

better together

Take a moment to begin your group with the following conversation starters.

- Would you rather always be 10 minutes late or always be 20 minutes early?
- Would you rather have all traffic lights you approach be green or never have to stand in line again?

in process

- Share one thing that stood out from your devotional time this week.

always learning

Read Proverbs 9:1-10 aloud together. Then, take a moment to pray before your discussion time.

- How does fear of the Lord tie into seeking wisdom?
- According to this passage, what are the differences between a wise man and a mocker?
- How does verse 10 demonstrate that faith and reason must co-exist?
- How would you explain verse 10 to someone who isn't following Jesus?

practice

- Do you think we should seek wisdom for our own benefit? Why or why not?
- What does the phrase 'fear of God' mean to you? How is it encouraging?
- How do you usually respond to correction?
- In what ways do you think wisdom and understanding are connected to our relationship with Jesus?
- This week's message mentioned three important practical actions: submit, adjust, and obey. Which of those three is toughest for you? How have you seen Jesus show up when you put one of those into practice?

closing and prayer

Leaders, please close your group with a time of prayer. Ask God to give us wisdom and understanding as a church when it comes to moving forward in our vision of Go. Love. One More during this pandemic!
