

GLATA Influential Individuals Project

Featuring: Patrick Ohaver ATC

Highlights:

- Exercises Science Major and Sports Medicine Minor from Northern Illinois University
- Master's Degree in Teaching secondary health and PE from Centenary College of Louisiana
- Current Athletic Trainer at Highland High School in Highland, IN
- Also works at the Concussion Clinic of Munster
- GLATA History and Archives Coordinator
- Athletic Trainer Supervisor for Community Health Care Network

His Impact on the Athletic Training Profession:

Mr. Ohaver is a fantastically humble man who helps to expose young professionals to the association to better both the association and the young professionals alike. He works hard as a Young Professional Mentee to help open doors. He is currently in the process of beginning a mentor program at work. Thank you Mr. Ohaver for everything!
