

# DeKalb Health Welcomes New Specialist To Campus.

## Parkview Physicians Group

### Aaron Roberts, MD

#### Sleep Medicine

260.266.5260

1310 E. 7<sup>th</sup> St., Suite F

*On campus every 4th Wednesday of  
the month from 8:30 am-3:30 pm.*

Dr. Aaron C. Roberts, M.D. is a graduate of Indiana University School of Medicine (IUSM), class of 2011. He completed his combined internal medicine-pediatrics residency at Michigan State University (MSU) in Kalamazoo, MI and his sleep medicine fellowship at IUSM. He joined Parkview Physicians Group in Fort Wayne, IN shortly after graduating fellowship where he currently serves as medical director for the sleep medicine department, having over 7 years of diverse experience. He is affiliated with many hospitals including Dekalb Memorial Hospital, Cameron Memorial Community Hospital, Parkview Randalia Hospital, Parkview Regional Medical Center, Parkview Huntington Hospital, Parkview Whitley Hospital, and Parkview Noble Hospital. He has interest in seeing both adult and pediatric sleep patients and is accepting new patients.

**Dr. Roberts will collaborate with the Sleep Diagnostic Center at DeKalb Health on 400 Erie Pass in Auburn. For more information about the Sleep Diagnostic Center, call 260.9220.2847 or visit DeKalbHealth.com.**

## DeKalb Health Specialty Clinics

DeKalb Health offers patients access to a wide variety of medical specialists, including cardiologists, neurologists, nephrologists, ENTs and many more. These services are offered at DeKalb Health for the convenience of our patients. Medical specialists from Fort Wayne maintain a clinic rotation and part-time visitation hours at DeKalb Health. Clinic visitation days are offered as an extension to a specialist's primary Fort Wayne medical practice and schedules.
