Re: Pauly Jail Building Co.
Letter of Recommendation

To Whom It May Concern:

Bell & Associates Construction, L.P. wishes to express appreciation of the valuable partnership and results-oriented performance your company and its representatives provided on the Criminal Justice Center Project in Nashville, TN (Bell Project No. 216231) in 2018.

It is our pleasure to offer this letter of recommendation of Pauly Jail Building Company and your field superintendent, Phillip Stephens.

Our partnership with Pauly Jail has been of great benefit to us in helping to make CJC a successful project. Your exemplary workmanship has allowed Bell to showcase prefabricated cells in a well-organized layout and display your efficient installation to our own potential clients, giving us broader exposure for upcoming projects in field of criminal justice construction.

We welcome the opportunity to speak favorably of Pauly Jail in relation to the CJC project, and we look forward to a longstanding, productive partnership on many more successful projects in the future with Pauly Jail Building Company.

Sincerely,

Bell & Associates Construction, L.P.
