To Whom it May Concern

I am writing to notify you of my intent to run for one of the at-large director positions with the Indiana Academy of Family Physicians.

I have been involved with the IAFP for nearly 20 years. My initial taste of Academy life was as Deeda Ferree's Education Intern at the old office south of 465. I "organized" the CME portion of the Summer Assembly in 2002 and 2003. I also worked with several Realtors to organize the search for our current office on the downtown circle. I have seen first hand how important the IAFP's voice is to the future of healthcare in Indiana. I look forward to serving the Academy.

Sincerely yours,
