Requirements for Receiving a Delta Upsilon Charter

While the Installation of a new undergraduate chapter is subject to many factors, the Delta Upsilon Board of Directors established the following requirements for an associate chapter to receive a Charter. These requirements are consistent with the Fraternity's Men of Merit Chapter Standards Program.

Chartering Requirements

Once the associate chapter ceremony occurs, an associate chapter will begin working to achieve the chartering requirements and become a full chapter in Delta Upsilon. The chartering requirements are mirrored off the Men of Merit Chapter Standards, which all chapters must meet on an annual basis. Delta Upsilon anticipates a period of 12-18 months from the time of the associate chapter ceremony to the time of chartering. In addition to the requirements below, an associate chapter must also submit its Bylaws and a full roster including name, year, and current GPA of each member as part of the chartering proposal and complete all administrative reporting with IHQ, including biographical reports, membership rosters, and officer updates.

1. Chapter Excellence Plan

The associate chapter's CEP usage includes 80% of required criteria and 40% or more of optional criteria. As part of the CEP requirement, the associate chapter must conduct regular officer and associate chapter retreats to establish and review goals and outcomes and conduct at least two alumni and/or family events each year.

This meets the Minimum level in the Men of Merit Standards.

2. Associate Chapter GPA

The associate chapter's GPA meets or exceeds the All-Men's or All-Fraternity GPA on campus, whichever is lower. The associate chapter implements a comprehensive written academic program that includes minimum GPA requirements for membership, initiation, and to hold office.

This meets the Minimum level in the Men of Merit Standards.

3. Program Attendance/Leadership

The associate chapter has at least 10 members attend Delta Upsilon Educational Programs per year (Leadership Institute, Presidents Academy, Regional Leadership Academy, Emerging Leaders Experience, and the Global Service Initiative) and/or educational programs in which the Delta Upsilon Educational Foundation provides scholarships (LeaderShape, UIFI, etc.), including at least one member at the Leadership Institute and one member at Presidents Academy. The associate chapter is also expected to participate in IFC meetings and events and other campus programs as dictated by the university.

This meets the Expectation level in the Men of Merit Standards.

4. Service

The associate chapter conducts an average of 15 hours of service per member per year and supports a local charitable partner. The associate chapter must conduct at least two service projects each year, with one being solely sponsored/planned by the associate chapter.

This meets the Expectation level in the Men of Merit Standards.

5. Philanthropy

The associate chapter raises at least \$500 for the Global Service Initiative per year. The associate chapter must conduct at least two philanthropy events each year, with one being solely for the benefit of the Global Service Initiative.

This meets the Expectation level in the Men of Merit Standards.

6. Membership

The associate chapter's membership size meets or exceeds the campus fraternity average or median size. In the event the associate chapter is unhousted, the associate chapter's membership size should meet or exceed the campus unhousted fraternity average or median size. The associate chapter implements a year-round written recruitment plan that includes dates, events, and objectives for recruitment activities.

This meets the Expectation level in the Men of Merit Standards.

7. Associate Member Education

The associate chapter implements the Delta Upsilon Associate Member Education program.

This meets the Expectation level in the Men of Merit Standards.

8. Loss Prevention

The associate chapter has no Loss Prevention policy violations and implements a written Loss Prevention program.

This meets the Expectation level in the Men of Merit Standards.

9. Advisory Support

The associate chapter has an Associate Chapter Advisory Board with a total of five members, including one who is in weekly contact with associate chapter leadership, and a separate House Corporation (if applicable). Advisors participate in at least three Delta Upsilon advisor webinars yearly.

This meets the Expectation level in the Men of Merit Standards.

10. Learning Assessment

The associate chapter has 85% member completion of CommunityEdu (85% of members must complete this once) and 85% member completion of the Delta Upsilon membership outcomes survey (85% of members must complete this annually).

This meets the Expectation level in the Men of Merit Standards.

11. Accounts Receivable/Finances

The associate chapter has no fees past due to IHQ as of June 30. The associate chapter implements sound fiscal practices and remains current on all financial obligations to the university, IFC, and vendors. The associate chapter must also submit its budget in the chartering proposal.

This meets the Aspiration level in the Men of Merit Standards.

Associate Chapter Housing

As part of the Men of Merit Chapter Standards Program, all new Delta Upsilon associate chapters will be established with substance-free housing, if applicable. They will remain in substance-free housing in perpetuity.

Procedure

The Fraternity staff will communicate this policy and requirements to associate chapters.

Men of Merit Chapter Standards Program

Men of Merit: The Delta Upsilon Chapter Standards Program ensures chapters are meeting the expectations of membership in the Fraternity and providing a safe, educational, and productive experience for its members. The Standards identify 11 key areas essential to success for a Delta Upsilon chapter. Chapters are placed into one of three levels for each Standard based on their performance over the past year: Aspiration, Expectation, and Minimum.

Standards Level Explanations

Aspiration – Chapters reaching the Aspiration level achieve above and beyond. These are model Delta Upsilon chapters and they are worthy of the Fraternity’s highest honors.

Expectation – Chapters meeting the Expectation level are fulfilling their obligations as a chapter of Delta Upsilon. This is considered a solid level of achievement and one that is attainable for all chapters.

Minimum – Chapters at the Minimum level are on their way to fulfilling the obligations of Delta Upsilon but have improvements to be made. Chapters at this level are placed on an Improvement Plan with additional assistance and focus from the International organization and volunteers. Chapters failing to meet the minimum levels over multiple years may be in jeopardy of reorganization or suspension.

Men of Merit Chapter Standards

1. Chapter Excellence Plan

Aspiration: 100% of Required criteria and at least 70% of Optional criteria.

Expectation: At least 90% of Required criteria and at least 50% of Optional criteria.

Minimum: At least 80% of Required criteria and at least 40% of Optional criteria.

** If a chapter reaches one level in Required and a different level in Optional, their overall Men of Merit performance in the CEP standard will be based on the lower of the two (for example – if a chapter completes 95% of Required criteria but only 45% of Optional criteria, the chapter will be marked as Minimum overall).*

2. Chapter GPA

Aspiration: Chapter’s GPA is the highest fraternity GPA on campus or exceeds the All-Undergraduate GPA, whichever is lower.

Expectation: Chapter’s GPA meets or exceeds the All-Men’s or All-Fraternity GPA on campus, whichever is higher.

Minimum: Chapter's GPA meets or exceeds the All-Men's or All-Fraternity GPA on campus, whichever is lower.

Expectation: Chapter has **at least 10 members** attend various Delta Upsilon educational programs (Leadership Institute, Presidents Academy, Regional Leadership Academy, Emerging Leaders Experience, and the Global Service Initiative), including at least **one** registered delegate at Leadership Institute and **one** member at Presidents Academy. In the case that local, state, or federal restrictions prohibit a chapter from attending a Delta Upsilon Program, exceptions can be made on a case-by-case basis.

Minimum: Chapter has **at least 6 members** attend various Delta Upsilon educational programs (Leadership Institute, Presidents Academy, Regional Leadership Academy, Emerging Leaders Experience, and the Global Service Initiative), including at least **one** registered delegate at Leadership Institute and **one** member at Presidents Academy. In the case that local, state, or federal restrictions prohibit a chapter from attending a Delta Upsilon Program, exceptions can be made on a case-by-case basis.

4. Service

Aspiration: Chapter supports a local charitable partner and conducts an average of **20 hours** of service per member per year.

Expectation: Chapter supports a local charitable partner and conducts an average of **15 hours** of service per member per year.

Minimum: Chapter conducts an average of **10 hours** of service per member per year.

5. Philanthropy

Aspiration: Chapter raises a total of at least \$3,000 for philanthropic endeavors, including at least \$2,500 for the Global Service Initiative. Proof, in the form of an acknowledgement email or letter from the charity, of funds donated to a non-profit other than the Global Service Initiative must be submitted to the Fraternity to satisfy this standard.

Expectation: Chapter raises at least \$1,000 for the Global Service Initiative.

Minimum: Chapter raises at least \$500 for a charity of their choice. Proof, in the form of an acknowledgement email or letter from the charity, of funds donated to a non-profit other than the Global Service Initiative must be submitted to the Fraternity to satisfy this standard.

Expectation: Chapter has no fees more than 30 days past due as of June 30.

Minimum: Chapter has no fees more than 60 days past due as of June 30 or is current on an agreed-to payment plan.

Assessment Processes

Chapters will be assessed annually at the conclusion of each academic year based on all available data and will be notified of their status by August 1. Each chapter's Chapter Advisory Board is responsible for submitting its Associate Member Education program verification and advisor verification via the Delta Upsilon website forms. All other data points are compiled by the International Headquarters.

The annual review will place chapters in one of the three levels for each of the 11 Standards: Aspiration, Expectation, and Minimum, with the exception of Associate Member Education, which is at the Expectation level only for complete implementation of the program. Certain Standards carry heavier weight in the evaluation process and not achieving the Expectation level in those Standards may necessitate a meeting with the Men of Merit Committee. The Standards of the CEP, GPA, Program Attendance, Membership, and Accounts Receivable may warrant an automatic meeting. Additionally, chapters noted as below minimum in any combination of six or more Standards may be assigned a member of the Men of Merit Committee and are required to follow their crafted Improvement Plan. Chapters found to be consistently below the Minimum level and showing little to no improvement may be recommended to the Delta Upsilon Board of Directors to examine their ability to continue as a Delta Upsilon chapter.

Please note: exceptions for not meeting the Expectation level in any given Standard may be granted by the Men of Merit Committee on a case-by-case basis.

Improvement Plan and Assistance

If a chapter falls at the Minimum level or below for any chapter Standard, it must begin work on the noted Improvement Plan for that area within the first 30 days of the next academic year (if applicable). The chapter will work collaboratively with its International Headquarters staff liaison and Men of Merit Committee Mentor to ensure successful completion.

Recognition

All chapters meeting the Aspiration and Expectation levels of the Chapter Standards will be recognized annually at the Leadership Institute and in the fall issue of the *Quarterly* as a “Men of Merit Chapter”. Official letters of recognition will be shared with college and university officials. Additional awards and recognition will be conferred based upon individual Chapter Standards performance.

Men of Merit Committee

The Men of Merit Committee is comprised of Delta Upsilon staff, alumni, and interfraternal colleagues selected based on their expertise and knowledge of chapter operations and industry best practices. They receive formal training on the Men of Merit program and are charged with assessing chapters on both the annual and rotating timelines as described above.

New Associate Chapters

As part of the Chapter Standards program, all new Delta Upsilon associate chapters will be established with substance-free housing, if applicable. They will remain in substance-free housing in perpetuity.

Fraternity Fees & Assessments for an Associate Chapter

In accordance with the Delta Upsilon International Fraternity Constitution and By-Laws, the Board of Directors annually proposes a fee structure for Associate Chapters of the Fraternity. The proposed fee structure will be established concurrently by the Board of Directors and the Undergraduate Advisory Board.

Provided below is the fee structure for Associate Chapters of Delta Upsilon.

- Associate Chapter Member Fees.....\$150 per Associate Chapter Member
Associate Chapter Member Fees provide for the Membership Fees and the Liability Insurance Assessments for the term in which the organization is colonized. After the term of the Associate Chapter Ceremony, the Members of the Associate Chapter will remit the same Membership Fees as Undergraduate Chapter Members.
- Chapter Fee
During the term in which the Associate Chapter is opened, the Chapter Fee will be waived. Participation in the Fraternity's General Liability Insurance Program

To ensure the long-term stability of the Fraternity's Comprehensive Loss Prevention and General Liability Insurance Programs, the Delta Upsilon Board of Directors has established a policy that requires that all Chapters currently participating in the program remain in the program. In order to operate successful Comprehensive Loss Prevention and General Liability Insurance Programs, all current and future Chapters and Associate Chapters that participate in the Fraternity's General Liability Insurance Program must continue to participate until such time as the Fraternity determines it is no longer vital to the Fraternity's existence.

General Liability Insurance Program and Non-Participating Chapters

It is the view of the Fraternity's Board of Directors that it is important to verify that all chapters of Delta Upsilon have the appropriate and adequate general liability insurance coverage. Further, the Board of Directors acknowledges that presently no undergraduate chapter secures general liability insurance coverage outside of the Fraternity's program. Any chapter pursuing general liability insurance outside of the Fraternity's program will be required to meet the following criteria on an annual basis:

1. The chapter must have general liability insurance that has equal or greater coverage limits to that secured by the International Fraternity.
