RICK TAYLOR RETIRES AFTER 13
YEARS ON BOARD OF DIRECTORS

EDUCATIONAL FOUNDATION
ANNUAL REPORT

JUSTICE

LETTER FROM THE PRESIDENT

Dear Brothers,

This will be my fourth and final year of service as your President. It will also mark my 13th year as a member of the International Fraternity Board of Directors. It has been an honor and a privilege to serve in this way, and I want to make sure I can be as helpful as possible as we transition to a new, talented, board leadership team.

It occurred to me that one constructive way of aiding this transition would be to share some personal insights on where we have been and what lies ahead. I was around in 2007 when our current vision was created and our Executive Director, Justin Kirk, was brought on board. I also had the opportunity to serve on the President's Task Force in 2009 and help establish our current strategic plan. That plan has three key elements: consistency of undergraduate brand, alignment with higher education, and alumni and volunteer engagement. My time as President was largely focused on making sure that progress was made in each of those areas. Given that context, I felt it might be helpful to make each of these topics the focus of my last three *DU Quarterly* articles. This article will address the goal of brand consistency.

The benefits of building a strong brand have been widely acknowledged for years. Without a cohesive brand that aligns with its beliefs, it is hard for a fraternity to be perceived as a relevant, value-added enterprise capable of attracting the very best members and advocates. Yet, until recently, our individual DU chapters were very loosely organized and aligned. There was little, if any, consistency across chapters in even the most basic programming areas. While the goal was not to disrespect local chapter and campus customs, it was clear that best practices needed to be driven into our day-to-day chapter operations.

Many of the accomplishments of the past decade have been the result of efforts to educate/develop our undergraduates and to improve the chapter experience. In doing so, our brand is strengthened. Of note are the recent roll-outs of a new, standardized Associate Member Education Program and the Men of Merit Chapter Standards Program. These initiatives provide comprehensive background and direction to our members and build on our impressive portfolio of educational programming (Leadership Institute, Global Service Initiative, Regional Leadership Academy, Presidents Academy, DU Emerging Leaders Experience; Building

Better Men Retreats, etc.). Most importantly, attendance at these programs has consistently increased year by year, which greatly impacts effectiveness. Beyond education, we are attempting to drive these concepts into the day-to-day operations of the chapter. Our key tool has been the Chapter Excellence Plan (CEP). This comprehensive guide helps chapter officers and advisors anticipate and plan for the many day-to-day chapter needs that can otherwise consume and distract the chapter leadership team.

The essence of our brand strategy was to develop and perfect a "franchise model" to ensure consistency among individual chapters and purposeful alignment with the Principles and values of the Fraternity. I believe that our work done in the area of educational programming has been outstanding. It is work that has been externally validated in many cases through industry recognition and awards. We have built an experienced professional staff that possesses expertise in educational programming, and it shows. We have also made great improvements to our operations. Additional work to improve the day-to-day chapter experience is needed (House Director oversight, for example), but a solid foundation has been set.

I look forward to sharing some thoughts on our progress in the areas of higher education and alumni/volunteer engagement in coming editions.

Fraternally,

FROM THE DESK OF YOUR EXECUTIVE DIRECTOR

Brothers,

Fraternity membership is one of the most valuable experiences available to college men, providing real-life experiences not taught in the classroom. Delta Upsilon offers a home away from home where young men learn, grow and build friendships that last a lifetime. You yourself likely maintain friendships today that began as a young DU.

Delta Upsilon's vision is to be the premier men's fraternity by offering an experience that prepares men for a global society through service, leadership development, friendship and lifelong personal growth. We are well on our way to being that premier men's fraternity.

The Fraternity has made tremendous progress in the last 10 years, and last year was no exception. In the 2016-2017 academic year, we:

- Recorded our highest number of both associate members and total members in the Fraternity's history
- Had an average chapter size of 58, a new high
- Implemented a new Associate Member Education Program
- Received the Laurel Wreath Award from the North-American Interfraternity Conference (NIC) for the Membership Outcomes Assessment
- Saw our Kansas State Chapter receive an NIC Award of Distinction, recognizing the top five fraternity chapters in North America
- Have experienced 93 percent growth in the last 10 years, whereas the industry average was 46 percent
- Reopened Old Gold chapters Syracuse (83 members) and Texas (64 members)
- Launched a new website (www.deltatau.org) on Aug. 1
- Received two awards from the Fraternity Communications Association for the *DU Quarterly*

While we are proud of all these accomplishments, I want to highlight two more in-depth.

We completed Year Two of our award-winning Membership Outcomes Assessment with the goal to understand how members experience brotherhood and gauge member and chapter growth. After receiving data from Year One, we enhanced chapter support to target each chapter's specific needs in ways to shape their environment and foster healthy brotherhood. It also allowed us to fine-tune our educational programming. Year Two data indicates that many of our strategies were effective. We saw more men attend our programs, as well as significant improvement in the areas of hazing, sexual assault, alcohol use, member commitment, service, accountability and belonging. In short, our chapters are creating stronger experiences rooted in personal development and support.

2016-2017 was the first year in which all chapters implemented our new Associate Member Education Program, designed to create a long-lasting connection to the Fraternity and each other. In nearly every construct related to the program, our associate members scored better than the previous year's freshmen who didn't utilize the program. Self-esteem, openness to diversity and organizational commitment increased, while alcohol use and hazing tolerance decreased. The data is so positive that we've been asked to present our findings and educational framework at industry conferences. Additionally, our Senior Director of Educational Programs was published in *The Chronicle of Higher Education*, the No. 1 source of news, information and jobs for college and university faculty and administrators. <https://tinyurl.com/DU-Chronicle>

Delta Upsilon is a leader among fraternities, and that is thanks to you. You have helped us pave a path to success, and your continued support as role models, advisors, donors and brothers allows us to continue to build better men.

Fraternally,

Justin Kirk, *Boise State '00*

EXPANSION NEWS

Delta Upsilon was recently selected to expand at **Seton Hall University** in South Orange, New Jersey, beginning in spring 2018. The private university has more than 5,800 undergraduate students and 4,500 graduate students.

If you have questions or know unaffiliated men attending Seton Hall and would like to recommend them for membership, please email setonhall@deltatau.org.

In addition to on the ground recruitment efforts, Fraternity staff rely on recommendations from members when starting any new chapter.

Throughout fall 2017, Delta Upsilon staff and volunteers have been busy recruiting and supporting the Fraternity's newest colony at **Illinois State University**.

Expansion efforts began in late August 2017 as Leadership Consultants arrived on campus. Recruitment efforts then began in September after the completion of the campus IFC recruitment. In just a month, the group had met the requirements for colonization. As of our publication date (Oct. 18, 2017), the colony had 54 associate members with the Colonization Ceremony planned for Oct. 22, Illinois State Homecoming weekend.

To learn more about the colony, you can follow it on Facebook, Twitter and Instagram at [@IllinoisStateDU](https://www.instagram.com/IllinoisStateDU). You can also email illinoisstate@deltatau.org.

If you would like to be involved in helping with a DU colony, contact Expansion and Development Coordinator Hayden Rahn, *Oregon '16*, at rahn@deltatau.org.

LEADERSHIP INSTITUTE 2017

LEADERSHIP INSTITUTE DELTA UPSILON

Delta Upsilon welcomed nearly 350 brothers to Milwaukee, Wisconsin, and the Hilton Milwaukee City Center for the 2017 Leadership Institute Aug. 3-6. LI is the Fraternity's largest event of the year with focuses on DU business, educational programming, award presentations, brotherhood and fun.

On the pages that follow, re-live the 2017 Leadership Institute as we highlight our award recipients, programming, and more.

Those arriving to LI early had the opportunity to attend a Regional GSI event with the American Red Cross. Participants assembled Home Fire Campaign signs for an upcoming canvassing event and called almost 400 households to see if they needed updated smoke detectors.

Wichita Chapter brothers enjoyed the Welcome Reception.

LI 2017 officially kicked off with a Welcome Reception and Opening Session. International Fraternity Board Member Thomas Durein, *Oregon State '92*, served as the emcee throughout LI 2017.

Executive Director Justin Kirk, *Boise State '00*, gave the annual State of DU Address during the Opening Session. For a highlight of the statistics he shared, see pages 4-5.

FRIDAY, AUG. 4

DU welcomed Joseph Berg, *Carthage '20*, to the Fraternity Friday morning. Each year, the Model Initiation serves as an example of how the Initiation should be performed and as a moment of reflection upon the promises made during Initiation.

The IGNITE Series returned to LI in 2017 and gave members the chance to share their ideas, stories or message in a TED Talk-like presentation. William Tavel, *Western Reserve '17*, was one of five undergraduate or alumni brothers to speak.

Friday evening, attendees visited Evolutions MKE for a night of ping pong, arcade games, giant Jenga and brotherhood.

SATURDAY, AUG. 5

More than 40 educational sessions were held during LI, giving brothers the opportunity to learn about topics including mental health, team building, DU history and Ritual, hazing prevention, chapter operations, the Membership Outcomes Assessment, advising, and more.

The Vision for the Future Panel brought together men with a variety of perspectives on how to best navigate the constantly evolving higher education environment. The panel discussed how DU is working to shape the next successful chapter in the Fraternity's history.

As the most senior member in attendance, Edwin T. Mosher, *San Jose '52*, had the privilege of carrying in the Assembly Bannerette during the Assembly of Trustees.

DISTINGUISHED UNDERGRADUATE OF THE YEAR

WALTER OLIFF, *CENTRAL FLORIDA '17*

Walter Oliff, *Central Florida '17*, was recognized with the 2017 Distinguished Undergraduate Award because of his dedication to DU and commitment to leadership. In his chapter at the University Central Florida, Walter has served in a number of roles, including Chapter President, Vice President of Finance and Judicial Board Chairman. During the 2016-2017 academic year, Walter also served DU as the Undergraduate Advisory Board Chairman. He is serving as an Undergraduate Director on the DU Board of Directors for 2017-2018. Outside of DU, he has been an active in a wide range of other activities, including the UCF Service Learning Advisory Board, Tau Sigma National Honor Society, and Summer Ambassador. As a member of the Young Marines, he has facilitated its National Leadership Academy and helped create the Young Marines Alumni Association. Upon his graduation, Walter will begin to work for Lockheed Martin as a financial analyst.

PRESIDENT'S AWARD: CHAPTER PRESIDENT OF THE YEAR

MATTHEW BLOSSOM, *INDIANA '19*

The strength of a leader can often be determined from how he handles a tough situation. Matthew Blossom, *Indiana '19*, has passed that test. When becoming Chapter President in September 2016, his chapter was on reorganization status with the International Fraternity after a series of Loss Prevention issues had left the chapter on the brink of closure. Under Matthew's leadership, the Indiana Chapter led a resurgence. The improvements were so great that at LI 2017, the chapter was taken off reorganization status, and Matthew was honored as Chapter President of the Year.

"I can think of no better candidate to receive this recognition," said chapter advisor Dan Ladendorf, *Indiana '83*. "[Matthew] knows DU can be so much more and so much different than what it was when he joined it. I think that says a lot about Matthew's character and the type of leader that he is."

Over the course of the 2016-2017 academic year, the Indiana Chapter saw marked improvement in all areas of operations. Highlights include initiating 44 men, 22 members attending an international DU educational program, and the chapter piloting DU's Home Fire Campaign partnership with the American Red Cross. Multiple philanthropic and service events included DU Doghouse, Safe Halloween, Step Up IU, blood drives and more.

For Matthew, the chapter's success can be attributed to a dedicated Executive Board and a new desire to excel from

the undergraduates. Along the way, the Chapter Advisory Board and House Corporation Board volunteers kept the men in check, shared ideas and always made themselves available.

"I wanted to end the cycle of mediocrity and prove that my chapter could be great," Matthew said. "The biggest take-aways are probably the importance of time management, organization and communicating effectively with a variety of different people. I think communication is a main driver of any success."

Matthew finished his term as President at the beginning of the fall 2017 semester as Indiana follows an academic calendar for officer terms. Looking back on his experience, the junior finance major doesn't look at the struggles, but the achievements.

"Seeing my chapter in a redevelopment stage is why I wanted to take on the roll as Chapter President," he said. "It was really important to ensure that we moved forward in a new direction, and I'm happy to say we have."

AWARDS OF MERIT

DU Awards of Merit are presented to esteemed members and friends of the Fraternity who have exhibited their devotion to Delta Upsilon, as well as excellence or notoriety within their field of profession. The awards get their name from the Fraternity's historical tie to our Founders' description: "the only superiority that we acknowledge is the superiority of merit." Awards are then named for outstanding DU alumni in that particular field. Congratulations to the 2017 recipients.

CLEMENT COLE, *CARNEGIE '79*

Linus Pauling Award of Merit in Science

Cole has been a pioneer in the computer science industry for more than 30 years. A self-described "old school hacker and Open Sourcer," he has held most every position in the computer field from programmer to Chief Technology Officer and startup founder. With degrees in electrical engineering (bachelor's and master's), mathematics (bachelor's) and computer science (master's), Cole first encountered the early editions of UNIX (a widely used multiuser operating system) as a student and has been designing and developing operating systems and technical computing systems ever since. In the late 1970s, Cole helped write one of the original TCP/IP implementations. TCP/IP stands for Transmission Control Protocol/Internet Protocol and is the basic communication language or protocol of the Internet. He is also one of the authors of the precursor to Instant Messenger and the UNIX talk program. Today, Cole leads an international team of engineers developing super computers and associated technologies.

JEROME FINK, *WISCONSIN '87*

Sloan-Kettering Award of Merit in Business

Fink is a co-founder and Managing Partner of The Bascom Group, LLC, which has ranked among the top 50 multi-family owners in the U.S. Bascom has completed over \$13.3 billion in multifamily and commercial value-added transactions since 1996 including more than 300 multi-family properties and 80,000 units. Fink is a licensed real estate broker in the state of California, a Certified Commercial Investment Member, a Certified Property Manager, a Certified Mergers & Acquisitions Advisor, and a Certified Turnaround Professional. He is also member of the Institute of Real Estate Managements (IREM) and Turnaround Management Association (TMA), as well as a noted guest speaker regarding real estate. Fink was awarded the Apartment Executive of the Year by the Real Estate Conference Group in 2004 and the Rising Star award by the University of California Irvine Center for Real Estate in 2008. In 2016, he was awarded the Ernst & Young Entrepreneur of the Year, Orange County.

JEFFERY HARMENING, *DEPAUW '89*

Sloan-Kettering Award of Merit in Business

In June 2017, Harmening was named Chief Executive Officer of General Mills and a member its board of directors. Throughout his 23 years at the company, he has held a variety of leadership positions in both the United States and Europe. Such positions include Vice President of Marketing and Chief Executive Officer for Cereal Partners Worldwide (CPW), President of the General Mills Big G cereal division; Executive Vice President and Chief Operating Officer of the U.S. Retail segment; and General Mills President and Chief Operating Officer. During Harmening's leadership of the U.S. Retail business, the company greatly expanded its position in the natural and organic segment, making General Mills the fourth largest maker of natural and organic foods in the U.S. A graduate of DePauw University, Harmening began his career as a financial analyst at Eli Lilly and Company. He received his MBA from Harvard in 1994, is a Trustee at DePauw University, and serves on the board of Partners in Food Solutions.

JOHN HERMA, RUTGERS '70

Sloan-Kettering Award of Merit in Business

A former Chief Operating Officer for Kohl's, Herma helped the brand grow into a retail giant. Joining the company in 1980 as Vice President of Human Relations, he was later promoted to Senior Vice President of Human Resources then Senior Vice President of Operations. In 1986, along with Bill Kellogg, Herma purchased Kohl's and became Chief Operating Officer. During this time, the company grew from a \$288 million business with 39 stores to a multi-billion dollar retailer with more than 1,100 stores. Kohl's went public in 1992, and in the early 1990s, Goldman Sachs wrote that the Kohl's management was the best team in American retailing. A student athlete at Rutgers University, Herma lettered in five sports (within track and field) and is a member of the Rutgers Athletic Hall of Fame. In 1987, he and his wife, Susan, became active leaders in the heart center of the Children's Hospital of Wisconsin. Today, that center is named the Herma Heart Center and is ranked one of the best in North America.

DANIEL ULMER, LOUISVILLE '55

Sloan-Kettering Award of Merit in Business

After a 40-year banking career, Ulmer retired in 1994 as the Chairman and CEO of PNC Bank, Kentucky. Despite his retirement, his influence in the Louisville community still remains. Not only is Ulmer the current Chairman and owner of the Louisville Bats minor league baseball team, he is also an owner-investor in several local businesses and board member for numerous civic organizations. Ulmer is the former Chairman of the University of Louisville Board of Trustees, former member of the University of Kentucky Board of Trustees, and Past Chairman of the Kentucky State Fair. In 2009, Ulmer was inducted into the Kentucky Athletic Hall of Fame, and in 2010, was inducted into the Junior Achievement Hall of Fame.

**Brother Ulmer was presented with his award during the Louisville Chapter Scholarship Luncheon on April 19, 2017.*

GREGORY WESSLING, NORTH CAROLINA '74

Sloan-Kettering Award of Merit in Business

Wessling is a seasoned executive with 45 years of experience in senior merchandising, marketing and operating positions. His business reputation stems from a 33-year career with Lowe's Companies, Inc., where he helped transform Lowe's into a major home improvement chain with a Fortune 50 status as a NYSE public company. Beginning at Lowe's in 1972, Wessling served in roles ranging from Floor Sales Specialist to Senior Vice President – Store Operations. Some of his responsibilities included merchandise selection, product line development, inventory management, advertising, international trade store operations and more. Upon his retirement from Lowe's in 2005, Wessling created A&G Associates and Partners where he advises and consults companies with strong growth potential. A graduate of the University of North Carolina, Wessling serves on the board of the UNC Health Care System. He has also volunteered his expertise with organizations such as HouseRaising Inc. and Technology Connections, Inc.

RICK TAYLOR

NAMED DISTINGUISHED DELTA UPSILON

12

In the past 13 years, Delta Upsilon has experienced a number of changes and unprecedented growth. Initiatives that are now ingrained across all aspects of Fraternity operations have been developed and nurtured—initiatives like the Global Service Initiative, the Men of Merit Chapter Standards Program, the new Associate Member Education Program, current assessment practices, and much more. However, one of the things that has remained constant during this time was the leadership of Richard X. Taylor, *North Carolina State '82*.

At the 2017 Leadership Institute, Brother Taylor officially retired from service on the International Fraternity Board of Directors and was aptly recognized with the Distinguished Delta Upsilon Award, the Fraternity's top honor, for his dedication to DU. From 2004 to 2009, he served on the Board as an Alumni Director, then as Chairman from 2009-2017.

"Having had the honor of serving with him, I can attest to the strength of Rick's leadership," said Bernard Franklin, *Kansas State '75*, International Fraternity President from 2006-2014, as he presented Taylor with the Distinguished Delta Upsilon Award. "He has helped Delta Upsilon grow in so many ways. His vision, his leadership, and his friendship have been invaluable and unwavering."

Outside of his international service, Taylor has long been an avid supporter of Delta Upsilon. He has served DU as a Chapter President, Chapter Advisor, House Corporation President and Alumni Chapter President. In 2004, he was instrumental in the re-establishment of his home chapter, where his brother Paul, his three sons (Ashton, Mike and

Britt) and his father have all been initiated. In addition to serving on the Board of Directors as the Global Service Initiative was created, he, along with Paul, were the first DU Educational Foundation donors to endow a scholarship for the Global Service Initiative.

"Rick is well known for his commitment to DU's Four Founding Principles," said Steve Rowley, *Ohio '65*, current Chairman of the Delta Upsilon Educational Foundation. "In my 50 plus years of membership, I have not worked with anyone who better exemplifies those values. As a leader, Rick always put Delta Upsilon interests above his own, and he constantly encourages those around him to do the same. He chose Delta Upsilon because he shared DU's values, and he continues to practice our Four Founding Principles every day."

Taylor's steady hand has helped guide the Fraternity for more than a decade. Though he is retiring, his presence will be long-felt across Delta Upsilon. In a speech given at LI's Grand Banquet, Taylor gave this advice:

"I started to look at every decision I made, not just about the Fraternity but around my personal and professional life. I use that prism of the Four Founding Principles, and it is amazing how good of decisions you'll make and how successful you'll be if you do that. I hope everyone in here is smart enough to [do that]."

Taylor is succeeded in the Chairman role by Bob Lannin, *Nebraska '81*. Lannin has served as an Alumni Director since 2013.

IN HIS OWN WORDS:

Robert Lannin, *Nebraska '81*

Bob Lannin, *Nebraska '81*, was elected as the 32nd Chairman for the Delta Upsilon International Fraternity on Friday, Aug. 4, 2017, after four years of Board service. The *DU Quarterly* team recently spoke with the Nebraska-based attorney about his experiences on the Board, the state of the Fraternity, and the future of Delta Upsilon. Bob is a 2000 recipient of DU's Chairman's Award: Volunteer of the Year, as well as a 2007 recipient of the Founders Medal.

Congratulations on becoming Chairman of the Board. After four years as an Alumni Director, what inspired you to become Chairman?

Because I was asked. I know that sounds flippant, but it's the truth. My time on the board thus far has shown me that there's a lot DU is doing right. My hope is to build upon that. I originally joined the Board because I have a passion for Delta Upsilon, and after years of serving as an alumni chapter officer, wanted to help even more.

There have surely been lots of take-aways from your time on the Board. What have been the biggest things you have learned?

The fraternity world is evolving. Public pressure for safety is mounting, for good reason. I want to work with our staff and undergraduates to make certain DU presents an enjoyable yet safe opportunity. I'm a big believer in fraternal life, but we need to do things the right way.

Share with us some of the initiatives/plans that are on the horizon for the Board of Directors and Delta Upsilon.

We will start off this fall with some strategic planning. It's been about five years since our strategic plan was written—prior to my time on the board. It's time to give it a review and see if there are some appropriate modifications or changes. The five-year mark in any strategic plan is a great time for a thorough review.

What is one thing you want all DUs to know about you as you embark on your journey in the Chairman role?

I guess that I want people to know I will listen. For a variety of well-informed reasons, we may not always be able to do what is asked, but I want people to always feel as though they've at least been heard.

What do you think is the biggest challenge facing DU in the road ahead? And how do we overcome that challenge?

We have great leadership and staff at the International Headquarters, but while they provide great programming and support, it's up to our students to decide to make the right decisions. Our work on the Membership Outcomes Assessment has provided tremendous insight into our undergraduates and their thinking. We need to improve upon this so that there's understanding by our college constituencies of the challenges they face. People simply can't be put at risk as a result of the fraternity experience.

What are you most excited about in terms of the future of DU?

While there are obvious challenges facing the fraternal world, and they are not lost on DU, I think we are poised to play a leadership role in what I would call a renaissance for the Greek community. Frankly, at DU, we are doing a lot of things right. We need a partnership with our undergraduates to make sure we continue down the right path.

CHAPTER NEWS

At Leadership Institute 2017, each chapter received a scorecard of its vital chapter stats in relation to the Fraternity's Men of Merit Chapter Standards Program. The scorecards on the pages that follow highlight some of the information shared.

* 1) CEP stands for Chapter Excellence Plan. 2) LP stands for Loss Prevention. 3) A "-" signifies this information was not submitted to IHQ. 4) "N/A" for GPA signifies that the university does not collect this information or the information was not available at the time of submission. 5) "N/A" for Campus Average signifies the university does not utilize this metric. 6) Colonies are assessed by the Fraternity based on progress toward goals. The aim is for colonies to be at or above campus averages at the time of chartering.

Please note that information listed reflects what was reported by June 30, 2017. These stats reflect the 2016-2017 academic year.

After Hurricane Harvey hit Houston, the chapter volunteered to rebuild its community. The brothers supported the Holy Name Church, which acted as a distribution center for other shelters. At the church, they loaded trucks with clothes, canned goods, bottled water and essential hygiene products. The men also gathered other fraternities/sororities to serve the George R. Brown Center in its efforts as a shelter. After the storm, the chapter assisted its alumni by cleaning out damaged houses and garages.

The San Diego State Chapter's new house was completed early this fall. The chapter would like to thank its Alumni Association for making this happen. The men plan to completely fill the house with their recruitment efforts.

The Pennsylvania State Chapter hosted an information session to educate more than 500 students about the National Bone Marrow Registry. The chapter worked with the Panhellenic Council and the Interfraternity Council to plan the event.

ALUMNI NEWS

ALBERTA

The Alberta Alumni Chapter has been busy with its DU Legacy and Kitchen fundraiser campaign. The project was completely fundraised before the fall semester, and more than 125 donated. The chapter also held DU Spring Classic, golf tournament.

CHARLOTTESVILLE

The Charlottesville Alumni Group held a luncheon over the summer to introduce DU alumni in the Charlottesville, Virginia, area to each other. It also gathered for a tailgate at the Glenmore Country Club for the Virginia vs. William & Mary game. The group plans to have more tailgates throughout the fall.

MICHIGAN

The alumni chapter hosted a Michigan 50-Year Reunion. More than 70 brothers and guests attended. The event included a BBQ, tailgate, reception, museum tours and more.

NEW YORK CITY

In August, the Delta Upsilon New York Alumni Group hosted its first networking social. Brothers enjoyed the vibrant NYC social life, networking opportunities and discussions on a variety of topics. The club would like to thank Eat, Drink and Be Merry, and East Wing for hosting the event.

A MESSAGE FROM THE CHAIRMAN

When I think about my Delta Upsilon experience, one of the first words to come to mind is “friendship.” Fittingly, The Promotion of Friendship is one our Four Founding Principles because friendship means so much more than having a group of people with whom to spend your time. True friendship means having deep connections with others who have a positive and lasting influence on our lives. Friends support us, challenge us, hold us accountable and make us better.

Through Delta Upsilon, having a brother means having a friend. Whether this brother was in the chapter with us, attended school hundreds of miles away, or is years apart from us in age, it is still our responsibility to support him as a friend. That type of support is the beauty of fraternity.

The Delta Upsilon Educational Foundation is a vehicle for support and friendship. As a direct result of the generosity of our alumni and friends, the DUEF is able to fund impactful leadership programming, provide scholarships, and build stronger chapters and leaders.

Delta Upsilon’s educational programs and initiatives are proven success stories. Countless men can point to a lesson they learned through Delta Upsilon that has impacted their life or career. To further quantify that impact, the Fraternity’s Membership Outcomes Assessment is tracking the influence of the DU experience, our programs, and how men are learning and growing throughout their college career. Delta Upsilon is a leader in this type of research. Most importantly, by being able to address current areas of need, this research is taking already great programs and making them even better. In just two years of using the assessment to tailor our programs, we have seen remarkable growth in our brothers in a number of areas. That growth will continue to flourish in the years ahead.

In the 2016-2017 academic year, 729 men were impacted through their participation in one of DU’s main brick and mortar educational programs. That number continues to grow every year with our ultimate goal being to provide full program funding and reaching every one of our undergraduate members each year. Imagine what DU could accomplish when that happens.

Delta Upsilon’s success is the direct result of friendship. Your generosity and fundraising dollars are a catalyst in our ability to support our brothers. Because you care to support these young men and nurture their development, you are impacting the world’s future leaders. Every year, every gift of every size makes a difference. Thank you. Your friendship is what drives us forward.

Fraternally,

FUNDRAISING INCOME/EXPENSES

The Delta Upsilon Educational Foundation’s fiscal year runs July 1-June 30 each year. In the 2016-2017 year, the DUEF fundraised \$1,586,602. (This is purely a fundraising total and does not include interest generated from DUEF investments or previous account balances.) This money can be restricted for specific purposes or given to the Annual Loyalty Fund—the DUEF’s general fund. Last fiscal year, the DUEF also awarded \$535,433 in grants and scholarships for housing projects and educational needs.

FUNDRAISING INCOME

SCHOLARSHIPS

The founding purpose of the Delta Upsilon Educational Foundation was to provide scholarship money to brothers. Scholarships remain an integral part of the DUEF today.

In a world that has and will always need good men to lead its families, communities, businesses and governments, alumni brothers have stepped forward to ensure Delta Upsilon’s legacy of helping young men be successful by making a key strategic investment.

MCQUAID SCHOLARSHIPS

The McQuaid Scholarship Fund was established in July 2000 as a tribute to James D. McQuaid, *Chicago '60*, for his service and contributions to Delta Upsilon as a six-year President of the International Fraternity and longtime advisor to the Chicago Chapter.

At the 2017 Leadership Institute in Milwaukee, the recipients of the 10 merit-based undergraduate and graduate scholarships were announced. Each McQuaid Scholarship is for \$1,000 and is intended to be used to aid in the attainment of an academic degree.

CHAPTER LEGACY PLANS

DU's statistics show that our strongest chapters send more men to the Fraternity's educational programs each year than the average chapter. In fact, the 2017 Sweepstakes Trophy winner sent twice the men than the average. Chapter Legacy Plans are fundraising initiatives that endow educational scholarships to DU's programs that will have an immediate and enduring impact on the quality of the membership experience for the chapter. Chapters with a fully-funded Chapter Legacy Plan receive at least 12 scholarships per year, including at least one scholarship for each DU program.

A fully-funded Chapter Legacy Plan requires an investment of at least \$150,000. Many DU chapters are well on their way to achieving that goal and are starting to see scholarships remitted to members. To learn more about a Chapter Legacy Plan, contact Executive Director Justin Kirk at kirk@deltatau.org.

PROGRAM IMPACT

Throughout a member's time as an undergraduate, he may attend multiple of the educational programs DU offers. Joseph Fetherling, *Iowa State '19*, is no exception. He has attended four different programs during his time in Delta Upsilon—Regional Leadership Academy (twice), Leadership Institute, Global Service Initiative and Emerging Leaders Experience.

With each experience, Joe's "love for the Fraternity sky-rocketed." RLA and LI have taught him about leadership and his officer roles. At DUEL, he identified the personal

values that drive his decision-making, and GSI made a Midwestern kid more passionate about philanthropy, opening his eyes to the world.

"I am a much more confident and effective leader than I was coming into college, and I strongly believe that the experiences that the DU Educational Foundation and its donors gave me are to thank," Joe said. "I am a more well-rounded individual and a better man because of the opportunities the DUEF and its donors provided me."

THE LIFETIME GIVING WALL

Investing in young people is always a good practice. Our Fraternity is very fortunate to include brothers who have been continuously making that investment. Their giving, accumulated over time, has a significant and longstanding impact on Delta Upsilon and its ability to help young men succeed in life.

There are brothers who have gifted more than \$250,000 during their lifetime, as well as brothers who have gifted \$1,000 and counting. Below is a list of DU's Lifetime Giving Circles, celebrating and commemorating the accumulative impact of Delta Upsilon's most loyal and generous donors.

In addition to this publication, the DU Educational Foundation maintains a permanent Lifetime Donor Wall at the International Headquarters that recognizes these contributions so that all future generations are reminded that they stand on the shoulders of the great men who have gone before them.

STOCK GIFTS

In addition to traditional cash donations, gifts of stock are another way to give to the DU Educational Foundation. Many DUs, including Foundation Trustee David Cole, *Wilmington '72*, own shares of stock through either purchasing company stock options and/or awards. During the DUEF's inaugural Founders Day of Giving in November 2016, David made a generous gift of stock, furthering Delta Upsilon's ability to impact our undergraduate brothers.

"With the significant rise in stock prices, their value has gone up, and so has our taxable gain if we were to sell shares," David explained. "By donating shares instead, we create a tax deduction based on the current market value, which includes our acquisition cost and unrealized gain. As we already own said shares, this has a zero impact on our cash flow."

To join Brother Cole and give a gift of stock, contact the DUEF at (317) 875-8900. Visit <https://www.deltatau.org/stock-gifts> for more information.

ANNUAL GIVING LEADERS

Delta Upsilon's annual giving leaders further the important work of the Educational Foundation by providing the resources necessary to advance the mission and support our great Fraternity. This group of individuals represents a loyal and prestigious branch of Delta Upsilon—leaders who bring honor and distinction to the Fraternity through their generosity and leadership.

Your gifts have made an immediate positive impact on Delta Upsilon and have transformed the DU experience for thousands of undergraduate brothers. Thank you for your leadership and loyalty.

PLANNED GIVING

For many, philanthropic giving means a traditional, immediate cash gift. But giving can take on many other forms, including planned giving. Simply put, planned giving is using forethought to make a gift. Planned gifts can include estate planning, gifts of life insurance or retirement assets, even recurring gifts.

The Delta Upsilon Educational Foundation, along with individuals and other nonprofits, can be listed as a beneficiary in anyone's **will and estate planning**. A lawyer will assist with the wording of a bequest, but the DUEF can also help and discuss plans.

The DUEF can also be named as a beneficiary on insurance policies or retirement assets, like a 401K or IRA. Those 70½ or older can even transfer up to \$100,000 per year—exempt from income taxes—to qualified charitable organizations like the DUEF.

For an even easier way to give, one can set up **recurring gifts** to the DUEF at a time interval of their choosing. This can be done through the DUEF's online giving form or by calling (317) 875-8900.

The Heritage Circle (see page 28) recognizes those who have named the DUEF as a beneficiary in their will, insurance policy, 401K or other deferred giving instrument.

HONOR ROLL

2016-2017 Donors to the Delta Upsilon Educational Foundation

Each person has as unique reason for supporting Delta Upsilon. All of us carry our own special memories of this extraordinary experience and want to ensure the future generations have the same opportunities. Each year, every gift of every size truly makes a difference. Thank you to each of our 2016-2017 donors.

LEADERSHIP INSTITUTE 2017 LI
350 attendees
Milwaukee
Aug. 3-6

Since 1948, the annual DU Convention & Assembly has been included within what we now know as the Leadership Institute. It also provides an opportunity to celebrate the accomplishments of our undergraduate and alumni brother to participate in targeted educational content to meet their current needs. At LI 2017, educational breakout sessions featured topics on mental health, team building, DU history and Ritual, hazing prevention, chapter operations, the Membership Outcomes Assessment, advising and more.

PRESIDENTS ACADEMY

DELTA UPSILON

2017 Presidents Academy

69 attendees
Camp Tecumseh, Brookston, Indiana
Jan. 5-8

Presidents Academy accelerates the growth and learning of DU's Chapter Presidents each year. Presidents are challenged to create a vision for their ideal DU experience, and programming equips them to make those visions a reality. As a team, Chapter Presidents are exposed to new ideas and possibilities, stretch their boundaries, discover strengths and maximize their leadership potential.

REGIONAL LEADERSHIP ACADEMY
DELTA UPSILON

2017 RLA

459 attendees
Philadelphia, Portland, Kansas City,
Atlanta, Chicago
February 2017

The Regional Leadership Academy allows chapter officers in a specific geographic region to learn together about a wide range of topics affecting fraternity life today. The RLA is intentionally designed as an officer training platform to provide tangible skills needed for success as defined by the Delta Upsilon Officer Core Competencies. With 25 different breakout sessions and five general sessions, each participant can individually tailor the experience to meet his specific needs based on his role in the chapter and the areas in which he needs greater development.

EMERGING LEADERS EXPERIENCE DELTA UPSILON

2017 DUEL

22 attendees
Amherst, Massachusetts
& Williams College
June 14-18

This highly interactive program encourages newly initiated members to create a deeper and broader definition of who they are and where they can have an impact. Using the StrengthsQuest Inventory, the men begin to identify, analyze and understand their personal leadership and values. DUEL provides an opportunity to visit Williams College and connect with the history and founding of Delta Upsilon.

GLOBAL SERVICE INITIATIVE DELTA UPSILON

2017 GSI

59 attendees
Negril, Jamaica
January, May & June 2017

As the global community grows, so does the need for those who excel in the international arena. GSI actively supports the creation of global perspectives, promotes leadership development and generates community-based, service-learning opportunities in members. Experiences in relationship building, problem solving, appreciating human differences, cultural awareness, and social and civic responsibility are also related back to Delta Upsilon's mission and Founding Principles. The goal is to prepare participants to be global citizens and prepare them for a life of public service and engagement.

2016-17 Retreats

651 men reached

During Building Better Men Retreats, seasoned Delta Upsilon staff/volunteers facilitate a weekend-long retreat geared toward jumpstarting the chapter and charting a path to future success. The retreat is tailored to meet specific chapter needs. This includes defining effective brotherhood within the chapter, identifying chapter priorities and creating a plan of action.

Leadership Consultant Program & Chapter Development Support

International Headquarters staff provide a variety of educational support for chapters. Leadership Consultants are trained to assist chapter and colony members, as well as alumni advisors to advance the Principles of Delta Upsilon. Chapter Development staff also oversee the development and implementation of educational resources aimed to promote leadership development in members.

EDUCATIONAL PROGRAMS NOW MORE ACCESSIBLE TO MEMBERS

Three major announcements regarding educational programs were made at the 2017 Leadership Institute, making programming more accessible to Delta Upsilon brothers.

REDUCED GSI REGISTRATION

Delta Upsilon has announced that the registration cost for a Global Service Initiative trip to Jamaica has been reduced to \$250 plus travel for undergraduates and \$500 plus travel for alumni. This is a reduction of \$250 each.

"Delta Upsilon is proud of our efforts with the Global Service Initiative, and our hope is that reducing the cost will entice more brothers to take part in this amazing experience," said DU Executive Director Justin Kirk. "In an ever-increasing global society, our goal is to build stronger global competency skills in our members. The GSI is integral to achieving that goal."

Registration costs were lowered thanks to fundraising initiatives and the success of the Project Jamaica program, which allows colleges/universities and other organizations to host GSI experiences for their students.

BUILDING BETTER MEN RETREAT GUARANTEE

DU's Building Better Men Retreats take the concept of a chapter retreat to the next level. At the chapter's request, trained Fraternity staff members or volunteers facilitate these weekend-long retreats that are tailored to meet the specific needs of a chapter. This includes defining effective brotherhood, identifying priorities and creating a plan of action.

The Fraternity's Membership Outcomes Assessment data shows chapters that held Building Better Men Retreats saw gains in member commitment, accountability and belonging. To help all chapters achieve the same success, Delta Upsilon has guaranteed that any chapter/colony

that requests a Building Better Men Retreat for the 2017-2018 academic year will receive one.

"The Building Better Men Retreat allowed us to have some tough conversations that we'd been unable or unwilling to have," said Jesse Bernstein, *Rochester '18*, Chapter President. "Now, I feel a lot more confident in our ability to tackle thorny subjects."

UIFI SCHOLARSHIPS

For the second consecutive year, the Delta Upsilon Educational Foundation will offer one scholarship to each DU chapter/colony for registration to attend the Undergraduate Interfraternity Institute (UIFI), the North-American Interfraternity Conference's premier interfraternal leadership program.

UIFI brings together undergraduate members of fraternal organizations (fraternities, sororities, multi-cultural fraternal groups, local groups) to explore and elevate their leadership in their chapters and communities. Multiple five-day sessions are held each year throughout the summer on the Indiana University campus.

"Delta Upsilon recognizes the impact UIFI attendance has on our undergraduate men," said Executive Director

Justin Kirk. "It not only helps them become better leaders for their chapters but true interfraternal partners on their campus, helping to drive community-wide improvements."

Scholarships cover registration for UIFI, which includes lodging and meals for the duration of the program. Attendees are responsible for their own travel. Additional scholarships to UIFI are available through the Oak Circle, the DUEF's undergraduate giving society.

DU MOURNS RICHARD HEGEMAN

Delta Upsilon mourns the passing of Richard "Dick" Hegeman, *Purdue '49*.

Born Oct. 14, 1925, in Milwaukee, Wisconsin, Dick gave much of his time and talents to Delta Upsilon. As an undergraduate at Purdue University, he served as Chapter President in 1948. He then went on to serve as President of both the Purdue Alumni Chapter and House Corporation. In 1999, he was awarded DU's Chairman's Award: Volunteer of the Year for his service.

From 2001 to 2007, Dick served on the DU Educational Foundation Board of Trustees. Upon his retirement from the Board, he was recognized with the DU

Founders Medal, which recognizes those for their support of the Fraternity above and beyond the bonds of brotherhood.

"The Purdue Chapter benefited immensely from Dick's dedication of time, thought leadership and financial support over the past two decades," said Reid Ricciardi, *Purdue '94*. "As a retiree enjoying life Colorado, he chose to re-engage with his Purdue brothers when alumni leadership was desperately needed."

Dick passed away Aug. 30, 2017. He is survived by three sons (Philip, David and James), three grandchildren and two great grandsons.
