To Whom It May Concern:

I am writing this letter of recommendation on behalf of Gibson Co. Indiana to recommend the services provided by Pauly Jail Building Company. Pauly Jail, along with Project Foreman Austin Stephens, served as the DEC Contractor on the recent Gibson County Sheriff's Office and Detention Center project and were found to be very professional and trustworthy.

Pauly Jail was able to meet our expectations and became a trusted partner throughout our project. The project team was involved in every detail of the installation and provided the upmost quality of the detention grade furnishings. Throughout the duration of the construction project, Pauly Jail's staff displayed integrity and professionalism and brought great value to our project.

Pauly Jail comes highly recommended from the Gibson County Sheriff's Office for any jail related construction or renovation project.

Sincerely,

George Ballard
Chief Deputy Sheriff
