CHAPTER ONE

Introduction to The Resolute Man

Welcome to The Resolute Man.

The Resolute Man is a set of standards for defining what membership in Theta Chi Fraternity truly means. When you and your brothers fulfill the challenges outlined within *The Resolute Man*, your chapter will experience higher levels of engagement and achievement. When brothers seek to become Resolute Men, they are not only striving to become better Theta Chi members, but also better men.

This guidebook highlights opportunities to individually rack your experiences and accomplishments as a collegian. Included within *The Resolute Man* guidebook are potential opportunities that enhance our individual and chapter levels of accountability.

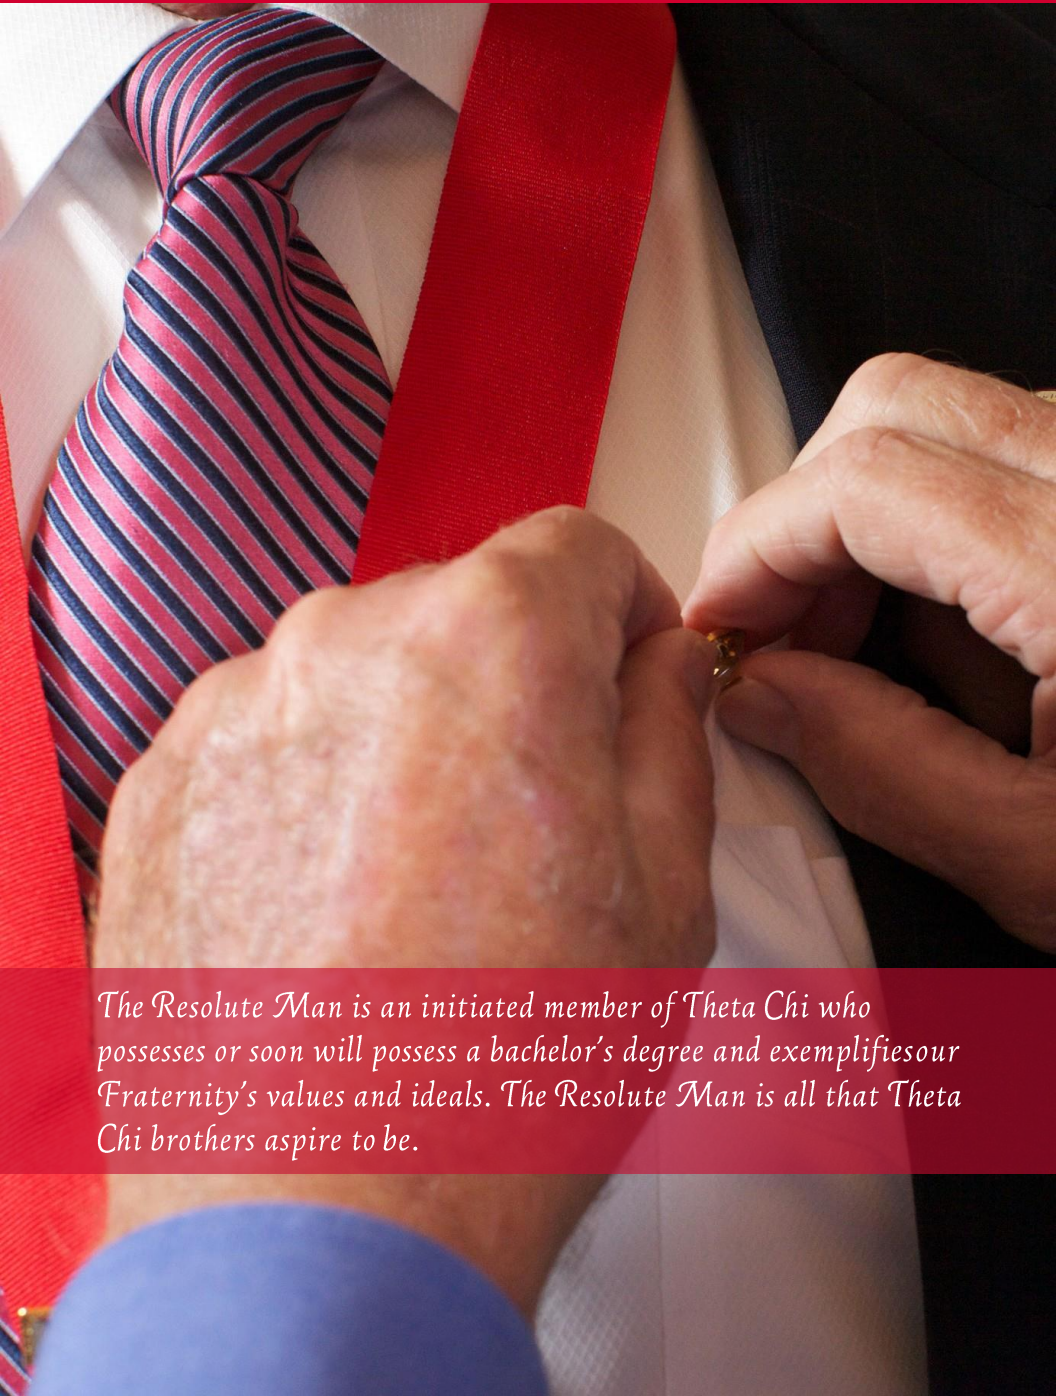

A Theta Chi collegian is eligible to become a Resolute Man by completing three of the recommended educational components, experiences, or commitments in each of the three competency areas, as well as the requirements of the final application. Collegians may complete the requirements of the three competency areas concurrently and in any order.

Collegians who become Resolute Men will participate in a special *Ritual* ceremony. During this ceremony, they will receive the insignia of *The Resolute Man*: a diamond-shaped guard that attaches to his Badge. Once received, he is entitled to wear the guard of *The Resolute Man* for life, so long as he remains a member of Theta Chi Fraternity in good standing.

The Resolute Man guidebook focuses on leadership, professional development, and The Assisting Hand. Becoming a Resolute Man is a great honor for any Theta Chi. To get the most out of your fraternal experience, we encourage all members to strive toward this worthy challenge. Greatness is achieved through taking advantage of the opportunities before you.

Be The Resolute Man.

The Resolute Man is an initiated member of Theta Chi who possesses or soon will possess a bachelor's degree and exemplifies our Fraternity's values and ideals. The Resolute Man is all that Theta Chi brothers aspire to be.
