# RISK MANAGEMENT EDUCATION

## ZETA ZETA

## 400/600 Level

The Zeta Zeta chapter believes the fundamental way to combat risk is to provide the members of our chapter with a thorough education of risk management. As we do every semester, Chapter Advisor Dr. Darrin DeMoss presented the MRG presentation to a room full of actives and new members.

A copy of our MRG Sign in Sheet is available at the end of this document.

## 800/1000 Level

### **Name of Event:**

Drunk Driving Awareness Event for Campus Community

### **Date:**

September 17, 2019

### **Co-Sponsoring Organization:**

Campus Activities Board

### **Facilitator:**

[REDACTED]

### **Location:**

Jayne Stadium Parking Lot

### **Summary:**

[REDACTED] led an interactive program that covered alcohol education and awareness. There were “drunk goggles” and golf carts involved, and attendees got to see the negative effects of combining alcohol and driving. Although everyone in attendance had a great time, the topic of discussion was very important. [REDACTED]

[REDACTED] shared personal stories of how he has witnessed the death of children due to those driving under the influence. At the end of the event, [REDACTED] opened the floor up for questions and attendees had a 20-minute discussion after the conclusion of the event!
