## September 2019

Greetings ICIS School Family! August has been a busy month of school with many exciting events to jump start the 2019-2020 school year! Thank you for all of your hard work to establish routines at home to support continued learning throughout the school year!

With five years under our belt with 1:1 Chromebooks, ICIS students continue to sharpen their technology skills. Students and staff will practice eLearning together during first semester to maximize all instructional time and opportunities for continued learning. Another returning focus with technology will be the Digital Citizenship curriculum during the month of September. Our students are always encouraged to stop and THINK with five powerful questions before posting in the digital world.

- ... Is it true? ... Is it helpful? ... Is it inspiring?
- ... Is it necessary? ... Is it kind?

Online shopping for the ICIS Book Fair takes place September 1st-14th for family and friends of ICIS students. If you prefer to shop online, please use the link below to access the ICIS page:

We would like to thank our entire ICIS school family for your flexibility and patience in learning the routines for traffic patterns at school! Safety for everyone is our number one priority. Remember to use turn signals to communicate with other drivers and/or school staff, slow down to appropriate speeds around the schools, and always watch for students getting in and out of cars. In the car rider lines, please pull up as much as possible to help us keep the main road clear of cars waiting to turn in and pick-up. Also, please do not block the intersection for ICES traffic.

The month of September brings the beginning of numerous extra-curricular activities for our students. Please see the September calendar for specific dates and times. We also look forward to celebrating grandparents with our ICIS students on September 9th from 4:30-6:30 p.m.

Wishing you well ~ Andrea L. Perry, Principal [aperry@nhj.k12.in.us](mailto:aperry@nhj.k12.in.us)
