicly traded on the NYSE under "HI."

THE HILLENBRAND INTERNSHIP EXPERIENCE

Our 10-12 week internships provide an opportunity for college students to gain valuable experience, connections and competitive compensation. We assign challenging tasks and allow our interns to develop their skills and enhance their business experience. From the start, interns engage with executives, are given a mentor and visit multiple company locations. This strategic programming focuses on the company's intentional talent development, which emphasizes personal growth. For more information on this unique paid corporate internship, visit our website.
