

Services Provided During a Change in Placement

Date: _____

Student Name: _____ School: _____
Grade: _____ DOB: _____

The school is required to provide educational services to a student with a disability when a student has been removed for more than ten (10) cumulative days in the same school year. These services must enable the student to:

1) continue to participate in the general education curriculum, although in another setting, and 2) progress toward meeting toward goals set out in the student's IEP.

These services must be initiated beginning on the 11th day of removal.

This student has previously been removed from school for a total of _____ days this school year.

The current removal will be for _____ more days and will exceed the ten (10) day limit.

Describe the educational services that will be provided to the student during this removal:

Principal

Teacher of Record

To be completed by the building principal and special education teacher of record when a student with a disability's removal from school will exceed 10 cumulative days in a school year. Please maintain a copy of this form in the student's cumulative folder at the school as well as forward a copy along with any paperwork related to the removal to East Central.
