

HONOR ROLL

RECOGNIZING ALL DONORS IN FISCAL YEAR 2020

The Honor Roll recognizes all donors to the Educational Foundation from July 1, 2019, to June 30, 2020. Regardless of the size of each gift, contributions to the DUEF make a remarkable impact on the experiences of DU undergraduates. Donors in the Honor Roll are recognized for their Annual Giving Clubs, Lifetime Giving Circles and Consecutive Giving of 10 years or more. Thank you to the 1,654 alumni, undergraduates, parents and friends who invested in the educational programs and local chapter resources that are truly *Building Better Men*.

“ I give back to the Fraternity because DU provided me with immense opportunities to learn to lead. DU offered me an example of how people of all backgrounds are welcome without judgment, and I want the undergraduates of today to have that same comforting experience. ”

- B. Chris Brewster, Colorado '89

My most lasting relationships were started in the DU chapter at CMU, and 8-10 of us (including spouses) get together regularly to share what's happening in our lives. DU has positively shaped many lives, including my own, and I give back to the Foundation to provide the same opportunity for the next crop of young people.

“ We can do much more together than separately, and I’ve supported the DU Educational Foundation for 43 consecutive years to ensure the benefits I’ve received from the Fraternity are shared with others. Our Four Founding Principles are needed in today’s society more now than ever, and I am often inspired when I see DU brothers putting the Principles into action for the betterment of our world. ”

I recognize that my education is a great privilege, one that many people in the world do not have access to. Thus, I don't take anything about my college experience (including my degree and my fraternity) for granted. I truly push myself to take advantage of the opportunities in front of me by volunteering and being involved around campus, a leader in DU, and a scholar in the classroom by holding myself to a high academic standard.

I support the DUEF to ensure the Fraternity is accessible to all who seek it and to help young men be committed to educational achievement. I am also thankful that my work in the Wisconsin's Bureau of Correctional Enterprises involves both The Development of Character and The Advancement of Justice. Our team develops opportunities for incarcerated men and women as they prepare to succeed while in correctional facilities and when they return to their families and communities."

- Wes Ray, Kansas State '94

“ In a time where we often focus on what divides us, I rely on Delta Upsilon’s Four Founding Principles to help me find a basic understanding of humanity when interacting with colleagues, friends and strangers in my everyday life. I give to the DU Educational Foundation to help instill these values in others, and because I believe Justice remains our sure Foundation. ”

Another opportunity Delta Upsilon has given me to enhance my leadership abilities is the amazing alumni I have been mentored by. Specifically, Jeff Kreutz and Bruce McKinney have spent many hours advising my leadership and providing resources to improve my abilities in every area. Whether chapter involvement, DU conferences or alumni relationships, DU has provided ample opportunities to grow as a leader.

After growing up in a town of 1,000 people and traveling 2,000 miles to a college in a town of 50,000 people, DU quickly became my home away from home. The Fraternity has helped me succeed academically, allowed me to develop as a leader, and afforded me personal and professional relationships that I will always cherish. I am committed to staying involved as an alumnus by attending LI, giving back to my chapter and to the DUEF, and staying in contact with my brothers.

We all need help at some point, and I needed to find purpose in my life after tough years in school before college. My Delta Upsilon brothers helped me realize that I have leadership and organizational skills. The Fraternity helped me learn to take a single responsibility, conquer it, and then build upon it. Today, I am a successful father, husband and co-worker, which is why I continue to advocate for DU and the Four Founding Principles that define us.

From the moment the DU chapter was established at Boise State, I've been impressed by the character and commitment of the men. They hold themselves accountable to high standards and set themselves apart in their focus and leadership. An investment in the Delta Upsilon Educational Foundation is an investment in the lives of young men committed to leadership, scholarship and community.

- Leslie Webb, Vice President of Student Affairs & Enrollment Management, Boise State University
