February 9, 2024

Dear ICHS parents and guardians;

Indian Creek High School will participate in the state-mandated SAT School Day on Wednesday, March 6th, 2024. All juniors are required by state law to take the SAT at their home school on this day to qualify for graduation. It is imperative that all Juniors attend school on that day to fill the requirements from the State of Indiana for graduation.

The majority of juniors will be finished with testing around lunchtime. At the end of testing, they will be allowed to go home to complete their elearning activities. If they wish to stay at school for the rest of the day, we will have a classroom for them to complete their work. Juniors with accommodations will be done a little after lunch. They too will be dismissed after testing.

All Freshmen, Sophomores, and Seniors will use the day as an elearning day. These students can stay at home and work on their Chromebooks like a typical elearning day. If parents wish for their 9th, 10th, or 12th graders to attend school on that day, we will have classrooms available for them to complete their work. We encourage any 12th graders to utilize this day for job shadowing or college visits to take full advantage of the flexibility of elearning. There will be no required C-9 on that day. Please contact Mr. Wallace with any questions.

Thank you,

Bill Wallace

Assistant Principal ICHS

878-2116
