

Nineveh-Hensley-Jackson United School Corporation Facility Rental Agreement

Effective August 1, 2023

Nineveh-Hensley-Jackson United School Corporation establishes policies and guidelines designed to provide wide community use of facilities. NHJ recognizes that the community has invested a great deal in buildings, and those buildings will be available whenever regular school programs are not adversely affected.

While the NHJ School Board has adopted an attitude of community service, it must be noted that service does cost money, and budgetary obligations must be met. Financial restrictions and limitations dictate that the cost of the facility usage by the community should not be at the expense of regular school funding nor programs.

If so, you can most likely use the facilities at no charge. However, your group will still need to complete a Facilities Rental Application and follow our procedures.

These eligibility requirements may be waived by the Superintendent.

10. Rental of facilities for profit making activities by outside groups or persons will require the Superintendent's approval.

11. Employee directed, run, and operated summer camps are approved each year by the Board. Generally, there will be no rental charge for these camps, except in special circumstances as recommended by the Superintendent.
