January 17

Building STEAM Throughout the Day *Presented by Ron Mohl, Lakeshore Learning*

Early exploration is key to STEAM and building future success for children ages birth to five. Explore the basics of implementing STEAM, as well as how to integrate STEAM in your infant/toddler and preschool-aged classrooms. We will explore how to build STEAM throughout the day!

March 13 & May 15 (Parts 1 and 2)

Relationships and Regulation for Healthy Brain Development: Calming Strategies for Children and Adults *Presented by Diane Pike, St. Mary's Early Childhood Center*

This two-session workshop will detail the importance of quality relationships necessary for healthy brain development. Explore applied educational neuroscience, some basics of brain development, and the effects of chronic stress and trauma on the young and developing brain, as well as on the adult brain.

August 24

4th Annual Montgomery County Early Learning Expo *Masonic Cornerstone Event Center, 8:30-11:30 a.m.*

Vendor booths, guest speakers, breakfast and more!

November 6

Reading with Children *Presented by Rachel Giannini, Early Childhood Specialist & Advocate*

Explore the art of asking higher-order thinking questions in relation to literacy. Through a series of demonstrations, participants gain knowledge they can apply in the classroom the same day. This workshop focuses on fostering early literacy skills and developing a lifelong love of literacy.

Workshop Details:

Location: Hoosier Heartland State Bank Success Center
1623 US Hwy 231 S, Crawfordsville, IN

Time: 5:30-8:00 p.m.

All attendees will receive a complimentary dinner and classroom supplies!
