As Chairman of the Board, the Vice President of Scholarship only has a vote in the event of a tie. Each member of the Scholarship Review Board shall serve one-year terms and, with the exception of the Alumni member, shall have a Grade Point Average, semester and cumulative, at or above 2.750.

### ACADEMIC PROBATION

#### DEFINITION:

As defined in Article X, Section 3 of the Bylaws of the \_\_\_\_\_ Chapter of Delta Upsilon Fraternity, a member will be placed on Academic Probation if his semester Grade Point Average drops below 2.500. If a member’s Grade Point Average drops below 2.500, as stipulated in Article X, Section 3 of the Bylaws, the member “shall be required to participate in sanctions prescribed by the Vice President of Scholarship for the next academic semester term.” The goal of these sanctions is “to assist the member in improving his academic performance.”

#### PROVISIONAL PROBATION:

As defined in Article X, Section 8 of the Bylaws, a member will be placed on Provisional Academic Probation if his semester Grade Point Average is below 2.750 but is at or above 2.500. A member placed on Provisional Academic Probation shall be required to meet with the Vice President of Scholarship at least three (3) times each semester in order for the Vice President of Scholarship to prescribe recommendations to the said member to ensure future academic success.

#### SANCTIONS:

As stipulated in Article X, Section 5 of the Bylaws, if a member is placed on Academic Probation, the said member is subject to sanctions prescribed by the Vice President of Scholarship. Furthermore, the said member may not hold an Executive Council position. In addition, the said member may not hold any appointed office nor a Board position without approval of the Scholarship Review Board. Furthermore, the Scholarship Review Board may additionally impose both social and/or sports probation on the said member.

As stipulated in Article X, Section 4 of the Bylaws, if a member fails to attain a Grade Point Average of at least 2.000, he must appear before the Judicial Board to explain his situation. At this point, the Judicial Board has the full authority to suspend to Delta Upsilon Fraternity as the Board deems fit. Additionally, the Judicial Board may

also propose expulsion to the Chapter Body in order for a vote on expulsion to take place as stipulated in Article II, Section 7 of the Constitution of Delta Upsilon Fraternity. In addition, as stipulated in Article XI, Section 8 of the Bylaws, the Judicial Board may also impose the following sanctions on the said member: “impose a fine no more than \$10 per violation, revoke full Chapter voting rights or revoke housing privileges for the next full housing year.” Following the decision of the Judicial Board, the said member must then appear before the Scholarship Review Board to explain his situation. At this point, the Scholarship Review Board has the full authority to impose sanctions on the member as the Board deems fit. The Scholarship Review Board has the authority to impose the following, although not limited to, sanctions: social probation, sports probation, Study Hall hours, grade updates.

In addition to any sanctions as stipulated in the Bylaws, all members under Academic Probation must complete and continue to use an Academic Probation Worksheet (see Appendix C) during their period of Academic Probation in order to update the Vice President of Scholarship on their academic progress.

#### FAILURE TO COMPLY WITH SANCTIONS:

As stipulated in Article X, Section 7 of the Bylaws, if a member on Academic Probation fails to fulfill the sanctions imposed upon him by the Vice President of Scholarship, the Vice President of Scholarship may bring the matter to the Scholarship Review Board. If the Scholarship Review Board decides that the said member has failed to fulfill his designated sanctions, the Scholarship Review Board may impose further sanctions upon the member. If the said member continues to fail to satisfy imposed sanctions, the Scholarship Review Board may bring the matter to the Judicial Board for further sanctions.

#### APPEALS:

As stipulated in Article X, Section 7 of the Bylaws, a member may appeal the sanctions for academic probation imposed upon him by the Vice President of Scholarship to the Scholarship Review Board. At this time, the Scholarship Review Board has the full authority to revise any sanctions upon the said member as the Board deems fit.

As stipulated in Article X, Section 11 of the Bylaws, any decision of the Scholarship Review Board may be appealed to the Judicial Board for review.

As stipulated in Article XI, Section 7, any decision of the Judicial Board may be appealed to the Chapter Body; however, the Chapter Membership can only warrant whether or not the said appealed decision of the Judicial Board is appropriate or not. Only can a vote of three-fourths (3/4) of the Chapter Membership overturn an appealed decision of the Judicial Board. Through the appeal process, the Chapter Membership cannot impose any sanctions upon a member. Instead the Chapter Membership can only send the resolution back to the Judicial Board with recommendations on the said resolution.
