

1 **RESOLUTION #23-06**

2 **ENTITLED:** Malpractice Reform in Indiana - Only Family Physicians Can Review Family Physicians

3 **SUBMITTED BY:** David Schultz, MD, FAAFP

4

5 WHEREAS, Indiana Medical Malpractice Procedures are considered fair and well established, and

6

7 WHEREAS, when a malpractice allegation case is reviewed by peers, therefore be it

8

9 RESOLVED, that the Indiana Academy of Family Physicians (IAFP) work with the Indiana Attorney

10 General's Office to mandate that medical malpractice review panels for family physicians are only

11 reviewed by Board-certified and practicing family physicians, and physicians outside of this

12 qualification will be disqualified from participating on a 3-member review panel.
