NORTH CENTRAL  
INDUSTRIES, INC.

Welcome!

Please find enclosed our selection of over 60 new items that we are proud to present. Whether you are a veteran customer with NCI or checking us out for the first time, rest assured that our 67 years in business will make your buying experience a breeze. Our experienced and knowledgeable staff will be eager to assist you in completing your order.

The Fire Factory brand has become the fastest-growing line of quality fireworks products in the industry, and we are humbled by the incredible feedback that we received. We have added another 13 Fire Factory items for 2022 bringing the total items to choose from to over 80 items. This line is a major success because it checks all the boxes of unique performance, attractive packaging, and an unbelievably reasonable cost.

We've also developed innovative new products which debuted at the 2021 Fall NFA Trade Show branded Chain Link Fireworks. These 500 and 200 Gram cakes allow the end-user to link all varieties of cakes together without the need for fusing to create a unique show that has limitless possibilities. New products are exciting but we're also proud to recognize the 30th anniversary of Great Grizzly Fireworks. This brand has been the cornerstone of our offerings since its inception, and we are committed to continuing to push the envelope by adding more premium quality items to this solid line of products.

We've gone to extreme lengths to ensure our warehouses are fully stocked heading into the summer selling season. It is our advice to place orders early in order to get the products you desire while they are available. Although we are experiencing a worldwide supply chain crisis, our long-standing relationships with the best suppliers and shipping vendors will yield us priority to receive product. We will make every effort to fill orders and help to find substitutions for items not available.

Finally, our core principles of providing the highest quality products at competitive prices and unmatched customer service are what set NCI apart from the competition. The warehouses are stocked, and our trucks are ready. We look forward to earning your business!

Sincerely,

Richard B. Shields
