DELTA UPSILON ALUMNI EVENT REGISTRATION PROCEDURES

UPDATED JULY 2019

Delta Upsilon's Substance-Free Housing Policy adopted in May 2018 allows up to six (6) alumni-hosted events per year with alcohol on the property (in house, parking lot, backyard, etc.) of Delta Upsilon. Either Third-Party Vendor or BYOB events will be allowed for the six events (see definitions below). Those events must be planned, contracted and funded by the alumni association or house corporation and hosted for the primary purpose of alumni cultivation and brotherhood. Failure to submit registration forms or complying with Delta Upsilon's Loss Prevention policies will result in a loss of future alumni sponsored events with alcohol.

The policy was intended to support these types of events:

- Homecoming
- Home football game days
- Chapter reunions
- Founder's Day
- Chapter Anniversary

This form does not need to be filled out for alumni events off-property or substance-free events.

Third-Party Vendor Events- Alumni will contract a licensed and insured vendor to either sell or distribute beer, wine, or other beverages under .15 ABV. The vendor or designated alumni will check IDs and only distribute alcohol to brothers and guests over the age of 21.

BYOB Events- Alumni will be responsible for the distribution of alcoholic beverages (under .15 ABV) to brothers and guests. The event hosts will be responsible for checking IDs and only distribute to brothers and guests over the age of 21. For best practices surrounding BYOB, please see the following resource: https://www.holmesmurphy.com/fraternal/wp-content/uploads/sites/2/2017/01/BYOB_Guidelines_NIC.pdf

Events information must be submitted to Dominic Greene, Director of Health & Safety Initiatives at least 10 calendar days in advance. Alumni associations and house corporations may request approval for multiple events at once (for instance, if alumni are hosting three gameday events over the course of a semester/term, all with the same logistics and vendors).

Event applications will be reviewed by International Fraternity (IHQ) staff for completeness and to ensure that proper contracts and insurance coverage (if applicable) are in place. IHQ Staff will email the applicant within three business days.

Please note that there may be campus requirements for events that are separate from DU's event approval. In some cases, policies (university, IFC, local, or state) may be stricter than DU policies or these events may be prohibited. If you have specific questions, please contact IHQ to discuss further.
