Exit LES driveway onto Eaton Street (ST Rd 44)

Please do not park at the church or the laundry mat in the **MORNING**. Drive through the driveway and drop your child off by the front doors. 4-5 cars can unload at a time. This is a safety issue with students crossing the side street and cars pulling in and out.

Breakfast begins at 7:55. Students **SHOULD NOT** arrive prior to 7:50. We do not have supervision available before 7:50.
