LETTER FROM DU LEADERSHIP

Dear DU Brothers, Parents and Friends:

Undoubtedly, the most unique aspect of Delta Upsilon is our non-secret heritage. With that brings the unique opportunity to invite others to our Initiation Ceremony and have them share in our brotherhood. For so many, The Charge Address given during Rite II of Initiation is the piece of our Ritual that stands out most.

By definition, a “charge” entrusts someone with a duty or responsibility. A good Charge Address energizes and empowers those listening to uphold the values of our great Fraternity and help Delta Upsilon thrive. That charge can be directed toward the new initiates, those who have already taken our Oath of Initiation, parents, friends and other guests—because we all play a vital role in honoring and preserving our Fraternity.

Four years ago, Delta Upsilon began the planning stages for our Ignite The Charge Campaign—the DU Educational Foundation’s bold \$6 million capital campaign. At the time, the campaign didn’t have a name, but we knew it needed to focus on developing our brothers as leaders, assisting our chapters, and securing the longevity of Delta Upsilon. As we began speaking with alumni, it became clear that the driving force behind so many wanting to give their time and treasure was a deeply held responsibility to provide today’s young men with an even more impactful DU experience. Alumni clearly believe it is their charge to pay it forward for our future.

Our goal with this campaign is to **ignite** the passion each of us has for Delta Upsilon and to fulfill our **charge** to provide a lasting Delta Upsilon experience that truly benefits our brothers, alumni and volunteers. As you read through the pages of this annual report, you will read more about the Ignite The Charge Campaign and the initiatives it will advance: the Fraternity’s educational programs and the health of our chapters, among them. You will also hear about ways to support the Ignite The Charge Campaign and the DU Educational Foundation. Alumni donors will tell you about why they give. We hope what is happening in Delta Upsilon right now will ignite your passion to give back, as well.

A \$6 million campaign is a bold endeavor, but it is one we believe is attainable. Already, 179 individuals have acted upon our charge, bringing us to a total of \$5,363,748 raised (as of Oct. 1, 2023). To those brothers and friends, THANK YOU. Your generosity is helping Delta Upsilon fulfill our mission of *Building Better Men*. At this time next year, the Ignite The Charge Campaign will be complete, and we hope to fill the pages of this annual report with more names of those who have answered The Charge and solidified Delta Upsilon’s place as the premier organization for college men.

“Our past is secure ... Our future depends on our vigilance.”

ANNUAL FUNDRAISING AND GRANTS

In the 2022-2023 fiscal year, the DUEF had \$2,299,831 in fundraising and investment income and awarded \$611,891 in grants for scholarships, educational programs and housing projects. Although chapter restricted and endowment gifts limit the overall amount granted each year, the goal of the DUEF is to fund as much educational activity of the Fraternity allowable by law.

COST TO RAISE A DOLLAR - FUNDRAISING EFFICIENCY

An organization's cost to raise a dollar is best expressed through the Fundraising Efficiency Ratio. This ratio represents the percentage of each dollar received that is spent on fundraising expenses (fundraising expenses/annual support). The LOWER the Fundraising Efficiency Ratio, the better. The DUEF staff measures the results of each development strategy and strives to limit the amount of annual fundraising expenses.

MEMBERSHIP OUTCOMES ASSESSMENT

MAIN TAKEAWAYS

DU ranks higher than our peers on measures related to health and safety.

DU chapters are providing social experiences with lower alcohol consumption on average.

Member satisfaction is at its highest since the pandemic.

EDUCATIONAL PROGRAM PORTFOLIO

PRESIDENTS ACADEMY

The Presidents Academy accelerates the growth and learning of DU's undergraduate Chapter Presidents each year. Presidents from each chapter participate in an institute-style program with a curriculum that emphasizes the mission and Principles of DU as a foundation for life and effective chapter leadership. Experienced alumni and campus partners come to Camp Tecumseh in central Indiana to facilitate an intense curriculum for DU's top leaders.

REGIONAL LEADERSHIP ACADEMY

Regional Leadership Academies (RLAs) serve as a unique opportunity for chapter officers and advisors to learn about a wide range of topics affecting fraternity life today. Held in six regions across North America in February (new this year is a California RLA), participants explore their individual roles and responsibilities as defined by the Delta Upsilon Officer Core Competencies. RLAs provided chapter officers and advisors with the leadership skills needed to succeed as a part of a highly effective leadership team at the chapter level.

BUILDING BETTER MEN RETREATS

Building Better Men Retreats bring Delta Upsilon's award-winning curriculum to the local chapter level. Seasoned DU staff members and volunteers design and facilitate a customized retreat tailored to meet specific chapter needs. This includes defining effective brotherhood, identifying chapter priorities, and creating a plan of action for the year. Each member is given a voice in the future of the chapter through activities focused on problem solving, innovation, vision-setting and action planning.

EMERGING LEADERS EXPERIENCE

The Emerging Leaders Experience (DUEL) is a highly interactive program that encourages participants to develop a better understanding of their personal leadership by analyzing their talents through the StrengthsQuest Inventory. This program often includes a trip to the Fraternity's founding site at Williams College, which allows for in-depth Ritual education. Through discussions that clarify their personal values and talents, participants take ownership for creating the ideal Delta Upsilon experience. A second session of DUEL is now offered annually thanks to the generosity of Jim Graham, *Oregon State '65*, and his Ignite The Charge Campaign commitment.

GLOBAL SERVICE INITIATIVE

The Global Service Initiative (GSI) is the Fraternity's international philanthropy and service program. GSI began in 2011 as a service immersion trip to Jamaica where participants engaged in direct, hands-on service building a school. Today GSI has expanded to include regional experiences where participants engage in service projects that meet local needs. Every GSI experience puts DU's values into action and prepares our undergraduate brothers to become true global citizens.

LEADERSHIP INSTITUTE

The Leadership Institute (LI) is DU's annual leadership conference and convention where participants attend defined breakout tracks focusing on leadership development and chapter operations. During LI, students meet in the Undergraduate Convention to discuss Fraternity legislation, network with distinguished alumni, and celebrate the work of DU's top chapters and individuals at the closing Grand Banquet.

GLOBAL SERVICE INITIATIVE RESUMES

The Global Service Initiative (GSI) serves a dual role for Delta Upsilon: our international philanthropy and an international service project.

DU believes in creating a fraternity for the modern college student. This includes preparing them for success in an ever-changing and growing global environment by developing global awareness and cultural competencies. Recent studies indicate that employers seek people who have experience with cultural diversity in America and other countries. GSI allows our members to gain that experience while serving others. And after all, The Diffusion of Liberal Culture is one of our Four Founding Principles.

The international trips were able to resume in spring 2023 with 17 students visiting Negril, Jamaica. Regional GSI trips among chapters in a particular region will also continue into the future, bringing service, philanthropy and our Four Founding Principles together as one. In 2022-2023, we held regional GSI trips in Orlando, Kansas City and Indianapolis, which brought brothers from area chapters side by side in their communities.

"I grew to understand that service is not only a way to benefit a community in need, but also to develop immensely powerful character traits and a renewed passion for the things that matter most in life."

Will Drury, *Cal Poly '22*

NEW DU PORTAL BRINGS VIRTUAL PROGRAMS TO BROTHERS

The DU Portal was rolled out in fall 2023 and will simplify everything from reporting new associate members to ordering new badges. In addition, leading programming on sexual assault prevention, mental health awareness, and alcohol and substance abuse will be provided thanks to DU's partnership with Plaid and its DU Portal integration. Members will be able to access these virtual trainings via their DU Portal login.

For alumni, the DU Portal provides an opportunity to give updates on contact information, communications preferences, and more. In the future, DU aims to provide a Brother Search function, as well as additional alumni tools. All DU members with an email on file with the Fraternity should have received an invitation to utilize the DU Portal at the time of this publication. If you did not, you can claim your account by visiting portal.deltatau.org, clicking "Sign Up" and following the prompts.

OTHER PROGRAMS SUPPORTED BY THE DUEF ANNUALLY

TUITION SCHOLARSHIPS

Delta Upsilon's tuition scholarship program provides merit-based scholarships of \$1,000 to members seeking undergraduate or graduate degrees. These scholarships are made possible each year thanks to the McQuaid Scholarship Fund, which honors James D. McQuaid, *Chicago '60*, for his service as a six-year president of the International Fraternity and a longtime advisor of the Chicago Chapter. The application for McQuaid Scholarships is available online in the spring and is due June 1. Scholarship winners are notified each summer and recognized on stage at the Leadership Institute.

OUR WAYS TO GIVE

WAYS TO GIVE

ONLINE

Giving online at deltau.org/give is the quickest way to support Delta Upsilon and put your generosity to work *Building Better Men*. Online you can make a one-time gift or set up a recurring gift (monthly, quarterly or yearly). The DUEF accept all major credit and debit cards, and you can also give online through PayPal or Venmo.

IN THE MAIL

You can mail a check directly to the Delta Upsilon Educational Foundation at 8705 Founders Road, Indianapolis, IN 46268. Your gift will impact thousands of undergraduate Delta Upsilon experiences through our Annual Loyalty Fund. Indicate in the memo line if you'd prefer to have your gift allocated differently.

MATCHING GIFTS

Companies of all sizes match employer donations, however, 78% of match eligible donors have no idea whether their company offers a matching gift program. Does your company match employer gifts? Go to deltau.org/matching-gifts to search for your employer and have the opportunity to make a larger impact.

STOCK GIFTS

Because the DUEF is a 501(c)(3) charitable organization, gifts of appreciated stock avoid capital gains tax and will provide you with a tax deduction for the full fair-market-value at the time of your gift. Please work with your broker to initiate a charitable stock transfer directly to the DUEF, and notify our Executive Director Justin Kirk at (317) 875-8900 or kirk@deltau.org. Information your broker will need to process the gift is: Delta Upsilon Educational Foundation, A/C # 1051-8517, Charles Schwab & Co. Inc., DTC Clearing 0164 Code 40.

CHARITABLE IRA GIFTS

If you have an Individual Retirement Account (IRA) and are age 72 or older, a gift to the DUEF from your IRA is considered a Qualified Charitable Distribution (QCD). The QCD can be counted toward satisfying your Required Minimum Distribution (RMD) for the year, and the QCD is excluded from your taxable income, which may keep you in a lower tax bracket. To fully qualify for these benefits, gifts from your IRA must be transferred directly to the DUEF. This is usually accomplished by requesting your IRA custodian issue a check from your IRA made payable to the Delta Upsilon Educational Foundation; 8705 Founders Road, Indianapolis, IN 46268; Tax ID #: 35-1976226

DONOR ADVISED FUNDS

The DUEF gladly accepts gifts from Donor Advised Funds (DAF) or Family Foundations, which are an excellent way to both simplify your charitable giving and facilitate your strategic philanthropic goals. Although the tax benefit is provided to you by the sponsoring organization, the DUEF still gives you full recognition for a gift from your DAF or Family Foundation. Learn more and make your gift online at deltau.org/donor-advised-funds.

HONORARY AND MEMORIAL GIFTS

A gift in memory or in honor of a brother or loved one is a remarkable way to leave a legacy for future generations, and gifts of \$200 or more to the Annual Loyalty Fund will secure a brick in the Founders Memorial Courtyard at the Fraternity Headquarters. You can also establish a Named Endowment Fund with a gift of \$25,000 or more to provide ongoing program scholarships in perpetuity. Contact a member of the DUEF staff or visit deltau.org to explore different ways to make an honorary or memorial gift.

OAK CIRCLE

Each year, DU undergraduates are encouraged to give back through the Oak Circle—the Foundation's undergraduate giving club. Hundreds of undergraduates join the Oak Circle each year with a gift of \$18.34 or more to the Oak Circle endowment, and the dollars raised are directly used to provide educational program scholarships to undergraduates. Undergraduates can give directly to Oak Circle at deltau.org/oak-circle.

NAMED ENDOWMENT FUNDS

Named endowment funds ensure a donor's giving makes an impact forever. A minimum pledge of \$25,000 is required to establish a named endowment fund, and the funds are subject to a 4% annual spend rate (based on the prior 12-quarter fund average). Alumni chapters can also establish a Chapter Education or Housing Account (CEA/CHA), which are not subject to the 4% spending policy and provide grants to chapters for educational needs.

My wife and I have joined the Heritage Circle because of DU's positive influence on our lives. We applaud DU's forward-thinking leadership development programs and are honored to establish an educational program fund for the Florida Chapter with our future estate gift. Developing young leaders and giving them the opportunity to practice the elements of civic leadership in collegiate fraternal organizations is essential.

JOHN A. DELANEY, *FLORIDA '77*

\$50,000 Estate Gift

After recently establishing an endowment fund of \$50,000 to advance DU's *Building Better Men* mission, Brother Delaney decided to increase his overall commitment to the Ignite The Charge Campaign with an additional \$50,000 unrestricted estate gift.

MICHAEL O. JOHNSON, *ARKANSAS '90*

\$10,000 Estate Gift

Brother Johnson is a loyal donor to the Annual Loyalty Fund, and he recently committed to a \$10,000 estate gift. His support will be used to advance DU's educational programs and other award-winning *Building Better Men* initiatives.

WALTER T. OLIFF, *CENTRAL FLORIDA '17*

\$100,000 Estate Gift

With a documented estate gift of \$100,000, Brother Oliff's example shows that it is never too early to solidify one's estate plans. His commitment—along with a \$5,000 cash gift—will advance the Fraternity's educational programs for future DUs.

TERRY J. LABRUE, *FRESNO STATE '72*

Estate Gift

Brother LaBrue has been a loyal donor to the Annual Loyalty Fund nearly every year since 1984. He has now solidified his future impact on Delta Upsilon with a substantial estate gift to be used to advance the Fraternity's *Building Better Men* initiatives.

T. MICHAEL KNIES, *TENNESSEE '71*

\$100,000 Estate Gift

Brother Knies has named DU as a beneficiary of his IRA, which will result in an estate gift of \$100,000 for the Ignite The Charge Campaign. Beginning with his first cash gift of \$50 in 1982, Brother Knies will build better men forever thanks to his estate gift.

STEPHEN R. BLOZIS, *OHIO STATE '80*

\$54,000 Estate Gift

A lifelong supporter of the Annual Loyalty Fund, Brother Blozis will now leave a legacy for future generations of DUs with a \$54,000 estate gift. His commitment will be used to provide more undergraduates with award-winning educational programming.

NEW LESTER COX BENEFACTOR

Lester Cox Benefactors are deceased alumni whose realized estate gifts are used to advance the Fraternity's educational mission. This prestigious society is named in memory of Lester E. Cox, *Pennsylvania 1898*, who provided a transformational bequest to Delta Upsilon in 1971. His estate gift led to the construction of the International Fraternity Headquarters in Indianapolis where a plaque memorializes all Lester Cox Benefactors. Alumni who provide lasting generosity with estate gifts are truly *Building Better Men* forever.

DR. ALLAN M. LANSING, WESTERN ONTARIO '53 \$50,000 Estate Gift

Brother Allan Lansing passed away on July 17, 2022, leaving behind a notable legacy thanks to his life, personal character, and accomplishments as a pioneering cardiac surgeon. A 2009 Founder's Medal recipient, Brother Lansing served on the DUEF Board of Trustees from 2002-2007 and continued to give his time and treasure to his beloved Fraternity. Thanks to his unrestricted estate gift, Brother Lansing will continue *Building Better Men* for generations to come, and his gift is a testament to his love of Western Ontario and his adopted Louisville Chapter.

IGNITE THE CHARGE
THE CAMPAIGN FOR DU'S FUTURE

In August 2022, the Delta Upsilon Educational Foundation publicly launched the \$6 million Ignite The Charge Campaign, which wasted little time bringing together more and more alumni to support the undergraduates, chapters and volunteers charged with carrying the torch for DU's future. Although the pages that follow highlight the campaign's purpose, impact and new donors over the past year, thousands more alumni will be contacted in the next 10 months with the hope of surpassing the campaign goal and claiming victory for the largest fundraising initiative in DU history.

IGNITING THE CHARGE OF INDIVIDUAL DEVELOPMENT (\$2.4 MILLION)

Individual growth and development is what undergraduates consistently sight as a major benefit of the DU experience, and the Ignite The Charge Campaign seeks to eliminate the 62% of educational programming costs that currently rest on the backs of our undergraduates, chapters and local alumni. Eliminating this financial burden will ensure every undergraduate seeking leadership and personal development will be able to attend DU's award-winning programs.

IGNITING THE CHARGE OF CHAPTER ENHANCEMENT (\$2.3 MILLION)

It is clear DU educational programs and initiatives—including those offered regionally and at the local chapter level—make our chapters better. The most consistently successful DU chapters send 30+ students to programs annually, and they utilize all *Building Better Men* resources. However, as a collective Fraternity, DU chapters are only sending an average of 12 men to programs each year. A thriving Delta Upsilon begins with bringing more programs and initiatives to students and volunteers at the local level.

Today's students are hungry for a collegiate experience that affords them authentic friendships and opportunities for growth—things rarely found in the typical classroom. IGNITE THE CHARGE

HISTORIC CHALLENGE GIFT

Delta Upsilon has been given an opportunity of historic proportion after one of the Fraternity’s most loyal donors became inspired by the Ignite The Charge Campaign. This loyal donor (who wishes to remain anonymous) is offering a **\$300,000 Challenge Gift** this academic year to any donor who will pledge their support for the campaign with a commitment to the Annual Loyalty Fund (ALF).

The ALF is the Educational Foundation’s most important funding source because it brings to life all of the *Building Better Men* programs and initiatives supporting our undergraduates. Any donor who makes a one-time gift to the Annual Loyalty Fund by Aug. 1, 2024, will see the gift matched dollar-for-dollar. More importantly, any donor who makes a five-year pledge to the Annual Loyalty Fund will have their entire pledge amount matched three to one! Gifts and pledges to the Annual Loyalty Fund this academic year are part of the Ignite The Charge Campaign and will move DU closer to surpassing the \$6 million goal by Aug.1, 2024. Our anonymous donor hopes his challenge gift will inspire more DUs and friends to provide ongoing support for the Annual Loyalty Fund.

IGNITING THE CHARGE FOR CHAPTER LEGACY PLAN ENDOWMENTS

A thriving Delta Upsilon starts with strong and sustainable local chapters. Although DUs everywhere endorse the *Building Better Men* mission of the Fraternity, it comes as no surprise that many alumni are most passionate about supporting the needs of their local chapter. In the final year of the Ignite The Charge Campaign, there is a unique opportunity for alumni to give gifts to the campaign that directly fund local educational programming needs through a Chapter Legacy Plan (CLP). CLPs are endowment funds that provide educational programming scholarships to specific DU chapters, and alumni from the DU chapters below are encouraged to support the Ignite The Charge Campaign with a gift to their Chapter Legacy Plan before Aug. 1, 2024.

I look back fondly on my years at the University of Arkansas mostly because of the brothers of Delta Upsilon. The RLS (now RLA) sessions and General Conference (LI) were valuable training sessions for me as a chapter officer. I have included the DUEF in my will to help fund programs for my future brothers as they grow as leaders on campus and after graduation with our Four Founding Principles as their building blocks for success.

I had the opportunity to attend the Leadership Institute as an undergrad, and it really provides an opportunity to experience the breadth of the Fraternity. You learn how amazing the connection of Delta Upsilon can be across the country and across generations. I donated to ensure future undergrads can have a similar experience.

My undergraduate years as a DU were a great experience. My brothers were from all over the U.S. and shared ideas and experiences that truly broadened my perspective and changed the direction of my life. We formed lifelong friendships and still gather every five years to renew those bonds. I want other young men to have the opportunity to experience the same personal growth. What you learn in the classroom is only half of the university experience; the lasting half is the friends you make.

My experience as an undergraduate member of Delta Upsilon was fantastic. In addition to fun and friendships, there was so much learning—from mistakes, failures and some success—that has benefited me throughout my life and career. This experience inspired me to take part in the Ignite The Charge Campaign by making a substantial contribution to the Nebraska Chapter Legacy Plan/President's Fund, which will directly serve the Nebraska Chapter for years to come.

The leadership experience I gained as a DU at San Diego State has served me well throughout my life, and my term as Chapter President was particularly impactful. When I was presented with the opportunity to create the Howard Family Presidents Academy Fund, I was pleased to do my part. This funds the annual attendance of the San Diego State President to the DU Presidents Academy in perpetuity as part of the Ignite The Charge Campaign. The education and leadership training our Fraternity offers our undergraduate brothers is critical to individual development and chapter success.

 R. Thompson, '67 ●

My days in Ann Arbor attending the University of Michigan were great mainly because of my brothers at Delta Upsilon. It was there that I bonded with guys who would be lifelong friends. Also while I was there, I had brothers who provided educational support (Engineering School was tough!), team sports, and social functions that I still smile about today. I recently attended a DU function in Seattle. There was one other Michigan DU, but the majority were from West Coast schools. Still, there were lots of similar stories and laughter. DU is truly a nationwide organization.

LIFETIME GIVING

The Foundation is forever grateful for the DUs, parents and friends who provide gifts of time and treasure throughout their lives. The more lifelong donors committed to investing in our *Building Better Men* mission, the greater our Fraternity and our world will be. The donors recognized in this list are also on permanent display on the Lifetime Giving Wall at the Fraternity's International Headquarters. This display commemorates the cumulative impact of our most loyal and generous donors and reminds future generations of the brothers who came before them.

CHAPTER SCORECARDS

At the end of each academic year, each DU chapter receives a scorecard of its vital statistics in relation to the Fraternity's Men of Merit Chapter Standards Program. The scorecards on the pages that follow highlight the information shared. Chapters are encouraged to use these scorecards and the Men of Merit Chapter Standards to set goals for the coming year and ensure that they are operationally sound.

CLARKSON CHAPTER

After a year of limited operations due to campus restrictions, the Clarkson Chapter made a marked turnaround during the 2022-2023 year, committing itself to DU's benchmarks for success. Its efforts paid off, as the chapter was not only named Delta Upsilon's 2023 **Most Improved Chapter**, it was named a **Sweepstakes Finalist** and took home the **Campus & Community Impact Award** at the 2023 Leadership Institute. Chapter President Jack Baummer, *Clarkson '24*, was also presented with **The President's Award: Chapter President of the Year**.

FLORIDA CHAPTER ▶

The Florida Chapter was named a **Sweepstakes Finalist** for the first time since 2011. An increased focus on chapter operations the past few years has propelled the chapter to success.

FINALISTS

Uche Ukaobasi, *Western Illinois '22*

Two deserving DU brothers were recognized with the 2023 Distinguished Undergraduate Award during this summer's Leadership Institute.

Koosha Jamali, *Arlington '23*, (pictured on the right) graduated from The University of Texas at Arlington in May 2023 with a degree in Construction Management and a perfect 4.0 grade point average. On campus, Koosha served as President of the Construction Management Club and the United Nations Association. Within Delta Upsilon, he held the roles of VP Finance, VP External Relations and Chapter President.

An Iranian immigrant who became a U.S. citizen in 2023, Koosha was drawn to Delta Upsilon's Principle of The Advancement of Justice and is now in his first year at the University of Houston Law Center.

"I connect with this Principle because I believe no community could ever enjoy freedom when the pursuit of justice is absent," Koosha said.

Parker Vulgamore, *Kansas State '23*, (pictured on the left) graduated from Kansas State University in May 2023 where

he majored in Agricultural Economics and Pre-Law. At K-State, Parker served as Student Body President, a College of Agriculture Caucus Leader, Blue Key Honorary Society member, a member of the K-State Flying Club and more. He also served Delta Upsilon as his chapter's VP of Alumni Relations and Chapter President, as well as an Undergraduate Director on the International Fraternity Board of Directors.

As a fifth generation farmer and rancher, Parker is currently working toward a master's degree in Agricultural Economics at K-State.

"The best advice I could give undergraduates is pretty simple," Parker said. "Just be kind. I'm reminded of the Maya Angelou quote that says, 'people will forget what you said, people will forget what you did, but people will never forget how you made them feel.' And I think in many ways this calls out the legacy that we all leave behind on our brothers in the chapter house."

PRESIDENT'S AWARD: CHAPTER PRESIDENT OF THE YEAR

JACK BAUMMER, CLARKSON '24

When Jack Baummer, *Clarkson '24*, joined Delta Upsilon, the experience he imagined is not quite how it turned out to be. Soon after joining, Jack's chapter was placed on suspension by the university, leaving it virtually non-operational for a full year. Today, thanks to Jack's guidance, the Clarkson Chapter is running on all cylinders and was named DU's 2023 Most Improved Chapter and a Sweepstakes Finalist. And for his leadership, Jack was honored with The President's Award: Chapter President of the Year.

In Jack's words, the chapter was focused on "coming back the right way" and prioritized teamwork and using the Fraternity's Men of Merit Chapter Standards Program and Chapter Excellence Plan as its guide. In just one year, the chapter doubled its membership size and become one of the top chapters in DU.

"For my chapter, being a successful Chapter President meant listening to the brotherhood and establishing a team mentality to all fraternal operations," Jack said. "It was important to work collaboratively so that together we could foster a new productive culture within the house."

Jack's advice to other Chapter Presidents is to be introspective, trust your gut, be willing to make tough decisions, and remain humble.

"Never forget the driving force of your fraternity; the one thing that unites the men around you," Jack said. "Brotherhood, more than anything, is what makes fraternal excellence. A good brotherhood will be fun, yet hold itself accountable, it will develop new leaders when one retires, it will shape the reputation of your house, and give charm to the organization you care so deeply about. Prioritize it."
