Home/School Connection:

What does respect look like?

"Your youngster's daily dealings with adults and kids alike will be more pleasant if he/she speaks and acts respectfully. Try these tips for helping him/her learn about respect.

- Respectful Replies: Thank about something that you and your youngster disagree on. Model having a respectful discussion about it.
- Everyday Acts: When you mow the lawn or clean up after your dog, you can teach your child about respect for neighbors. Explain that keeping your neighborhood clean and neat makes it nice for everyone. Ask him/her to think of other respectful things neighbors should do."
