

IdentaBrew® EQUIPMENT MERCHANDISING

Before IdentaBrew

FEATURES AND BENEFITS:

- ENGINEERED TO FIT TO YOUR EQUIPMENT
- EXCELLENT POINT-OF-SALE BRANDING
- EASY TO APPLY
- DURABLE AND RESISTANT TO MOISTURE, TEARING AND CRACKING

For branding programs that require a head-to-toe solution, IdentaBrew has developed after-market solutions for many of today's most popular Coffee and Tea brewing equipment. Merchandising kits can incorporate nearly any surface: front and side panels, backsplashes, switch plates, brew funnels, grinders and hoppers.

For the growing demand in cold specialty drinks, IdentaBrew has engineered merchandising packages to fit most frozen beverage equipment in the market today.

No time to design? No problem. Trust IdentaBrew's design services to fully incorporate your branding – and bring your beverage equipment to life.
