

# MEDS TO BEDS

from DeKalb Health PharmaCare

## WHAT IS THE MEDS TO BEDS PROGRAM?

It is an easy, convenient, customer friendly way to get your prescriptions filled, before you leave the hospital.

### HOW DOES IT WORK?

Tell your doctor or nurse you would like to have your prescriptions filled using the Meds to Beds program.

DeKalb Health PharmaCare outpatient pharmacy will fill your prescriptions.

A friendly member of the PharmaCare pharmacy team will then deliver your medications to your bedside.
