Dear Indiana Academy of Family Physicians Nominating Committee and Congress of Delegates,

I am interested in serving on the IAFP Board of Directors (BOD) for the term 2022-2025. I have experience serving on the IAFP BOD in various capacities, including as IAFP president in 1997-98. I am committed to improving healthcare and health outcomes in Indiana and believe that a robust family physician workforce which is well trained, resourced, and supported is the most effective strategy to achieve these objectives.

I will serve with dedication and energy, always focused on serving our patients and communities through the promotion and support of family medicine and family physicians.

I have attached my CV and am happy to answer any questions related to my various leadership experiences.

Thanks for considering my candidacy for the IAFP BOD.

Sincerely,
