SELECTION

Welcome!

Please find enclosed our selection of over 70 new items that we are proud to present. Whether you are a veteran customer with NCI or checking us out for the first time, rest assured that our 66 years in business will make your buying experience a breeze. Our experienced and knowledgeable staff will be eager to assist you in completing your order.

The Fire Factory brand has become the fastest growing line of quality fireworks products in the industry and we are humbled by the incredible feedback that we received. We have added another 23 Fire Factory items for 2021 bringing the total items to choose from to over 70 items. This line is a major success because it checks all the boxes of unique performance, attractive packaging, and an unbelievably reasonable cost.

Due to record retail sales in 2020, on hand inventory is lower than normal heading into the summer selling season. It is our advice to place orders early in order to get the products you desire while they are available. Although we are experiencing a worldwide supply chain crisis, our long standing relationships with the best suppliers and shipping vendors will yield us priority to receive product. We will make every effort to fill orders and help to find substitutions for items not available.

Finally, our core principles of providing the highest quality products at competitive prices and unmatched customer service are what set NCI apart from the competition. The warehouses are stocked and our trucks are ready. We look forward to earning your business!

Sincerely,
