For 14 Club, 15 Club and 16 Club, we have had to split those divisions into two groups within each age level; a Red group and a Blue group. Each group winner is still eligible to win a free entry to AAU Nationals. We have provided an additional document which outlines which teams in U14 and U16 are in each group so that teams can confirm hotel rooms. For U14 Blue, we had to split this group across AM and PM wave and will work to schedule this group first and release the schedule as early as possible to help with hotel reservations. All U14 Blue group teams will play on Saturday at Okemos High.

We have not listed the teams in each group in 15 Club as they are all playing in the AM wave at either Aim High or Summit, which are located next to each other.

For 18 Club, this division is split between the AM and PM wave, but all matches on Saturday will be in Wixom. We will work to schedule this division first and release the schedule as early as possible to help with hotel reservations.
