APL'S FOOLPROOF SLIME RECIPE

What you need:

- 1 cup Clear Glue
- 1 cup Water
- Add-ins
- 1 cup Sta Flo

How you do it:

Use bowl or plastic bag. Add glue, water, and add-ins (such as food coloring, sequins, shaving cream, glitter, foam beads). Mix together. Add in Sta Flo. Mix together. Once it starts to get a more solid consistency, dump out onto the table. Knead until it is smooth and doesn't stick to your skin. Enjoy

*needs equal parts glue, water, and Sta Flo. Can be increased or decreased by the same amount of each.
