

better together _____

Take a moment to begin your group with the following conversation starters.

- Share one high point and one low point from this past week.
- If you had to have one song stuck in your head for the rest of our life, what would it be?

in process _____

- Share a few ways your small group can pray for you this week.

always learning _____

Read 1 Kings 21:1-25 aloud together. Since it is a longer passage, please feel free to assign two readers. Then, take a moment to pray before your discussion time.

- Why does Naboth refuse to give Ahab his vineyard?
- How is Naboth portrayed in this passage? What does the author want us to know about him?
- Name one lesson you think God wants you to walk away with as a result of reading this passage.
- This week's message mentioned committing to the process of growth. What is the most difficult part of that for you personally?

practice _____

- Have you ever been faced with a decision between obeying God's Word and a chance to receive financial gain? What happened?
- What are some small ways, starting today, that you can invest in your future? Be specific.
- How do Ahab and Naboth's lives remind us of what really matters?
- The enemy is efficient at causing us shame and discouragement in our lives. Where do you need encouraged today?
- What would you like your legacy of faith to look like?

closing and prayer _____

Leaders, please close your group with a time of prayer. Ask each member to think about one person they can extend compassion to this week/invite to an online service. Then, ask God for an opportunity to do that.

Lastly, close the group together in prayer.
