

Chapter Scorecards

At the end of each academic year, each DU chapter receives a scorecard of its vital statistics in relation to the Fraternity's Men of Merit Chapter Standards Program. The scorecards on the pages that follow highlight the information shared. Chapters are encouraged to use these scorecards and the Men of Merit Chapter Standards to set goals for the coming year and ensure that they are operationally sound.

Serve as a Chapter Advisor

Successful Delta Upsilon chapters have one thing in common: strong alumni and chapter advisor support.

Delta Upsilon is always looking for chapter advisors to provide local support. All chapters would benefit from assistance, but our associate chapters (DU's newest chapters) are in need of the most help.

An advisory role gives you the opportunity to serve as a mentor to chapter members, working one-on-one with chapter officers and other advisors to provide guidance and support. Much of this work can be done virtually. While some advisor positions may require more attention than others, **the estimated time commitment of a chapter advisor is 3-5 hours per month.**

Scan our QR code to complete our Volunteer Interest Form. A DU staff member will be in touch to share more information.
