## IIEP TRANSITION THIS WEEKEND!!!!

Just a reminder....We are less than a week away from the May 14th transition of the IIEP program from Learning Connection to the LINK. If all goes well, you should be able to access IIEP via the LINK beginning May 17th. If you haven't bookmarked the page yet, please do so! It is: <https://link.doe.in.gov>

Things to Remember:

- You must use the "Sign in with Google" option.
- The forgot password feature will NOT work. If you do not remember your Google password, please contact local technical support.
  
- Please share any issues you are having with accessing IIEP with Mort, Liza, or Lisa.

## CLOSING OF SCHOOL PACKET

If you have misplaced the East Central closing of school packet, no problem! Just click on the button below to access another copy. Please make note of the check out time for your building. Also, please plan ahead and have everything completed in advance of your check out time. If you are ordering digitized texts for your students, please make sure to list the ISBN of the student's version of the text and not the teacher's guide!

## ACRS

By the end of this week, you should have held all of your annual case conferences due through the end of August 2021. Please make sure to send the East Central copies in or make arrangements for them to be picked up by Mort, Liza, or Lisa. If you have not completed all of your ACRS, please use these last few weeks of the school year to do so. I am in hopes that

the IIEP program transition will go smoothly and you will be able to complete any remaining paperwork. If not, there are paper copies of the IEP that we can use in a pinch. Cross your fingers we won't have to!

## **OCALI CONFERENCE**

This annual autism conference gets bigger and better every year. It is in Ohio, but we don't have an equivalent to it in Indiana!
