

PRESCHOOL 2020-2021 INFORMATION

INFO & FAQ Fact Sheet

Union County College Corner Joint School District will be offering preschool for our families for the 2020-2021 school year. The following information and FAQ are set to give you guidelines, but may not answer all your questions. Feel free to email any of the following school administrators with your questions: aron.borowiak@uc.k12.in.us; kathy.sourbeer@uc.k12.in.us; andy.brown@uc.k12.in.us. We will add your questions to our list in order to help answer everyone's questions.

FAQ Frequently Asked Questions

How do I register?
Due to the COVID-19 circumstances, we have moved registration to an online portal. All you need to do is to complete the online form by clicking here . We will ask for any required documentation once we are back in the offices.
How will I know if my child has a spot? Will there be an opening for my child?
You will be notified by email that your child has been secured a spot. Upon notification, you will be asked for a \$50 registration fee.
Does my child need to be potty trained?
Yes. We are asking that your child be potty trained before starting preschool in August.
Will the special education preschool at College Corner still be in place?
Yes. The two new preschools opening are for 4-year-old students only and are open for any student. We will continue to run and operate the special education preschool at College Corner for both 3-year-olds and 4-year-olds as we have in the past.
Will my child get food during the day?
Yes. We will be providing food at both preschools. The full-day preschool at Liberty will serve lunch and snacks and possibly breakfast. The half-day a.m. preschool will serve breakfast and a possible snack while the half-day p.m. preschool will serve lunch and a possible snack.
What if I can't pick my child up at the end time?
As of now, we are not providing care beyond the times of the school day. As we know that this may be a need for some families, we are working with local agencies to see if they can possibly provide childcare after school ends for families that cannot pick up their child until a later time.
What if my child is enrolled in the special education preschool at College Corner, do I need to register?
If your child is already attending or, according to his or her IEP, will be attending the College Corner Special Education preschool, then you do not need to register for these preschools. You will register at College Corner Union Elementary School through a separate process.
What if we can't afford the payment costs?
We want to work with any family to be able to provide preschool for our families. Our goal is to become an On My Way Pre-K provider which would enable families to qualify for state-funded vouchers. Unfortunately, we will not be able to qualify to be an On My Way Pre-K provider until we have been in operation for one year. For now, please contact Jennifer Blakley at jennifer.blakley@uc.k12.in.us to discuss funding options.
Why is the school only available for 4-year-olds?

Our goal is to become a Paths to Quality school that can provide On My Way Pre-K voucher options for our families. To achieve this and to meet the qualifications of our FSSA grant, we are required to only serve 4-year-old students. In the future, as needs and opportunities arise, we may consider expanding the age of our program.

Do I have to live in Union County?

You are not required to live in Union County - anyone can apply. However, we do have a seating capacity in our rooms and reserve the right to reserve the spots for immediate family members of our staff and Union County residents until the registration deadline. If at the time of the deadline there are spots available, you will have the right to the open spots.

Will there be a discount for UCCCJSD employees?

Yes. UCCCJSD families who work at the school and are enrolling family members who live in the household will receive a 25% discount on the tuition cost.
