Save the Date!

P.T.O. and the staff of Liberty Elementary School would like to invite you to the first monthly P.T.O. meeting of the new school year. It takes many hands to lighten the load, and we encourage all parents to become involved. No experience necessary! The first meeting will take place September 19th at 6:30 pm in room A-400. This room is best accessed by coming in door #37 on Layman Street.

BOX TOPS

Please save your **Box Tops** labels for our school! Simply cut the **Box Tops** labels off specially marked products and send them to school with your child. Box Tops also has a new, simpler way to earn for our school. Families can earn cash for their school by scanning their store receipt with the **Box Tops mobile app**. This is an easy fundraiser for our P.T.O. that gives back to our students and teachers. Please help our school!

LifeSkills

Each month, students at LES will focus on 2 different LifeSkills. LifeSkills are the character traits that when exhibited, make our world a better place for everyone.

At the end of each month, a student from each class who has demonstrated either of the 2 LifeSkills for that month will be recognized. September students of the month will be recognized in October.

During the month of September, we will focus on the LifeSkills of **Perseverance** and **Integrity**.

- **Perseverance** is the ability to keep at a task, even when things get tough.
- **Integrity** is the ability to act according to a sense of what's right and wrong.

Thank you

Thank you to all the families who were able to join us for our Open House/Ice cream Social night. The staff of Liberty Elementary School feels the best way to educate a child is to work together with students and their families. Your participation is greatly needed and appreciated!

Any time you have a question, compliment or concern, please call your child's teacher or send an e-mail. Phone numbers for the LES office and staff e-mails can be found on the school website.

Make education a priority!

Good attendance, active participation, and completed work truly are life skills needed in every child's future! Have your child tell you something they learned at school each day! Make education a priority!
