## **Celebrate Valentine's Day**

*You'll Love These Great Events*

Franklin, Ind. – Get in the Valentine's Day spirit with these themed programs.

Create your own valentines at the library! The Franklin and White River Branches are offering Make and Take crafts the week before Valentine's Day. Both branches will have a new Valentine craft each day and all materials will be provided.

Feb. 9: Light Up Circuit Valentines at the Clark Pleasant Branch  
Make light up conversation hearts or anglerfish with built-in LED and battery, to share with the light of your life. Playing with circuits has never been so fun! This program is open to teens.

Feb. 9: Crayon Canvas Heart Art at the Clark Pleasant Branch  
Create your own crayon canvas creation just in time for Valentine's Day. We'll show you a new technique using melted crayons to create a work of art. All supplies will be provided. This program is open to teens and adults.

Feb. 9: Un-Valentines Day Party at the White River Branch  
Hate the sentiment, but love the candy? Make un-valentines to give friends, create black duct tape roses and eat some chocolate instead.
