

INDIAN CREEK HIGH SCHOOL TRAVEL RELEASE

This certifies that the following student has been released from school transportation and that the guardian of this student has made alternate travel arrangements. There must be a sufficient reason for a student to have permission to not ride the school bus and must be approved by administration.

I understand that Indian Creek High School Policy requires that students ride buses to and from events and a departure from this requirement will release the Nineveh Hensley Jackson United School Corporation, its employees and officers from all liability with reference to the stated alternate transportation.

This form must be on file in the Principal's office or Athletic office prior to the dismissal of school on the day of the event.
