

THE CREEK

INDIAN CREEK HIGH SCHOOL

WHERE ACADEMICS. ARTS. ATHLETICS RISE

July 24, 2023

Dear Freshman Parents,

We would like to welcome you and your student to Indian Creek High School! We know this is an exciting time for students as they transition to our school. We also understand that with this exciting change can come some anxiety about transitioning to a different building with different expectations and opportunities. To make the transition as smooth as possible, we will be offering a couple of dates for you and your student to get acquainted with everything there is to know about being a part of our wonderful school.

Freshman Orientation July 27 from 12:00-2:30

This is for both freshmen and new students at ICHS. Parents can drop their child off at 12 at the main doors and pick them up at 2:30 in the same location. Students will be broken into groups and we will have different stations for them to gather information about our building. Some of the things that will be accomplished/covered that day will be: receive their schedule, tour of the building, opportunity to learn about clubs and activities they can get involved with, meeting with counselors to talk about student services, and meeting with administration to discuss opportunities and expectations.

Back to School Night August 2 from 6:00-7:00

This is an opportunity for all parents and students to walk their schedules and meet their teachers. Student schedules will be available on Infinite Campus this evening for you and your student. No paper copies are being handed out this evening.

We are looking forward to a great year and we hope to see you soon!

Respectfully,

Luke Skobel
Principal
Indian Creek Sr High School
