

2024 FRATERNITY AWARDS AND ACCREDITATION REPORT

ACCREDITATION GUIDE

PURPOSE:

The Fraternity has a responsibility to coordinate chapter minimum operating standards. Without universal standards many chapters struggle with basic operation. By reviewing these items annually, the Fraternity verifies a) chapters manage the most basic operational components required of a thriving chapter and b) guide Fraternity intervention in an effective and timely manner.

DUE DATE:

Submissions are due November 1 annually.

SUBMISSION:

Chapters will submit materials to the appropriate member of the Central Office staff.

Chapters are expected to submit accreditation items by November 1. Chapters may submit as many times as necessary to fulfill the obligations required of each accreditation item. Chapters will be provided with specific feedback for necessary changes to items to achieve accreditation. Chapters have until December 1 to complete the accreditation items before sanctions are imposed.

FAILURE TO SUBMIT:

Failure to complete accreditation items by December 1 will result in the following sanctions:

- The chapter will be placed on social suspension. Notice of suspension will be sent to the chapter, chapter volunteers, house corporation, and the appropriate campus staff. This suspension will be lifted once the chapter completes the necessary accreditation items.
- Unaccredited chapters will be ineligible to receive the Court of Honor or Hugh Shields awards as of this date.

If the chapter fails to complete all accreditation items by February 1, the chapter will be referred to the Standards Committee for additional sanctions. The chapter will be required to participate (via phone or video call) in a hearing to explain its inability to complete accreditation and will be subject to questions from the committee. The committee will have the authority to impose any sanctions it determines necessary, up to a recommendation to suspend the charter and initiate withdrawal proceedings, effectively closing the chapter.

ASSOCIATION WITH AWARDS SECTION OF THE FRATERNITY AWARDS AND ACCREDITATION REPORT (FAAR):

Chapters are expected to submit accreditation items. Although the awards section of the FAAR is voluntary, chapters receive points toward the awards section by completing accreditation items prior to the November 1 deadline. The scoring rubric for the accreditation is outlined below.
