THRESHOLD ISSUES	YES	NO	FUNDING SOURCES (CONTINUED)
s the expense urgent and necessary?			Do you have a HELOC?
s the expense of a recurring (seasonal, annual, etc.) nature?			Do you have a taxable investment account? If so, consider
you need to confirm how much time you have to fund expense?			 the following: If you need to sell investments to raise cash, consider the tax impact and harvest gains and losses strategically.
you need to explore whether key factors are flexible? b, consider the following: egotiate terms when possible.			 If you are able to borrow against your investments, this could help smooth any tax burden across tax years and it would avour underwriting.
ook to adjust your timeline for making payment(s), if possible, to accommodate your circumstances. f there are more affordable alternatives, weigh the costs and benefits.			 Do you have a Roth IRA? If so, consider the following: Contributions can be withdrawn at any time, tax and penalty- Withdrawn earnings may be subject to income tax and possib penalty. See the flowchart "Will A Distribution From My Roth II
s the expense attributable to a third party? If so, consider <i>h</i> ether you have grounds for recovery or legal action.			 Be Tax And Penalty-Free?" Be mindful of the impact on your long-term financial plan.
JNDING SOURCES	YES	NO	Do you have an inherited IRA? If so, withdrawals will be subjective income tax (unless the account is a Roth), but there is no penalt
is the funding need short-term (e.g., you expect that a future iquidity event will eventually cover the expense)? If so, consider the following:			Do you have a retirement account with your employer, and does the plan allow loans, have emergency withdrawal provisions, or have a retirement-linked emergency savings account?
Explore temporary financing options that will bridge the time gap			Do you have a traditional retirement account? If so, conside
time gap. If you have an IRA, you could take advantage of the 60-day rollover rule to cover the expense and repay the full amount to your account (subject to the one rollover per 12 months rule).			 the following: Withdrawals from your IRA, 401(k), 403(b), etc. (if permitted) we be subject to income tax and may incur a 10% penalty if you a under age 59.5, except in limited circumstances.
Could the expense be covered by insurance (in whole or n part)? If so, contact your insurance company to determine the steps and documentation needed to pursue your claim.			Review whether the expense qualifies for a penalty exception (e.g., first-time homebuyer, qualified education expenses, unreimbursed medical expenses, qualified birth or adoption
 Do you have liquid assets (cash or cash equivalents) to fund the expense? If so, consider the following: If you are tapping your emergency fund, create a plan to replace withdrawn cash. If you are using cash earmarked for other goals, adjust your 			 expenses, etc.). Do you need to explore borrowing to cover the expense instead of spending your own funds? If so, consider the follow Weigh the tradeoffs and compare the interest cost of borrowing to the opportunity cost of spending rather than investing you
savings strategy to divert dollars back to those goals. (continue on next column)			 assets. Explore any financing options through the vendor/service provider, if applicable. (continue on next page)

2025 · WHAT ISSUES SHOULD I CONSIDER WHEN FUNDING AN UNEXPECTED EXPENSE?

FUNDING SOURCES (CONTINUED)	YES	NO	TAX ISSUES (CONTINUED)		
• For short-term needs, consider using a credit card with a 0% intro APR (or other favorable offer to avoid the high interest rates typically charged by credit card companies) to pay for the full expense, allowing you time to pay off the balance over the			Will you withdraw funds from a tax-preferred account (e.g., 529 plan or HSA)? If so, consider the tax impact and any potential penalties, keep proper records, and report withdrawals, if necessary.		[
 favorable interest rate period. Do you have a family member who is willing to provide assistance? If so, consider an intrafamilial loan. This can be structured to permit a low rate (tied to the AFR) and payments can be forgiven gift tax-free up to the annual exclusion amount. 			Will you need to raise cash from your taxable investment account(s)? If so, consider the capital gains consequences. Choose securities and lots that tie with your gain and loss harvesting goals, as well as your investment goals.		
			Will you borrow to fund the expense? If so, consider whether any interest payments will be tax-deductible.		[
CASH FLOW ISSUES	YES	NO	Do you need to determine whether the expense is tax-deductible (in whole or in part)?		[
> Do you need to assess how this expense will impact your regular budget this year? If so, consider the following:			Is this a home improvement expense? If so, keep proper records to document any increase in your cost basis.		
 Reassess discretionary spending and eliminate unnecessary costs in order to free up funds and/or redirect savings. Adjust the timing/amount of other discretionary expenses. 			> Will your future tax bills (real estate, auto, etc.) increase as a result of this expense?		
Are there future carrying costs associated with this expense?			If you can control the timing of the expense, does it make sense to delay into the next tax year, or to spread across		
• If you incurred debt to cover the expense up front, do you need a debt reduction/consolidation plan? If so, treat repayments as a fixed expense in your future budget.			multiple tax years? > Does your method of funding the expense push your income		
			above certain limits that expose you to various additional taxes and surcharges (e.g., NIIT exposure, IRMAA surcharges)?		
			MISCELLANEOUS ISSUES	YES	N
TAX ISSUES	YES	NO	After making this expenditure, will you need to update any existing or add any new insurance coverage?		1
Is the expense an unexpected tax bill? If so, adjust your tax planning to avoid large payments and penalties in April, spreading withholdings and/or estimated payments throughout the year. (continue on next column)			 Will you need to consider your debt relief options (e.g., debt management, settlement, bankruptcy)? 		
			Do you need to consider any collateral effects the expense may have on your financial health (e.g., credit score, premium rates)?
