5. Across the country, we are seeing cases where dangerous criminal suspects are released on bail, only to commit more crimes while they await trial. Indiana’s Constitution currently requires criminal suspects to be offered bail with very limited exceptions. Would you **support** or **oppose** amending the state Constitution so that courts can hold suspects without bail if releasing them from jail would pose a substantial danger to the public?

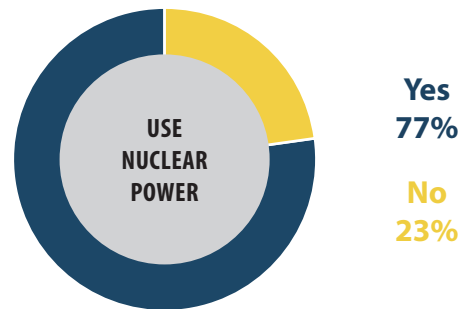

6. Should Indiana give every Hoosier family the right to use state education dollars to attend the school of their choice – whether it’s a public or private school?

7. Should Indiana require able-bodied adults to work or look for work in order to receive publicly funded health-care coverage under the Healthy Indiana Plan?

8. Should Indiana use nuclear power as one of our energy generation sources?
