DIY Canning and Household Hacks

Useful Canning and Cleaning Tips at the Library

Franklin, Ind. – Learn something new during these Do It Yourself programs at Johnson County Public Library.

Home Food Canning 101 at the Clark Pleasant Branch Monday, Aug. 1 or at the Trafalgar Branch Thursday, Aug. 11

Learn more about food preservation and canning from Purdue Extension educator Stacey Faith. Stacey will discuss the basics of home canning to ensure safe food for your family and offer free pressure canner dial gauge tests.

DIY: Useful Household Hacks at the Clark Pleasant Branch Tuesday, Aug. 30

Many household products start out with one specific purpose in mind, but many new uses have been discovered in addition to that product's original intent. Save time and sanity by learning about dozens of hacks that will simplify your life!

Visit pageafterpage.org/programs for more information or to register for these programs.
