Summer School Opportunities

Questions

English 12 Credit Requirement Options

Mrs. Davis

Which English class should my student choose?

English 12

English 12 Empower

AP Literature

IU ACP- W131 and L202

English 12

This course follows English 11 and fulfills the credit requirement.

The focus is reading comprehension and writing, and follows the same state standards as English 11.

English 12 Empower

This course follows English 11 and fulfills the credit requirement.

The focus is reading comprehension and writing, and follows the same state standards as English 11. The Empower course covers exactly what the brick and mortar course covers, but everything is online. Students must be motivated to work without a teacher present. There is a weekly due date that mirrors what many online college courses look like.

AP Literature

*Builds on AP Language, but AP Language is not a pre-requisite.
Students must have passed ISTEP+ English before school starts.*

.....

This course builds on AP Language; to gain college credit students must perform well on the College Board AP test given in May. Colleges choose what grade (1-5) they will accept and for what type of credit. State currently pays for English AP tests.

IU-ACP- W131 and L202

*3 IU credits per semester; Composition and Literary Analysis
Students must have passed ISTEP+ English before school starts.*

.....

W131- Composition- Fall Semester; L202-Lit Analysis- Spring
- Each semester is 3 IU credits; ACP classes are easily transferred.

ACP continued:

- Each semester is 3 credits, each credit costs \$25 (\$75 per semester) money is paid to IU. They send a bill in November and April.
 - Students whom qualify for free/reduced lunch qualify for free ACP credit.
- Course is set up and taught exactly to IU standards. I am happy to make the syllabus available.
 - High School grade and IU grade are the same (this is different in ACP courses in other disciplines.)

-

ACP continued:

- **The ACP program is designed for high school juniors and seniors who desire more advanced academic work. ACP is not a gifted and talented program, but potential students should demonstrate a solid academic foundation and motivation to successfully earn college credits. The ACP program will engage students in college courses and help prepare them for future academic work.**
- **As a prestigious research university respected throughout the country, IU is known for its quality education which applies to ACP program as well. IU credits earned through the ACP program will build the student's IU transcript. These credits are accepted and transferable to many public and private universities. The ACP program will jumpstart the student's academic career, however, student participation in ACP does not constitute automatic admission to IU.**
- **Taken from: <https://acp.iu.edu/about-acp/index.html>**

I don't know where my students will
find the most success!

e-mail me- edavis1@nhj.k12.in.us

The junior teachers and I will discuss with your student what their plans are for the future and we'll let you know our recommendation.

Career Exploration Internship

Mr. Keller

ekeller@nhj.k12.in.us

What is Work Based Learning

“WBL is a framework of various pathways, which include practical experiences to help individuals gain an understanding of an occupation with on-the-job learning. It ranges from career awareness to career training.”

Designed to enhance students’: Career Awareness; Career Exploration; Career Preparation; Career Training

Serves as a capstone for ICHS Business Pathway

Logistics

Students must submit applications by March 2, 2020.

*Students must maintain a B (3.0 GPA). Exceptions considered on
..... case-to-case basis:*

*WBL takes up periods 6 and 7 of student's daily schedule.
Students release for worksite at 1 pm each school day. IRP on
Wednesdays. 1st half WBL class-time. 2nd half - IRP
meetings/remediation.*

*Students must have driver's license and insurance information on
file. Students and parents must read WBL contract and accept all*

Agriculture

Mr. Dunn

Agriculture

That is what an Ag Program is.....

Agriculture Educator- Leading the future of tomorrow!

AP Music Theory

AP Government

Honors Courses

Algebra II Honors

Biology Honors

Chemistry Honors

English 9 Honors

English 10 Honors

Geometry Honors

Central 9 Career Center

- ★ ICCHS in the morning, C9 in the afternoon
 - ★ Students earn 6-8 credits per year
 - ★ Students must be on track to graduate to attend or continue applications must be submitted by February 28th
 - ★ Driving forms completed in May
 - ★ Placement by grade level (Seniors get priority)
 - ★ Treated the same as ICCHS courses, no drops after May 1st
- Online enrollment (Application on Naviance)

Applications

Applications.....

Online:

NHJ Empower (Naviance)

C9 (Naviance)

- Current C9 students-Online Application @ C9
- 1st year C9 students-Online Application on Naviance
- Must be on track to graduate to attend and continue

Paper:

Ag, Power, Structure, and Technology (year 2 only)

Career Exploration Internship

ICLC

Seven semester graduation

Tech Team

****Some classes do not require applications but do have prerequisites.**

Early Graduation- 7 Semester Graduation

- ★ Application deadline, February 7th
- ★ Completion of all credits for a Core 40 or Core 40 with honors diploma
- ★ Passed both English and Algebra ISTEP
- ★ Completion of a 7 seven semester graduation application
- ★ Completion of a typed letter of rationale for the need for mid-term graduation
- ★ Because English 12 is a full year course, students will be required to take one semester during the summer and one semester in the classroom. If a student does not complete this requirement, he/she will be ineligible to be a seven semester graduate.
- ★ One or more of the criteria may be waived at administrator discretion or through case conference committee decision

2020-2021 Scheduling Process

Scheduling Process

- ★ Counselor Presentations in IRP
- ★ Complete scheduling worksheet
- ★ Confirm diploma choice and review requirements
- ★ Online Course Requests beginning January 14th
 - Worksheet must be completed in order to request courses online
- ★ Request Summary, signature required
- ★ Email course request changes through May 1st
 - Most requests approved through March 20th
 - Requests approved by availability through May 1st

All materials can be found on:

<http://www.indiancreekschools.com/high-school/scheduling/>

Scheduling Process: Student To Do List

- ★ Review diploma requirements
- ★ Review prerequisites
 - Digital Curriculum Guide
- ★ Complete ICHS course applications
- ★ Complete course worksheet
 - 14 course requests
 - 4 minimum alternate requests

May 1st

- ★ No Schedule Changes Allowed After May 1st
 - Request via Email for any changes through March 20th
 - Request via Email for any elective changes Mar 21-May 1. These will be approved only if availability allows
- ★ Rationale
 - Course fees
 - Class offerings
 - Rosters and Section Balancing
 - Smooth transition to a new school year

Summer School Options

ICHS Summer School

English 9,10,11 (credit recovery only)

Algebra I, Geometry, Algebra II (credit recovery only)

Government/Economics (credit advancement class of 2021 only)

Indiana Online Summer School

- Credit recovery or courses not offered at ICHS
- June 8- July 20th
- Registration
 - indianaonline.org

What to do before senior year

- Take the SAT/ ACT if you are planning on attending college
- Visit colleges
- You will be applying the fall of your senior year! Most colleges require you apply by November 1st
- Look for scholarships
- Explore the military if you are interested
